“Sub-contractor” means any person or persons to whom a part of work or the Maintenance has been subcontracted by the Contractor and the permitted legal successors in title to such person, but not an assignee to such person;

“Nominated Sub-contractor” means any person or persons having specific experience of work to whom a part of work has been subcontracted by the Contractor and the permitted legal successors in title to such person, but not an assignee to such person;

“Termination” means the expiry or termination of this Agreement;

“Termination Notice” means the communication issued in accordance with this Agreement by one Party to the other Party terminating this Agreement;

“TPI” shall mean Third party inspection consultant who is designated for quality monitoring of material & workmanship during execution of this project.

“WPI” means the wholesale price index for various commodities as published by the Ministry of Commerce and Industry, GOI and shall include any index which substitutes the WPI, and any reference to WPI shall, unless the context otherwise requires, be construed as a reference to the WPI published for the period ending with the preceding month.

1.2 Interpretation

1.2.1 In this Agreement, unless the context otherwise requires,

- a) references to any legislation or any provision thereof shall include amendment or re-enactment or consolidation of such legislation or any provision thereof so far as such amendment or re-enactment or consolidation applies or is capable of applying to any transaction entered into hereunder;
- b) references to laws of India or Indian law or regulation having the force of law shall include the laws, acts, ordinances, rules, regulations, bye laws or notifications which have the force of law in the territory of India and as from time to time may be amended, modified, supplemented, extended or re-enacted;
- c) references to a "person" and words denoting a natural person shall be construed as a reference to any individual, firm, company, corporation, society, trust, government, state or agency of a state or any association or partnership (whether or not having separate legal personality) of two or more of the above and shall include successors and assigns;
- d) the table of contents, headings or sub-headings in this Agreement are for convenience of reference only and shall not be used in, and shall not affect, the construction or interpretation of this Agreement;
- e) the words "include" and "including" are to be construed without limitation and shall be deemed to be followed by "without limitation" or "but not limited to" whether or not they are followed by such phrases;
- f) references to "Scope of Work" include, unless the context otherwise requires, survey and investigation, supply of plant, materials, equipment, labour, delivery, transportation, installation, processing, fabrication, safety measures, testing, and commissioning of the Project, including maintenance during the Construction Period, removing of defects, if any, and other activities incidental to the construction and "construct" or "build" shall be construed accordingly;
- g) references to "development" include, unless the context otherwise requires, construction, renovation, refurbishing, augmentation, up-gradation and other activities incidental there to during the Construction Period, and "develop" shall be construed accordingly;
- h) any reference to any period of time shall mean a reference to that according to Indian standard time;
- i) any reference to day shall mean a reference to a calendar day;
- j) any reference to month shall mean a reference to a calendar month as per the Gregorian calendar;
- k) references to any date, period or Project Milestone shall mean and include such date, period or Project Milestone as may be extended pursuant to this Agreement;
- l) any reference to any period commencing "from" a specified day or date and "till" or "until" a specified day or date shall include both such days or dates; provided that if the last day of any period computed under this Agreement is not a business day, then the period shall run until the end of the next business day;
- m) the words importing singular shall include plural and vice versa;
- n) references to any gender shall include the other and the neutral gender;
- o) "lakh" means a hundred thousand (100,000) and "Crore" means ten million(10,000,000);
- p) "indebtedness" shall be construed so as to include any obligation (whether incurred as principal or surety) for the payment or repayment of money, whether present or future, actual or contingent;
- q) references to the "winding-up", "dissolution", "insolvency", or "reorganisation" of a company or corporation shall be construed so as to include any equivalent or analogous proceedings under the law of the jurisdiction in which such company or corporation is incorporated or any jurisdiction in which such company or

- corporation carries on business including the seeking of liquidation, winding-up, reorganisation, dissolution, arrangement, protection or relief of debtors;
- r) save and except as otherwise provided in this Agreement, any reference, at anytime, to any agreement, deed, instrument, licence or document of any Description shall be construed as reference to that agreement, deed, instrument, licence or other document as amended, varied, supplemented, modified or suspended at the time of such reference; provided that this Clause shall not operate so as to increase liabilities or obligations of the RSCL here under or pursuant here to in any manner whatsoever;
 - s) any agreement, consent, approval, authorisation, notice, communication, information or report required under or pursuant to this Agreement from or by any Party or the RSCL's Engineer shall be valid and effective only if it is in writing under the hand of a duly authorised representative of such Party or the EIC, as the case may be, in this behalf and not otherwise;
 - t) all the documents forming part of the contract shall be treated as integral whole and each one shall be in addition to being supplementary shall also be treated as complimentary to all other parts to the extent that the overall meaning and interpretation thereof shall be in conformity with the intention and purpose of this agreement.
 - u) time shall be of the essence in the performance of the Parties' respective obligations. If any time period specified herein is extended for the reasons specified in the Agreement, such extended time shall also be of the essence, inviting all the liabilities attached to the requirement to the performance in terms of Liquidated Damages.

1.2.2 Unless expressly provided otherwise in this Agreement, any Documentation required to be provided or furnished by the Contractor to the RSCL shall be provided free of cost in Five copies.

1.3 Measurements and arithmetic conventions

1.3.1 All measurements and calculations shall be in the metric system and calculations done to 2 (two) decimal places, with the third digit of 5 (five) or above being rounded up and below 5 (five) being rounded down.

1.4 Priority of agreements and errors/discrepancies

1.4.1 This Agreement, and all other agreements and documents forming part of or referred to in this Agreement are to be taken as mutually explanatory and, unless otherwise expressly provided elsewhere in this Agreement, the priority of this Agreement and other documents and agreements forming part hereof or referred to herein shall, in the event of any conflict between them, be in the following order:

- a) this Agreement; and
- b) all other agreements and documents forming part hereof or referred to herein; i.e. this Agreement at (a) above shall prevail over the agreements and documents at (b).

1.4.2 In case of ambiguities or discrepancies within this Agreement, the following shall apply:

- a) between two or more Clauses of this Agreement, the provisions of a specific Clause relevant to the issue under consideration shall prevail over those in other Clauses;
- b) between the Clauses of this Agreement and the Schedules, the Clauses shall prevail and between Schedules and Annexes, the Schedules shall prevail;
- c) between any two Schedules, the Schedule relevant to the issue shall prevail;
- d) between the written description on the Drawings and the Specifications and Standards, the latter shall prevail;

- e) between the dimension scaled from the Drawing and its specific written dimension, the latter shall prevail; and
- f) between any value written in numerals and that in words, the latter shall prevail.

CLAUSE 2 THE EMPLOYER

2.1 Right to Access the Site

The Employer shall give the Contractor right of access to, and possession of, all parts Site within the time (or times) stated in the Contract Data. The right and possession may not be exclusive of the to the Contractor. If, under the Contract, the Employer is required to give (to the Contractor) possession of any foundation, structure, plant or means of access, the Employer shall do so in the time and manner stated in the Specification. However, the Employer may withhold any such right or possession until the Performance Security has been received. If no such time is stated in the Contract Data, the Employer shall give the Contractor right of access to, and possession of, the Site within such times as required to enable the Contractor to proceed without disruption in accordance with the programme submitted under Sub-Clause 8.3 [Programme].

If the Contractor suffers delay and/or incurs Cost as a result of a failure by the Employer to give any such right or possession within such time, the Contractor shall give notice to the Engineer and shall be entitled subject to Sub-Clause 23.1 [Contractor's Claims] to:

- a) an extension of time for any such delay, if completion is or will be delayed, under Sub-Clause 8.5, and
- b) payment of any such Cost plus profit, which shall be included in the Contract Price.

After receiving this notice, the Engineer shall proceed in accordance with Sub-Clause 3.5 [Determinations] to agree or determine these matters.

However, if and to the extent that the Employer's failure was caused by any error or delay by the Contractor, including an error in, or delay in the submission of, any of the Contractor's Documents, the Contractor shall not be entitled to such extension of time, Cost or profit.

2.2 Employer's representative

The Employer shall be responsible for ensuring that the Employer's Personnel and the Employer's other contractors on the Site:

- a) co-operate with the Contractor's efforts under Clause 4.0, and
- b) take actions similar to those which the Contractor is required to take under subparagraphs (a), (b) and (c) of Sub-Clause 21.1 GCC and under Sub-Clause 5.1 SCC

2.3 Permits, Licenses or Approval

The Employer shall provide, at the request of the Contractor, such reasonable assistance as to allow the Contractor to obtain properly:

- a) Make available copies of the Laws which are relevant to the Contract but are not readily available, and
- b) obtaining any permits, licenses or approvals required by the Laws of state/central Government which the Contractor is required to obtain:

CLAUSE 3 THE ENGINEER

- 3.1** Employer shall appoint the Engineer who shall carry out the duties assigned to Authority him in the Contract. The Engineer's staff shall include suitably qualified engineers and other professionals who are competent to carry out these duties.

The Engineer shall have no authority to amend the Contract.

