(Pedestrianisation of Sadar Bazar)

Walking Audit (18th Dec 2020)

Gurugram Selected Sadar Bazaar Market Street and a School Zone in the Neighbourhood as sites for the Streets For People Challenge

Walking Audit carried out with all the registered participants of the Design Competition in presence of experts and stakeholders

•Participants were engaged with over official channels like:

Mail
Messaging
Invites over Phone call

•Queries were attended to on a one-to-one basis

Walking Audit

Participants presented a gist of the site, its context, existing studies and requirements

Walking Audit carried out with resources shared:

- Observation Checklist
- Base Map
- Route Map

Participants then followed that with a peer discussion on issues and challenges observed

A very fruitful discussion was held with the stakeholders from the site as well as City Officials

Timeline

Any changes to the timeline will be notified to the participants in advance.

Note

All winning teams are expected to assist the city with:

- Refining the design based on the inputs from community, city officials, and other stakeholders;
- Testing the design on the ground;
- Monitoring and Evaluation of implemented design.

Evaluation Process

- Jury members were shared the sheets from entries, evaluation beforehand

- Jury and Presentation by the shortlisted entry was held in the presence of:

City Officials
Experts
Stakeholders

- Criteria for Evaluation Sheet

Originality of Idea (10%)
Inclusivity of All Users (20%)
Ease of Implementation (30%)
Design Detail (40%)

Raahgiri Day

Raahgiri Day was organized to announce the winners of the competition

- An exhibition showcasing work of all the shortlisted teams
- Winners were awarded by Honorable Mayor also resident of the area
- A vision for Sadar Bazar and Gurugram's pedestrian friendly streets was presented