The Engineer may exercise the authority attributable to the Engineer as specified in or necessarily to be implied from the Contract. If the Engineer is required to obtain the approval of the Employer before exercising a specified authority, the requirements shall be as stated in the Particular Conditions. The Employer shall promptly inform the Contractor of any change to the authority attributed to the Engineer.

However, whenever the Engineer exercises a specified authority for which the Employer's approval is required, then (for the purposes of the Contract) the Employer shall be deemed to have given approval.

Except as otherwise stated in these Conditions:

- (a) whenever carrying out duties or exercising authority, specified in or implied by the Contract, the Engineer shall be deemed to act for the Employer;
- (b) the Engineer has no authority to relieve either Party of any duties, obligations or responsibilities under the Contract;
- (c) any approval, check, certificate, consent, examination, inspection, instruction, notice, proposal, request, test, or similar act by the Engineer (including absence of disapproval) shall not relieve the Contractor from any responsibility he has under the Contract, including responsibility for errors, omissions, discrepancies and non-compliances; and
- (d) any act by the Engineer in response to a Contractor's request except as otherwise expressly specified shall be notified in writing to the Contractor within 28 days of receipt.

The following provisions shall apply:

The Engineer shall obtain the specific approval of the Employer before taking action under the following Sub-Clauses of these Conditions:

- (A) agreeing or determining an extension of time and/or additional cost.
- (B) instructing a Variation, except in an emergency situation as determined by the Engineer, or
- (C) Sub-Clause 11.1: approving a proposal for Variation submitted by the Contractor in accordance with Sub-Clause 11.2.

Notwithstanding the obligation, as set out above, to obtain approval, if, in the opinion of the Engineer, an emergency occurs affecting the safety of life or of the Works or

of adjoining property, he may, without relieving the Contractor of any of his duties and responsibility under the Contract, instruct the Contractor to execute all such work or to do all such things as may, in the opinion of the Engineer, be necessary to abate or reduce the risk. The Contractor shall forthwith comply, despite the absence of approval of the Employer, with any such instruction of the Engineer. The Engineer shall determine an addition to the Contract Price, in respect of such instruction, in accordance with Clause 13 and shall notify the Contractor accordingly, with a copy to the Employer

3.2 The Engineer may from time to time assign duties and delegate authority to assistants, and may also revoke such assignment or delegation. These assistants may include a resident engineer, and/or independent inspectors appointed to inspect and/or test items of Plant and/or Materials. The assignment, delegation or revocation shall be in writing and shall not take effect until copies have been received by both Parties. However, unless otherwise agreed by both Parties, the Engineer shall not delegate the authority to determine any matter in accordance with Sub-Clause 3.5 [Determinations] Assistants shall be suitably qualified persons, who are competent to carry out these duties and exercise this authority, and who are fluent in the language for communications defined in Sub-Clause 1.4 [Law and Language]. Each assistant, to whom duties have been assigned or authority has been delegated, shall only be authorised to issue instructions to the Contractor to the extent defined by the delegation. Any approval, check, certificate, consent, examination, inspection, instruction, notice, proposal, request, test, or similar act by an assistant, in accordance with the delegation, shall have the same effect as though the act had been an act of the Engineer. However:

- a) any failure to disapprove any work, Plant or Materials shall not constitute approval, and shall therefore not prejudice the right of the Engineer to reject the work, Plant or Materials;
- b) if the Contractor questions any determination or instruction of an assistant, the Contractor may refer the matter to the Engineer, who shall promptly confirm, reverse or vary the determination or instruction.

3.3 The Engineer may issue to the Contractor (at any time) instructions and additional or modified Drawings which may be necessary for the execution of the Works and the remedying of any defects, all in accordance with the Contract. The Contractor shall only take instructions from the Engineer, or from an assistant to whom the appropriate authority has been delegated under this Clause. If an instruction constitutes a Variation, Clause 11 shall apply. The Contractor shall comply with the instructions given by the Engineer or delegated assistant, on any matter related to the Contract. Whenever practicable, their instructions shall be given in writing. If the Engineer or a delegated assistant:

- a) gives an oral instruction,
- b) receives a written confirmation of the instruction, from (or on behalf of) the then the confirmation shall constitute the written instruction of the Engineer or delegated assistant (as the case may be).
- c) does not reply by issuing a written rejection and/or instruction within two working days after receiving the confirmation

then the confirmation shall constitute the written instruction of the Engineer or delegated assistant (as the case may be).

- 3.4 Whenever these Conditions provide that the Engineer shall proceed in accordance with this Sub-Clause 3.4 to agree or determine any matter, the Engineer shall consult with each Party in an endeavour to reach agreement. If agreement is not achieved, the Engineer shall make a fair determination in accordance with the Contract, taking due regard of all relevant circumstances.

The Engineer shall give notice to both Parties of each agreement or determination, with supporting particulars, within 28 days from the receipt of the corresponding claim or request except when otherwise specified. Each Party shall give effect to each agreement or determination unless and until revised under Clause 23 [Claims, Disputes and Arbitration].

CLAUSE 4 OBLIGATIONS OF THE CONTRACTOR

4.1 Obligations of the Contractor

- 4.1.1 Subject to and on the Terms, Conditions. Provisions and Representation of this Agreement, the Contractor shall undertake the survey, investigation, procurement, construction, and maintenance of the Work and observe, fulfil, comply with and perform all its obligations set out in this Agreement or arising hereunder.
- 4.1.2 The Contractor shall comply with all Applicable Laws and Applicable Permits (including renewals as required) in the performance of its obligations under this Agreement.
- 4.1.3 The Contractor shall discharge its obligations in accordance with Good Industry Practice and as a reasonable and prudent person.
- 4.1.4 The Contractor shall remedy any and all loss or damage to work from the commencement until the end of the Construction Period at the Contractor's cost, save and except to the extent that any such loss or damage shall have arisen from any default or neglect of the Raipur Smart City Limited
- 4.1.5 The Contractor shall remedy any and all loss or damage to work during the Defects Liability Period at the Contractor's cost to the extent that such loss or damage shall have arisen out of the reasons specified in contract.
- 4.1.6 The Contractor shall remedy any and all loss or damage to work during the Maintenance Period at the Contractor's cost, save and except to the extent that any such loss or damage shall have arisen on account of any default or neglect of the Raipur Smart City Limited or on account of a Force Majeure Event.
- 4.1.7 The Contractor shall, at its own cost and expense, in addition to and not in derogation of its obligations elsewhere set out in this Agreement: -

Ensure that the Contractor and its Sub-contractors comply with the safety and welfare measures for labour in accordance with the Applicable Laws and Good Industry Practice; Keep, on the Site, a copy of this Agreement, publications named in this Agreement, the Drawings, Documents relating to the Project, and Change of Scope Orders and other communications given under this Agreement. The Raipur Smart City Limited and its authorised personnel shall have the right of access to all these documents at all reasonable times; Cooperate with other contractors employed by the RSCL and personnel of any public RSCL; and Not interfere unnecessarily or improperly with the convenience of the public, or the access to and use and occupation of all roads and footpaths, irrespective of whether they are public or

in the possession of the RSCL or of others.

- 4.1.8 The Contractor shall undertake all necessary superintendence to plan, arrange, direct, manage, inspect and test work.
- 4.1.9 The Contractor shall maintain all records as per Instructions of Engineer in Charge.

4.2 Obligations relating to sub-contracts and any other agreements

- 3.2.1 The Contractor shall not sub contract any part or portion of the actual construction to any sub contractor without prior permission of the RSCL which shall ordinarily not withhold any reasonable request thereof if the same is found in opinion of RSCL to be in interest of the work.
- 3.2.2 In the event, any sub contract is approved by RSCL the entire responsibility and liability as contained in the original contract shall continue to remain unaltered and diluted and the contractor shall be completely and fully responsible to RSCL as is RSCL is having no privity of contract with the sub contractor.
- 3.2.3 It is expressly agreed that the Contractor shall, at all times, be responsible and liable for all its obligations under this Agreement notwithstanding anything contained in the agreements with its Sub-contractors or any other agreement that may be entered into by the Contractor, and no default under any such agreement shall excuse the Contractor from its obligations or liability hereunder.

4.3 Contractor's personnel

- 3.3.1 The Contractor shall ensure that the personnel engaged by him or by his Sub-contractors in the performance of its obligations under this Agreement are at all times appropriately qualified, skilled and experienced in their respective functions in conformity with Good Industry Practice.
- 3.3.2 The EIC may, for reasons to be specified in writing, direct the Contractor to remove any member of the Contractor's or Sub-contractor's personnel. Any direction issued by the EIC shall specify the reasons for the removal of such person.
- 3.3.3 The Contractor shall on receiving such a direction from the EIC order for the removal of such person or persons with immediate effect. The Contractor shall further ensure that such persons have no further connection with work or Maintenance under this Agreement. The Contractor shall then appoint (or cause to be appointed) are placement.
- 3.3.4 In case RSCL instructs Contractor for removal of person or persons, Contractor shall replace them with equal of better credentials within two weeks.

4.4 Contractor's care of work

The Contractor shall bear full risk in and take full responsibility for the care of work, and of the Materials, goods and equipment for incorporation therein, from the Date of entry upon the site until the date of completion, defect liability, maintenance period as specified or date of final taking over certificate whichever is the last date.

4.5 Electricity, water and other services

The contractors shall have to make his own arrangement for electric power supply and water required for all the work, construction, site office and labour camp at his own cost. Contractor shall make arrangement for receiving, storage and distribution of water as per established norms and practice. Raipur Smart City Limited shall not entertain any claim of contractor for delays resulting on account of inadequate or irregular water supply. Certified plumbers should be employed by the contractor on the work for all the temporary sanitary and plumbing works.

4.6 Representations and warranties of the Contractor

The Contractor represents and warrants to the Raipur Smart City Limited that:

- a) it is duly organised and validly existing under the laws of India, and has full power to execute and perform its obligations under this Agreement and to carry out the transactions contemplated hereby ;
- b) it has taken all necessary corporate and/or other actions under Applicable Laws to authorise the execution and delivery of this Agreement and to validly exercise its rights and perform its obligations under this Agreement;
- c) this Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with the terms hereof, and its obligations under this Agreement will be legally valid, binding and enforceable obligations against it in accordance with the terms hereof;
- d) it is subject to the laws of India, and hereby expressly and irrevocably waives any immunity in any jurisdiction in respect of this Agreement or matters arising there under including any obligation, liability or responsibility hereunder;
- e) the information furnished in the Bid and as updated on or before the date of this Agreement is true and accurate in all respects as on the date of this Agreement;
- f) the execution, delivery and performance of this Agreement will not conflict with, result in the breach of, constitute a default under, or accelerate performance required by any of the terms of its memorandum and CLAUSES of association or any Applicable Laws or any covenant, contract, agreement, arrangement, understanding, decree or order to which it is a party or by which it or any of its properties or assets is bound or affected;
- g) it has no knowledge of any violation or default with respect to any order, writ, injunction or decree of any court or any legally binding order of any Government Instrumentality which may result in any material adverse effect on its ability to perform its obligations under this Agreement and no fact or circumstance exists which may give rise to such proceedings that would adversely affect the performance of its obligations under this Agreement;
- h) it has complied with Applicable Laws in all material respects and has not been subject to any fines, penalties, injunctive relief or any other civil or criminal liabilities which in the aggregate have or may have a material adverse effect on its ability to perform its obligations under this Agreement;
- i) no representation or warranty by it contained herein or in any other document furnished by it to the RSCCL or to any Government Instrumentality in relation to Applicable Permits contains or will contain any untrue or misleading statement of material fact or omits or will omit to state a material fact necessary to make such

- representation or warranty not misleading;
- j) no sums, in cash or kind, have been paid or will be paid, by it or on its behalf, to any person by way of fees, commission or otherwise for securing the contract or entering into this Agreement or for influencing or attempting to influence any officer or employee of the RSCL, in connection therewith;
 - k) all information provided by the {selected bidder/ members of the Consortium} in response to the Bid or otherwise, is to the best of its knowledge and belief, true and accurate in all material respects; and
 - l) nothing contained in this Agreement shall create any contractual relationship or obligation between the Raipur Smart City Limited and any Sub-contractors or agents of the Contractor.

CLAUSE 5

SECURITY DEPOSIT - PERFORMANCE SECURITY AND RETENTION MONEY

5.1 Performance Security

5.1.1 The Contractor shall for the performance of obligations here under during the Construction Period shall provide to Raipur Smart City Limited, within 15 (Fifteen) days from issuance of Letter of Acceptance, an irrevocable and unconditional guarantee for an amount equal to 5% (five percent) of the Contract Price from a nationalized bank in the form set forth in Schedule attached (the "Performance Security"). The such Performance Security deposit shall be valid until 60 (sixty) days after the payment of final bill. Till such Performance Security is obtained from Raipur Smart City Limited, the EMD will not be released and the said amount of EMD may be forfeited if performance security is not deposited within **15 days** from the date of Letter of Acceptance.

5.1.2 Not with standing anything to the contrary contained in this Agreement, the Parties agree that in the event of failure of the Contractor to provide the Performance Security in accordance with the provisions and within the time specified therein or such extended period as may be provided by the RSCL, in accordance with the provisions, the RSCL may encash the Bid Security and appropriate the proceeds thereof as Damages, and there upon all rights, privileges, claims and entitlements of the Contractor under or arising out of this Agreement shall be deemed to have been waived by, and to have ceased with the concurrence of the Contractor, and this Agreement shall be deemed to have been terminated by mutual agreement of the Parties.

5.1.3 Performance security will be released as specified in Conditions of particular application.

5.2 Extension of Performance Security

The Contractor may initially provide the Performance Security for a period of 2 (two) years; provided that it shall procure the extension of the validity of the Performance Security, as necessary, at least 1 (one) month prior to the date of expiry thereof.

5.3 Retention Money

5.3.1 From every payment for Works due to the Contractor in accordance with the provisions, the RSCL shall deduct 7% (seven per cent) limiting to 5% contract value thereof as guarantee money for performance of the obligations of the Contractor during the Construction Period.

- 5.3.2 Upon occurrence of a Contractor's Default, the Raipur Smart City Limited shall, without prejudice to its other rights and remedies here under or in law, be entitled to appropriate the relevant amounts from the Retention Money as Damages for such Contractor's Default.
- 5.3.3 The Retention money will be released as specified in Conditions of particular application.

CLAUSE 6 RIGHT OF WAY

6.1 The Site

The site of the Work (the "Site") shall comprise the site described in contract in respect of which the Right of Way shall be provided by the Raipur Smart City Limited to the Contractor.

6.2 Special/temporary Right of Way

The Contractor shall bear all costs and charges for any special or temporary right of way required by it in connection with access to the Site. The Contractor shall obtain at its cost such facilities on or outside the Site as may be required by it for the purposes of the Work and the performance of its obligations under this Agreement.

6.3 Access to the Employer and his Engineer

- 6.3.1 The Right of Way given to the Contractor hereunder shall always be subject to the right of access of the RSCL and the RSCL'S Engineer and their employees and agents for inspection, viewing and exercise of their rights and performance of their obligations under this Agreement.
- 6.3.2 The Contractor shall ensure, subject to all relevant safety procedures, that the RSCL has un-restricted access to the Site during any emergency situation, as decided by the RSCL 's Engineer.

6.4 Geological and archaeological finds

It is expressly agreed that mining, geological or archaeological rights do not form part of this Agreement with the Contractor for work, and the Contractor hereby acknowledges that it shall not have any mining rights or interest in the underlying minerals, fossils, antiquities, structures or other remnants or things either of particular geological or archaeological interest and that such rights, interest and property on or under the Site shall vest in and belong to the Raipur Smart City Limited or the concerned Government Instrumentality. The Contractor shall take all reasonable precautions to prevent its workmen or any other person from removing or damaging such interest or property and shall inform the Raipur Smart City Limited forthwith of the discovery thereof and comply with such instructions as the concerned Government Instrumentality may reasonably give for the removal of such property. For the avoidance of doubt, it is agreed that any reasonable expenses incurred by the Contractor

hereunder shall be reimbursed by the Raipur Smart City Limited. It is also agreed that the Raipur Smart City Limited shall procure that the instructions hereunder are issued by the concerned Government Instrumentality within a reasonable period.

CLAUSE 7 UTILITIES AND TREES

7.1 Existing utilities and roads

Notwithstanding anything to the contrary contained herein, the Contractor shall ensure that the respective entities owning the existing roads, right of way, level crossings, structures, or utilities on, under or above the Site are enabled by it to keep them in continuous satisfactory use, if necessary, by providing suitable temporary diversions with the Raipur Smart City Limited of the controlling body of that road, right of way or utility.

7.2 Shifting of obstructing utilities

The Contractor shall, in accordance with Applicable Laws cause shifting of utility (including electric lines, water pipes and telephone cables) to an approved location or alignment. Contractor shall not be paid separately for the same.

7.3 Felling of trees

The RSCL shall assist the Contractor in obtaining the Applicable Permits for felling of trees to be identified by the RSCL for this purpose if and only if such trees cause a Material Adverse Effect on the construction or maintenance of the Work. The cost of such felling shall be borne by the contractor. The Parties here to agree that the felled trees shall be deemed to be owned by the RSCL and shall be disposed in such manner and subject to such conditions as the RSCL may in its sole discretion deem appropriate. For the avoidance of doubt, the Parties agree that if any felling of trees hereunder is in a forest area, the Applicable Permit thereof shall be procured by the RSCL within the time specified in the Agreement.

CLAUSE 8 DESIGN AND CONSTRUCTION OF THE WORK

8.1 General Design Obligations

8.1.1 Contractor shall carry out, and be responsible for, the design of work from qualified designers who are Engineer or other professionals who comply with the Criteria. The works under Contract comprises for 24 x 7 Water Supply System under Smart City Mission in Mor Raipur City Centre Area of Raipur Municipal Corporation including Refurbishment of existing network in ABD and Outer Area including all work of Mechanical, Electrical, SCADA, Household Connections, Consumer Water Meter Fittings work with three months trial run and post completion Management of 24 x 7 Water Supply in Smart City for a period of 5 years including 2 years defect liability period on Design, Build & operate Basis.

8.2 Drawings

Submission of Drawings:

Tender drawings prepared by Employers are based on preliminary survey. Contractor has to carry out confirmatory survey for accuracy and completeness of data. It is in scope of successful Contractor to undertake all confirmatory site surveys, route surveys for ascertaining the terrain and planning the scheme as well as to conduct geotechnical investigations necessary as per the requirement stated in standard codes and guidelines. The Contractor shall carry out the design and submit to the client, along with all the good for construction drawings for all the components of the work as per Employers requirement and submit the same to client for review and approval.

The successful Contractor shall have to prepare and submit 'As Built Drawings' depicting the exact construction carried out on site, in soft and hard copy format & get the same approved from Employer/PMC.

Within 30 days from the Commencement Date the Contractor shall start submitting drawings, construction documents, etc., for review and approval by the Employer's Representative. **Contractor shall prepare detailed Programme in MS Project software and get it approved from FIC/PMC.** The Contractor shall submit all the Drawings as per Schedule approved by the Employer.

8.3 Intellectual Property Rights

The intellectual property rights in respect of drawing and all that is relevant to the concept of rights shall be vested in RSCL.

8.3 Construction of the Work

8.3.1 The Contractor shall construct the works as specified, and in conformity with the Specifications and Standards set forth in the contract. The Contractor shall be responsible for the correct positioning of all parts of work, and shall rectify any error in the positions, levels, dimensions or alignment of work. and the Contractor agrees and undertakes that the construction shall be completed on or before the scheduled Completion Date, including any extension thereof.

8.3.2 The total price of the works shall be initially the price as indicated in the offer acceptance letter unless the same is modified or changed by Raipur Smart City Limited in view of any modification or change brought about after final approval of drawing, and actual execution of the work. It is clearly understood that the payment will be based on actual work done quantities.

8.4 Construction Programme

The contractor shall submit a detailed programme in MS projects software within 15 days after receiving the letter of acceptance. Whenever necessary, contractor shall also submit a revised programme indicating how he plans to catch up with the slippages. Each programme shall include the order in which he intends to carry out the work including the anticipated timing of procurement, deployment of resources and quantities involved. The programme will be projected as Bar Chart / CPM – Net

work presentation. Contractor shall promptly give notice of probable future events or circumstance which may adversely affect the work. The programme should include deployment of financial resources commensurate with the work planned each month. If at any time actual progress is too slow to achieve target programme and/or progress has fallen behind the current programme then the engineer may instruct the contractor to submit revised programme with plan to mitigate time.

8.5 Extension of time for completion

8.5.1 The work shall have to be completed within originally stipulated period as indicated in the contract. Time is essence of contract and failure to adhere to the time of completion shall attract liability for the contractor to pay Liquidated Damages as specified separately. However it has been agreed between the parties that in event of any variation or change taking place affecting the time of completion, time adjustment shall be made by Raipur Smart City Limited for which no additional cost will be payable. Such time extension shall ordinarily be for exceptionally adverse climatic conditions, enforceable shortage in availability of materials or any delay, impediment or prevention caused by or attributable to the RSCL.

8.5.2 If contractor considered himself to be entitled to an extension of time for completion, the contractor shall give engineer a notice within 7 days from the cause justifying such extension indicating the period justified. The engineer of RSCL shall evaluate the Time Impact and make an adjustment in time for completion. Such extension, it is reiterated shall not be associated with any compensation or claim for delay being pressed by the contractor.

8.6 Liquidated Damage/Delay Damages

If contractors fails to comply with time for completion the contractor being given notice to make good the time fails to do so to the satisfaction of engineer he shall be liable to pay LD/Delay Damages for the default. The Delay Damages shall be the sum stated in Bidding data which shall be payable for delay for each week that is caused incompleteness. The total amount of such delay damages shall not exceed the amount named in the Contract data. It is agreed between the parties that the amount so named and the limit so fixed as compensation is the true and correct estimated damage caused to Raipur Smart City Limited resulting from extension of time and which otherwise is not subject to any arithmetic computation. These damages shall not release the contractor from its obligation to complete the job or from any duties or responsibilities which he may have under the contract.

CLAUSE 9

QUALITY ASSURANCE, MONITORING AND SUPERVISION

9.1 Quality of Materials and workmanship

The Contractor shall ensure that the Construction, Materials and workmanship are in accordance with the requirements specified in this Agreement, Specifications and Standards and Good Industry Practice.

9.2 Quality control system

9.2.1 The Contractor shall establish a quality control mechanism to ensure compliance with the provisions of this Agreement (the "Quality Assurance Plan" or "QAP").

9.2.2 The Contractor shall, within 30 (thirty) days of the commencement Date, submits to the EIC its Quality Assurance Plan which shall include the following:

- a) organisation, duties and responsibilities, procedures, inspections and documentation;
- b) quality control mechanism including sampling and testing of Materials, test frequencies, standards, acceptance Criteria, testing facilities, reporting, recording and interpretation of test results, approvals, check list for site activities, and proforma for testing and calibration in accordance with Good Industry Practice;and
- c) **Internal quality audit system.**

The RSCL/PMC shall convey its comments to the Contractor within a period of 15 (fifteen) days stating the modifications, if any, required, and the Contractor shall incorporate those in the QAP to the extent required for conforming with the provisions in the contract.

9.2.3 The Contractor shall procure all documents, apparatus and instruments, fuel, consumables, water, electricity, labour, Materials, samples, and qualified personnel as are necessary for examining and testing the Project Assets and workmanship in accordance with the Quality Assurance Plan.

9.2.4 The cost of testing of Construction, Materials and workmanship shall be borne by the Contractor.

9.3 Methodology

9.3.1 The Contractor shall, at least 15 (fifteen) days prior to the commencement of the construction, submit to the RSCL/PMC for review the methodology proposed to be adopted for executing work, giving details of equipment to be deployed, traffic management and measures for ensuring safety. The RSCL/PMC shall review and convey its comments to the Contractor within a period of 10 (ten) days from the date of receipt of the proposed methodology from the Contractor.

9.4 Inspection and technical audit by the RSCL

9.4.1 The RSCL/PMC or any representative authorised by the RSCL in this behalf may inspect and review the progress and quality of the construction of Work and issue appropriate directions to the RSCL/PMC and the Contractor for taking remedial action in the event work are not in accordance with the provisions of this Agreement.

9.5 External technical audit

9.5.1 At any time during construction, the RSCL may appoint an external technical auditor to conduct an audit of the quality of work. The findings of the audit, to the extent accepted by the RSCL shall be notified to the Contractor and the EIC for taking remedial action in accordance with this Agreement. The Contractor shall provide all assistance as may be required by the auditor in the conduct of its audit here under. Notwithstanding anything contained in the contract, the external technical audit shall not affect any obligations of the Contractor or the EIC under this Agreement.

9.6 Inspection of construction records

9.6.1 The RSCL/PMC shall have the right to inspect the records of the Contractor relating to work.

9.7 Progress reports

9.7.1 During the Construction Period, the Contractor shall, no later than 7 (seven) days after the close of each month, furnish to the RSCL a monthly progress report on progress of work in the format given elsewhere in this tender and shall promptly give such other relevant information as may be required by the RSCL/PMC. Apart from this Contractor has to submit daily & weekly progress reports in the format given elsewhere in this tender.

9.8 Examination of work before covering up

In respect of the work which the RSCL/PMC is entitled to examine, inspect, measure and/or test before it is covered up or put out of view or any part of the work is placed thereon, the Contractor shall give notice to the RSCL/PMC whenever any such work is ready and before it is covered up. The RSCL/PMC shall then either carry out the examination, inspection or testing without unreasonable delay or promptly give notice to the Contractor that the RSCL/PMC does not require to do so. Provided, however, that if any work is of a continuous nature where it is not possible or prudent to keep it uncovered or incomplete, the Contractor shall notify the schedule of carrying out such work to give sufficient opportunity, not being less than 3(three) business days' notice, to the RSCL/PMC to conduct its inspection, measurement or test while the work is continuing. Provided further that in the event the Contractor receives no response from the RSCL/PMC within a period of 3 (three) business days from the date on which the Contractor's notice hereunder is delivered to the RSCL/PMC, the Contractor shall be entitled to assume that the RSCL/PMC would not undertake the said inspection.

9.9 Rejection

9.9.1 If, as a result of an examination, inspection, measurement or testing, any Plant, Materials or workmanship is found to be defective or otherwise not in accordance with the provisions of this Agreement, the RSCL/PMC shall reject the Plant, Materials or workmanship by giving notice to the Contractor, with reasons. The Contractor shall then promptly make good the Defect and ensure that there placed item complies with the requirements of this Agreement.

9.9.2 If the RSCL/PMC requires the Plant, Materials or workmanship to be

retested, the tests shall be repeated under the same terms and conditions, as applicable in each case. If the rejection and retesting cause the RSCL to incur any additional costs, such cost shall be recoverable by the RSCL's from the Contractor; and may be deducted by the RSCL from any monies due to be paid to the Contractor.

9.10 Remedial work

9.10.1 Not with standing any previous test or certification, the RSCL/PMC may instruct the Contractor to:

- a) remove from the Site and replace any Plant or Materials which are not in accordance with the provisions of this Agreement;
- b) remove and re-execute any work which is not in accordance with the provisions of this Agreement and the Specification and Standards; and(c) execute any work which is urgently required for the safety of the Work, whether because of an accident, unforeseeable event or otherwise; provided that in case of any work required on account of a Force Majeure Event.,

9.10.2 If the Contractor fails to comply with the instructions issued by the RSCL/PMC, within the time specified in the RSCL/PMC's notice or as mutually agreed, the RSCL may have get the work executed by another agency. The cost so incurred by the RSCL for undertaking such work shall, without prejudice to the rights of the RSCL to recover Damages in accordance with the provisions of this Agreement, be recoverable from the Contractor and may be deducted by the RSCL from any monies due to be paid to the Contractor.

9.11 Quality control records and Documents

The Contractor shall hand over to the EIC a copy of all its quality control records and documents before the Completion Certificate is issued.

9.12 Video recording and Photography

During the Construction Period, the Contractor shall provide to the RSCL for every calendar quarter, photographs and a video recording, which will be compiled into a 3(three)-hour compact disc or digital video disc, as the case may be, covering the status and progress of Works in that quarter. The video recording shall be provided to the RSCL/PMC no later than 15 (fifteen) days after the close of each quarter after the commencement date.

9.13 Suspension of unsafe Construction Works

9.13.1 In event its come to the notice of RSCL/PMC any impending risk to the work or the personnel on and around the project site, the RSCL may by notice require the Contractor to suspend forthwith the whole or any part of work if, in the reasonable opinion of the RSCL/PMC, such work threatens the safety of the Users and pedestrians.

9.13.2 The Contractor shall, pursuant to the notice under contract, suspend work or any part thereof for such time and in such manner as may be specified by the RSCL and thereupon carry out remedial measures to secure the safety of suspended works, the Users and pedestrians. The Contractor may by notice require the RSCL/PMC to inspect such remedial measures forthwith

and make a report to the RSCL recommending whether or not the suspension hereunder may be revoked. Upon receiving the recommendations of the RSCL/PMC, the RSCL shall either revoke such suspension or instruct the Contractor to carry out such other and further remedial measures as may be necessary in the reasonable opinion of the RSCL, shall be repeated until the suspension hereunder is revoked.

9.13.3 All costs incurred for maintaining and protecting work or part thereof during the period of suspension shall be borne by the Contractor; provided that if the suspension has occurred as a result of any breach of this Agreement by the RSCL, the Costs shall be borne by the RSCL. However cost for maintaining and protecting the work for first 30 days, in any event shall be borne by Contractor irrespective of RSCL bringing about the suspension for its own convenience. The quantum of cost for maintenance and protection of the work when payable to the contractor shall be subject to approval of RSCL engineer.

9.13.4 If suspension of Works is for reasons not attributable to the Contractor, the EIC shall determine any Time Extension to which the Contractor is reasonably entitled.

9.14 Setting of site Laboratories: Deleted

9.15 Instructions for Composite Contract:

It will be obligatory on the part of the tenderer to sign the tender documents for all the components. (The schedule of quantities, conditions and specials conditions etc.).

In case of breakage of any existing service lines, it shall be immediately attended by the contractor failing which RSCL has full liberty to get work done at the cost and risk of the contractor over and above repairing charges, penalty as decided by the Engineer in charge shall be imposed and deducted from Bill of the contractor.

9.16 FINAL INSPECTION

After completion of all tests as per specifications, the whole work will be subject to a final inspection to ensure that WORK has been completed as per requirement. If any defects noticed in the work are attributable to Contractor these shall be attended by the Contractor at his own cost, as and when they are brought to his notice by the Raipur Smart City Limited. . The Raipur Smart City Limited shall have the right to have these defects rectified at the risk and cost of the Contractor, if he fails to attend to these defects immediately.

CLAUSE 10 COMPLETION CERTIFICATE

10.1 Provisional Certificate

10.1.1 Upon completion of all Works forming part of the Work, save and except work for which Time Extension has been granted, the EIC/PMC shall, at the request of the Contractor, issue a provisional certificate of completion if the

Tests for and in respect of the completed Works are successful. The Provisional Certificate shall have appended there to a list of outstanding items of work (the "Punch List") that need to be completed in accordance with the provisions of this Agreement. The Contractor undertakes to complete the minor outstanding items of works in respect of those Sections of the Work for which the Provisional Certificate has been issued, within a period of 30 (thirty) days of the date of Provisional Certificate, and those parts of work in respect of which Time Extension has been granted, within the extended period thereof. For the avoidance of doubt, the Parties agree that the Punch List shall include all Works for which Time Extension has been granted and shall also include any minor outstanding items of work forming part of the completed Sections if such works do not materially affect the use of the completed Sections for their intended purpose. The Parties further agree that Provisional Certificate shall not be issued if the completed Works cannot be safely and reliably placed in service of the Users thereof.

10.1.2 If the EIC/PMC determines that the Work or any completed part thereof does not conform to the provisions of this Agreement and cannot be safely and reliably placed in operation, it shall forthwith make a report in this behalf and send copies hereof to the EIC/PMC and the Contractor and withhold issuance of the Provisional Certificate until the Defects or deficiencies are rectified by the Contractor and Tests are successful in accordance standard.

10.1.3 Notwithstanding anything to the contrary contained in contract, the RSCL may, at any time after receiving a report from the EIC/PMC under that Clause, direct the EIC/PMC to issue a Provisional Certificate and such direction shall be complied forthwith.

10.2 Completion of remaining Works

All items in the Punch List shall be completed by the Contractor in accordance with the provisions of this Agreement. For any delay in their completion other than for the reasons solely attributable to the RSCL or due to Force Majeure, the RSCL shall be entitled to recover Damages from the Contractor in accordance with this Agreement.

10.3 Completion Certificate

10.3.1 Upon completion of all Works and on submission of completion certificate by the contractor the EIC/PMC shall forthwith issue to the Contractor a Completion certificate after verification of site.

10.3.2 Upon receiving the Completion Certificate, the Contractor shall remove its equipment, materials, debris and temporary works from the Site within a period of 30 (thirty) days thereof, failing which the RSCL may remove or cause to be removed, such equipment, materials, debris and temporary works and recover from the Contractor an amount equal to 120% (one hundred and twenty per cent) of the actual cost of removal incurred by the RSCL.

10.3.3 Without prejudice to the obligations of the Contractor specified, the property

and ownership of all the completed Works forming part of the Work shall vest in the RSCL.

10.4 Handing over of Project:

Three months before the likely date of completion of works in all respects, contractor shall intimate to the EIC/PMC the following.

- a) The contractor(s) shall submit the break-up of cost of construction of different parts of the project In the manner the break up as required to the EIC/PMC
- b) The contractors/agency shall lay the services as per approved plan by concern department. On completion of services the contractor /agency will submit the required number of completion plan to various authorities for handing over. The RSCL also reserves the right to withhold the amount which is likely to be payable to these agencies as deficiency charges. The decision of the Engineer-in-charge in this regard shall be final and binding on the contractor(s)/agency(s).

10.5 AS BUILT DRAWINGS AND DOCUMENTATION:

The as built drawings and documents shall be submitted by the contractor in 3 [Three] sets including the drawings supplied by the contractor and the vendor designs if any along with one reproducible media / tracing / soft copies & Failure of such submission within the stipulated time limit attracts the penalty decided by EIC.

CLAUSE 11 VARIATIONS & CHANGE OF SCOPE

11.1 Variations

11.1.1 The RSCL may, notwithstanding anything to the contrary contained in this Agreement, require the Contractor to make variations/modifications/alterations to work ("Change of Scope") during the progress of work and before the issue of the Completion Certificate either by giving an instruction or by requesting the Contractor to submit a proposal for Change of Scope involving additional cost or reduction in cost and adjustment of time.

11.1.2 Change of Scope shall mean: any change that is brought about at the instance of RSCL after the complete drawings has been approved as provided in the contract.

Such change shall be limited to -

- (a) change in specifications of any item of Works;
- (b) any additional work, Plant, Materials or services which are not originally included in the Scope of the Project.

11.1.3 If the Contractor determines at any time that a Change of Scope will, if adopted, (i) accelerate completion, (ii) reduce the cost to the RSCL of executing, maintaining or operating the Work, improve the efficiency or value to the RSCL of the completed the Work, or (iv) otherwise be of benefit to the RSCL, it shall prepare a proposal with relevant details at its own cost. The Contractor shall submit such proposal, supported with the relevant

details and the amount of addition or reduction in the Contract Price to the RSCL to consider such Change of Scope. The RSCL shall, within 15 (fifteen) days of receipt of such proposal, either accept such Change of Scope with modifications, if any, and initiate proceedings there for or reject the proposal and inform the Contractor of its decision. For the avoidance of doubt, the Parties agree that the Contractor shall not undertake any Change of Scope without the express written consent of the RSCL, save and except any Works necessary for meeting any Emergency.

- 11.1.4 Total Value of Change in scope of work shall not exceed Twenty Five Percent (25%) of approved Contract amount

11.2 Procedure for Change of Scope

11.2.1 In the event of the RSCL determining that a Change of Scope is necessary, it may direct the EIC/PMC to issue to the Contractor a notice specifying in reasonable detail work and services contemplated there under (the "Change of Scope Notice").

11.2.2 Upon receipt of a Change of Scope Notice, the Contractor shall, with due diligence, provide to the RSCL and the EIC/PMC such information as is necessary, together with preliminary documentation in support of:

(a) the impact, if any, which the Change of Scope is likely to have on the Project Completion Schedule if work or services are required to be carried out during the Construction Period; and

(b) the options for implementing the proposed Change of Scope and the effect, if any, each such option would have on the costs and time thereof, including the following details:

(i) break down of the quantities, unit rates and cost for different items of work;

(ii) proposed modifications, if any, to the Project Completion Schedule of the Work. For the avoidance of doubt, the Parties expressly agree that, the Contract Price shall be increased or decreased, as the case may be, on account of Change of Scope.

11.2.3 Upon reaching an agreement, the RSCL shall issue an order (the "Change of Scope Order") requiring the Contractor to proceed with the performance thereof. In the event that the Parties are unable to agree, the RSCL may:

(a) issue a Change of Scope Order requiring the Contractor to proceed with the performance thereof at the rates and conditions approved by the RSCL till the matter is resolved.

11.2.4 The provisions of this Agreement, in so far as they relate to Works and Tests, shall apply mutatis mutandis to work undertaken by the Contractor.

11.3 Payment for Change of Scope

The payment for change of scope and extra item shall be made as per the applicable Schedule of Rates (SOR) for the SOR considering the price adjustment over the relevant year and for non SOR items the rates will be paid as per rate analysis + 15% for overheads & profit or as per mutual consent.

11.4 Restrictions on Change of Scope

11.4.1 No Change of Scope shall be executed unless the RSCL has issued the Change of Scope Order save and except any Works necessary for meeting any Emergency.

11.4.2 Change made because of any default of the Contractor in the performance of its obligations under this Agreement shall not be deemed to be Change of Scope, and shall not result in any adjustment of the Contract Price or the Project Completion Schedule.

CLAUSE 12

DEFECTS LIABILITY

12.1 Defects Liability Period

12.1.1 Means the period of **Two year** from the certified date of completion of work. It shall be counted after the successful trial runs for a period of 3 months or till prescribed parameters are not attained & whichever is later of the two. During the defect liability period the contractor shall be responsible for repair and replacement of any defective material used on the entire work and he will carry the full liability to make good to the complete satisfaction of the Engineer In-charge, any defects in the completed work or any bad work visible or detected afterword's.

12.2 Remediating Defects

The Contractor shall repair or rectify all Defects and deficiencies observed by the EIC during the Defects Liability Period within a period of 15 (fifteen) days from the date of notice issued by the EIC/PMC, in this behalf, or within such reasonable period as may be determined by the EIC/PMC at the request of the Contractor, in accordance with Good Construction Practice.

12.3 Cost of remediating Defects

For the avoidance of doubt, any repair or rectification undertaken in accordance with the contract, including any additional testing, shall be carried out by the Contractor at its own risk and cost, to the extent that such rectification or repair is attributable to:

- (a) Plant, Materials or workmanship not being in accordance with this Agreement and the Specifications and Standards;
- (b) improper maintenance during construction of the Work by the Contractor; and/or
- (c) failure by the Contractor to comply with any other obligation under this Agreement.

12.4 Contractor's failure to rectify Defects

In the event that the Contractor fails to repair or rectify such Defect or deficiency within the period specified by the EIC, the RSCL shall be entitled to get the same repaired, rectified or remedied at the Contractor's cost so as to make the Work

conform to the Specifications and Standards and the provisions of this Agreement. All costs consequent there on shall, after due consultation with the RSCL and the Contractor, be determined by the EIC. The cost so determined and an amount equal to One hundred twenty percent (120 %) of the cost as Damages shall be recoverable by the RSCL from the Contractor and may be deducted by the RSCL from any monies due to the Contractor.

12.5 Contractor to search cause

- 12.5.1 The EIC may instruct the Contractor to examine the cause of any Defect in work or part thereof before the expiry of the Defects Liability Period.
- 12.5.2 In the event any Defect is attributable to the Contractor, the Contractor shall rectify such Defect within the period specified by the EIC, and shall bear the cost of the examination and rectification of such Defect.
- 12.5.3 In the event such Defect is not attributable to the Contractor, the EIC shall, after due consultation with the RSCL and the Contractor, determine the costs incurred by the Contractor on such examination and notify the same to the Contractor, with a copy to the RSCL, and the Contractor shall be entitled to payment of such costs by the RSCL's
- 12.5.4 Any latent structural defects, if noticed within the defect liability period of three years, the same shall be rectified at the cost of the contractor.

CLAUSE 13 ENGINEER-IN-CHARGE

13.1 Appointment of the Engineer-In-Charge

- 13.1.1 The RSCL shall nominate and appoint the Engineer-In-Charge who shall carry out the duties of "Engineer" as are necessary in performance of protection of interest of RSCL as also may enable parties to achieve the work as intended in terms of the contract. The engineer shall have no authority to amend or alter the contract either on time or cost basis.
- 13.1.2 The appointment of the Engineer-In-Charge shall be made no later than 15 (fifteen) days from the date of this Agreement. The RSCL shall notify the appointment or replacement of the Engineer-In-Charge to the Contractor.
- 13.1.3 The staff of the Engineer-In-Charge shall include suitably qualified engineers and other professionals who are appointed to assist the Engineer-In-Charge to carry out its duties.
- 13.1.4 In addition to nominating Engineer-In-Charge, RSCL shall be free to engage any agency or individual in capacity of Project Management Consultant/Third Party Inspection agency who shall assist EIC in fulfilling the role and duty of an Engineer as required under the contract. The inspection charges to be borne by the contractor.

13.2 Instructions of the Engineer-In-Charge

- 13.2.1 The Engineer-In-Charge may issue to the Contractor instructions for remedying any Defect. The Contractor shall take such instructions from the

Engineer-In-Charge, or from an assistant to whom appropriate authority has been delegated.

13.2.2 The instructions issued by the Engineer-In-Charge shall be in writing. However, if the Engineer-In-Charge issues any oral instructions to the Contractor, it shall confirm in writing the oral instructions within 2 (two) working days of issuing them.

13.2.3 In case the Contractor does not receive the confirmation of the oral instruction within the time specified, the Contractor shall seek the written confirmation of the oral instructions from the Engineer-In-Charge. The Contractor shall obtain acknowledgement from the Engineer-In-Charge of the communication seeking written confirmation. In case of failure of the Engineer-In-Charge or its delegated assistant to reply to the Contractor within 2 (two) days of the receipt of the communication from the Contractor, the Contractor may not carry out the instruction.

CLAUSE 14 PAYMENTS

14.1 Contract Price

14.1.1 The Contract Price includes all duties, taxes, royalty and fees that may be levied in accordance with the laws and regulations in force as on the Base Date on the Contractor's equipment, Plant, Materials and supplies acquired for the purpose of this Agreement and on the services performed under this Agreement. Nothing in this Agreement shall relieve the Contractor from its responsibility to pay any tax, that may be levied in India (by any of the Government departments) on work execution or profits made by it in respect of this Agreement.

14.1.2 Contract price shall be adjusted for increase or decrease in rates and prices of labour, materials, fuels and lubricants in accordance with the following principles and procedures and as per formula given in the Contract data.

The price adjustment shall apply for the work done from the start date given in the Contract data upto end of the initial intended completion date or extensions granted by the Nodal Officer or his nominee and shall not apply to the work carried beyond the stipulated time for reason attributable to the contractor.

14.1.3 Unless otherwise stated in this Agreement, the Contract Price covers all the Contractor's obligations for work under this Agreement and all things necessary for the Construction and the remedying of any Defects in the Work.

14.1.4 Unless otherwise stated in this Agreement, the Contract Price covers all the Contractor's obligations for work under this Agreement and all things necessary for the Construction and the remedying of any Defects in the Work.

14.1.5 All payments under this Agreement shall be made in Indian Rupees.

14.2 Advance payment

14.2.1 Employer shall make an interest free advance payment, for mobilization and cash flow support, when the Contractor submits a bank guarantee obtained from nationalized/scheduled bank in accordance with this Sub-Clause. The total advance payment, the number and timing of installments (if more than one), and the applicable currencies and proportions, shall be as stated in sub-clauses mentioned in Conditions of Particular Application.

14.3 Interim Payment Statement for Works

14.3.1 Contractor has to submit his Running Account bills on monthly basis. Scrutiny of the interim bills submitted by the contractor will be made by EIC/PMC within period of 20 days & will issue Interim payment certificate.

14.3.2 In case of EIC/PMC have queries related to various claims in the RA Bills or RA Bill is not supported with necessary details, EIC/PMC will return RA Bill to contractor for compliance. Contractor has to resubmit the RA Bill with compliance.

14.3.3 All payment to the contractor, irrespective of amount shall be made direct to the bank account of the contractor through RTGS/NEFT for which necessary details shall be furnished by the contractor.

14.3.4 The EIC/PMC may by an Interim Payment Certificate make any correction or modification in any previous Interim Payment Certificate issued by the EIC/PMC.

14.3.5 14.2.3 Payment for Extra – Payment for Extra items / substituted items shall be made only after approval of the extra item by RSCL.

14.3.6 Natural minerals consumed for construction such as sand, aggregate, granite etc. will be deducted from each interim bill payment at the rate of applicable prevailing royalty rates. The same will be reimbursed during the time of final bill on producing the receipts regarding payments towards royalties from concerned department.

14.4 Time of payment

14.4.1 The RSCL shall pay to the Contractor any amount due under any payment certificate issued by the EIC/PMC.

(a) payment shall be made no later than 30 (thirty) days from the date of certification of the Interim Payment Statement by the EIC/PMC subject to the submission being not required to be referred back to contractor for corrections.

(b) RSCL shall deduct payments against statutory deductions such as TDS, Cess etc as per rules in force from time to time.

14.5 Final Payment Statement

14.5.1 Within 60 (sixty) days after receiving the Completion Certificate the Contractor shall submit to the EIC for consideration six copies of a Final Payment Statement as per approved format by EIC/PMC (the "Final Payment Statement") for Works, with supporting documents showing in detail, in the form prescribed by the EIC/PMC:

- (a) the summary of Contractor's interim Payment claims for Works as submitted in accordance with contract;
- (b) the amounts received from the RSCL against each claim; and
- (c) any further sums which the Contractor considers due to it from the RSCL.

If the EIC/PMC disagrees with or cannot verify any part of the Final Payment Statement, the Contractor shall submit such further information as the EIC/PMC may reasonably require. The EIC/PMC Engineer shall deliver to the RSCL:

14.6 Discharge

Upon submission of the Final Payment Statement for Works, the Contractor shall give to the RSCL, with a copy to the EIC, a written discharge confirming that the total of the Final Payment Statement represents full and final settlement of all monies due to the Contractor in respect of this Agreement for all work arising out of this Agreement, except for any monies due to either Party on account of any Defect. Provided that such discharge shall become effective only after the payment due has been made in accordance with the Final Payment Certificate issued.

14.7 Final Payment Certificate

14.7.1 Within 30 (thirty) days after receipt of the Final Payment Statement for Works, and the written discharge, and there being no disputed items of claim, the EIC/PMC shall deliver to the RSCL, with a copy to the Contractor, a final payment certificate (the "Final Payment Certificate") stating the amount which, in the opinion of the EIC/PMC, is finally due under this Agreement or otherwise. For the avoidance of doubt, before issuing the Final Payment Certificate, the EIC/PMC shall ascertain from the RSCL all amounts previously paid by the RSCL and for all sums to which the RSCL is entitled, the balance, if any, due from the RSCL to the Contractor or from the Contractor to the RSCL, as the case may be.

14.7.2 Pre Requisites for Payment of Final Bill

14.7.2.1 Contractor should Remove the temporary structures, labor camps, & dispose surplus materials, debris etc lying at work site within 30 days from handing of the work.

14.7.2.2 Contractor should submit No Dues Certificate from revenue authorities related to payment against Royalty for Miscellaneous materials.

14.7.3 The RSCL shall, pay to the Contractor the amount which is stated as being finally due in the Final Payment Certificate and in that event no further amount shall ever become due and payable to the contractor in respect of this contract save and except as indicated in the final payment certificate.

14.8 Correction of Interim Payment Certificates

The EIC/PMC may by an Interim Payment Certificate make any correction or modification in any previous Interim Payment Certificate issued by the EIC/PMC.

14.9 OVERPAYMENT AND UNDER PAYMENT:

Whenever any claim for the payment of a sum to the Raipur Smart City Limited arises out of or under this Contract against the contractor the same may be deducted by the Raipur Smart City Limited from any sum then due or which at any time thereafter may become due to the contractor under this contract and failing that under any other contract with the Raipur Smart City Limited or from any sum due to the contractor with the Raipur Smart City Limited (which may be available with Raipur Smart City Limited), or from his retention money, or he shall pay the claim on demand. The Raipur Smart City Limited reserves the right to carry out post payment audit and technical examination of the final bill including all supporting vouchers, abstracts, etc.

The Raipur Smart City Limited further reserves the right to enforce recovery of any over payment when detected.

If as a result of such audit and technical examination any over payment is discovered in respect of any work done by the Contractor or alleged to have been done by him under the contract, it shall be recovered by the Raipur Smart City Limited from the contractor by way of all the means prescribed above or if any under payment is discovered by the Raipur Smart City Limited, any amount due to the contractor under this contract or under payment may be adjusted against any amount then due or which may at any time thereafter become due before payment is made to the contractor from him to the Raipur Smart City Limited on any other contract account whatsoever.

CLAUSE 15 INSURANCE

15.1 Insurance for Works and Maintenance

15.1.1 The Contractor shall effect and maintain at its own cost the insurances as per the requirements of RSCL and Law.

15.1.2 The RSCL and the Contractor shall, in accordance with its obligations as provided for in this Agreement, be liable to bear the cost of any loss or damage that does not fall within the scope of this contract or cannot be recovered from the insurers.

15.1.3 The Contractor shall, save and except as provided for in this Agreement, fully indemnify, hold harmless and defend the RSCL from and against any and all losses, damages, costs, charges and/or claims with respect to:

- (a) the death of or injury to any person; or
 - (b) the loss of or damage to any property (other than work);
- that may arise out of or in consequence of any breach by the Contractor of this Agreement during the execution of work or the remedying of any Defects therein.

15.1.4 The RSCL shall fully indemnify the Contractor from and against any and all losses, damages, costs, charges, proceedings and/or claims arising out of or with respect to

- (a) the use or occupation of land or any part thereof by the RSCL;

(b) the right of the RSCL to execute work, or any part thereof, on, over, under, in or through any land;

(c) the damage to property which is the unavoidable result of the execution and completion of work, or the remedying of any Defects therein, in accordance with this Agreement; and

15.1.5 Without prejudice to the obligations of the Parties the Contractor shall maintain or effect such third party insurances as may be required under the Applicable Laws.

15.2 Notice to the RSCL

No later than 15 (fifteen) days after the date of this Agreement, the Contractor shall by notice furnish to the RSCL in reasonable detail, information in respect of the insurances that it proposes to effect and maintain in accordance with contract and trade practice. Within 15 (fifteen) days of receipt of such notice, the RSCL may require the Contractor, to effect and maintain such other insurances as may be necessary in terms of contract.

15.3 Evidence of Insurance Cover

15.3.1 All insurances obtained by the Contractor in accordance with this contract shall be maintained with insurers on terms consistent with Good Industry Practice. Within 10 (Ten) days from the commencement date, the Contractor shall furnish to the RSCL notarised true copies of the certificate(s) of insurance, copies of insurance policies and premium payment receipts in respect of such insurance, and no such insurance shall be cancelled, modified, or allowed to expire or lapse until the expiration of at least 45 (forty-five) days after notice of such proposed cancellation, modification or non-renewal has been delivered by the Contractor to the RSCL. The Contractor shall act in accordance with the directions of the RSCL, provided that the Contractor shall produce to the RSCL the insurance policies in force and the receipts for payment of the current premium.

15.3.2 The Contractor shall ensure the adequacy of the insurances at all times in accordance with the provisions of this Agreement. RSCL shall be entitled to stop any payment at any time if on demand the contractors fails to satisfy RSCL about all Insurance policies being held in valid and enforceable form.

15.4 Remedy for failure to insure

If the Contractor shall fail to effect and keep in force all insurances for which it is responsible pursuant hereto, the RSCL shall have the option to either keep in force any such insurances, and pay such premium and recover the costs thereof from the Contractor, or in the event of computation of a Termination Payment, treat an amount equal to the Insurance Cover as deemed to have been received by the Contractor.

15.5 Waiver of subrogation

All insurance policies in respect of the insurance obtained by the Contractor shall

include a waiver of any and all rights of subrogation or recovery of the insurers there under against, inter alia, the RSCL, and its assigns, successors, undertakings and their subsidiaries, Affiliates, employees, insurers and underwriters, and of any right of the insurers to any set-off or counter claim or any other deduction, whether by attach mentor otherwise, in respect of any liability of any such person insured under any such policy or in any way connected with any loss, liability or obligation covered by such policies of insurance.

15.6 Contractor's waiver

The Contractor hereby further releases, assigns and waives any and all rights of subrogation or recovery against, inter alia, the RSCL and its assigns, undertakings and their subsidiaries, Affiliates, employees, successors, insurers and underwriters, which the Contractor may otherwise have or acquire in or from or in any way connected with any loss, liability or obligation covered by policies of insurance maintained or required to be maintained by the Contractor pursuant to this Agreement (other than third party liability insurance policies) or because of deductible clauses in or inadequacy of limits of any such policies of insurance.

15.7 Accident or injury to workmen

Notwithstanding anything stated in this Agreement, it is hereby expressly agreed between the Parties that the RSCL shall not be liable for or in respect of any damages or compensation payable to any workman or other person in the employment of the Contractor or Sub-contractor, save and except as for death or injury resulting from any act, omission or default of the RSCL, its agents or servants. The Contractor shall indemnify and keep indemnified the RSCL from and against all such claims, proceedings, damages, costs, charges and expenses whatsoever in respect of the above save and except for those acts, omissions or defaults for which the RSCL shall be liable.

15.8 Insurance against accident to workmen

The Contractor shall effect and maintain during the Agreement such insurances as may be required to insure the Contractor's personnel and any other persons employed by it on the Work from and against any liability incurred. The Contractor's personnel/any person employed by the Contractor shall include the Sub-contractor and its personnel.

15.9 Application of insurance proceeds

The proceeds from all insurance claims, except for life and injury, shall be applied for any necessary repair, reconstruction, reinstatement, replacement, improvement, delivery or installation of the Work and the provisions of this Agreement in respect of construction of works shall apply mutatis mutandis to work undertaken out of the proceeds of insurance.

15.10 Compliance with policy conditions

Each Party hereby expressly agrees to fully indemnify the other Party from and against all losses and claims arising from its failure to comply with conditions imposed by the insurance policies effected in accordance with this Agreement.

CLAUSE 16

FORCE MAJEURE

16.1 Force Majeure

As used in this Agreement, the expression “Force Majeure” or “Force Majeure Event” shall mean Acts of God beyond the control of human beings and those which cannot be foreseen resulting in circumstances affecting the performance of the contract. It may also include any Political, Social or Legal act whose consequence on the progress of the work would have an analogous effect as Acts of God rendering parties to this contract completely helpless to amend the situation and keep the contract performing. The only remedy against the circumstance of Force Majeure affecting the progress shall be grant of extension of time for performance as found reasonable in opinion of RSCL and no other compensation whatsoever shall be payable or be liability of RSCL.

Force Majeure Events

- (a) act of God, epidemic, extremely adverse weather conditions, lightning, earthquake, landslide, cyclone, flood, volcanic eruption, chemical or radioactive contamination or ionising radiation, fire or explosion (to the extent of contamination or radiation or fire or explosion originating from a source external to the Site);
- (b) any judgement or order of any court of competent jurisdiction or statutory authority made against the Contractor in any proceedings for reasons other than (i) failure of the Contractor to comply with any Applicable Law or Applicable Permit, or (ii) on account of breach of any Applicable Law or Applicable Permit or of any contract, or (iii) enforcement of this Agreement, or (iv) exercise of any of its rights under this Agreement by the Authority;
- (c) the discovery of geological conditions, toxic contamination or archaeological remains on the Site that could not reasonably have been expected to be discovered through a site inspection; or
- (d) an act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, riot, insurrection, terrorist or military action, civil commotion or politically motivated sabotage;
- (e) unlawful or unauthorised or without jurisdiction revocation of, or refusal to renew or grant without valid cause, any clearance, licence, permit, authorisation, no objection certificate, consent, approval or exemption required by the Contractor or any of the Sub-contractors to perform their respective obligations under this Agreement; provided that such delay, modification, denial, refusal or revocation did not result from the Contractor's or any Sub-contractor's inability or failure to comply with any condition relating to grant, maintenance or renewal of such clearance, licence, authorisation, no objection certificate, exemption, consent, approval or permit;

CLAUSE 17

SUSPENSION OF CONTRACTOR'S RIGHTS

17.1 Suspension upon Contractor Default

Upon occurrence of a Contractor Default, the RSCL shall be entitled, without prejudice to its other rights and remedies under this Agreement including its rights of Termination hereunder, to (i) suspend carrying out of whole of the work or any part thereof, or Maintenance and (ii) carry out such Works or Maintenance itself or

authorise any other agency to exercise or perform the same on its behalf during such suspension (the "Suspension"). Suspension hereunder shall be effective forthwith upon issue of notice by the RSCL to the Contractor and may extend up to a period not exceeding 90 (ninety) days from the date of issue of such notice.

17.2 RSCL to act on behalf of Contractor

During the period of Suspension hereunder, all rights and liabilities vested in the Contractor in accordance with the provisions of this Agreement shall continue to vest therein and all things done or actions taken, including expenditure incurred by the RSCL for discharging the obligations of the Contractor under and in accordance with this Agreement shall be deemed to have been done or taken for and on behalf of the Contractor and the Contractor undertakes to indemnify the RSCL for all costs incurred during such period. The Contractor hereby licenses and sub-licenses respectively, the RSCL or any other agency authorised by RSCL to use during Suspension, all Intellectual Property belonging to or licensed to the Contractor with respect to the Work and its construction and maintenance, and which is used or Created by the Contractor in performing its obligations under the Agreement.

17.3 Revocation of Suspension

17.3.1 In the event that the RSCL shall have rectified or removed the cause of Suspension within a period not exceeding 60 (sixty) days from the date of Suspension, it shall revoke the Suspension forthwith and restore all rights of the Contractor under this Agreement. For the avoidance of doubt, the Parties expressly agree that the RSCL may, in its discretion, revoke the Suspension at any time, whether or not the cause of Suspension has been rectified or removed hereunder.

17.3.2 Upon the Contractor having cured the Contractor Default within a period not exceeding 60 (sixty) days from the date of Suspension, the RSCL shall revoke the Suspension forthwith and restore all rights of the Contractor under this Agreement.

CLAUSE 18 TERMINATION

18.1 Termination for Contractor Default

18.1.1 Save as otherwise provided in this Agreement, in the event that any of the defaults specified below shall have occurred, and the Contractor fails to cure the default within the time limit specified by RSCL the Contractor shall be deemed to be in default of this Agreement (the "Contractor Default"), unless the default has occurred solely as a result of any breach of this Agreement by the RSCL or due to Force Majeure. The defaults referred to herein shall include:

- (a) the Contractor fails to provide, extend or replenish, as the case may be, the Performance Security in accordance with this Agreement;
- (b) subsequent to the replenishment or furnishing of fresh Performance Security, the Contractor fails to cure, within a Cure Period of 30 (thirty) days, the Contractor Default for which the whole or part of the Performance Security was appropriated;

- (c) the Contractor does not achieve the latest outstanding Project Milestone due in accordance with the provisions of contract, subject to any Time Extension, and continues to be in default for 45 (forty five) days;
- (d) the Contractor abandons or manifests intention to abandon the construction or Maintenance of the Work without the prior written consent of the RSCL;
- (e) the Contractor fails to proceed with work in accordance with the provisions of contract or stops Works and/or the Maintenance for 30 (thirty) days without reflecting the same in the current programme and such stoppage has not been authorised by the EIC;
- (f) failure to complete the remarks stated from EIC, items within the periods stipulated contract;
- (g) the Contractor fails to rectify any Defect, the non-rectification of which shall have a Material Adverse Effect on the Project, within the time specified in this Agreement or as directed by the EIC;
- (h) the Contractor subcontracts work or any part thereof in violation of this Agreement or assigns any part of work or the Maintenance without the prior approval of the RSCL;
- (i) the Contractor creates any Encumbrance in breach of this Agreement; an execution levied on any of the assets of the Contractor has caused a Material Adverse Effect;
- (j) the Contractor is adjudged bankrupt or insolvent, or if a trustee or receiver is appointed for the Contractor or for the whole or material part of its assets that has a material bearing on the Project;
- (k) the Contractor has been, or is in the process of being liquidated, dissolved, wound-up, amalgamated or reconstituted in a manner that would cause, in the reasonable opinion of the RSCL, a Material Adverse Effect;
- (l) a resolution for winding up of the Contractor is passed, or any petition for winding up of the Contractor is admitted by a court of competent jurisdiction and a provisional liquidator or receiver is appointed and such order has not been set aside within 90 (ninety) days of the date thereof or the Contractor is ordered to be wound up by court except for the purpose of amalgamation or reconstruction; provided that, as part of such amalgamation or reconstruction, the entire property, assets and undertaking of the Contractor are transferred to the amalgamated or reconstructed entity and that the amalgamated or reconstructed entity has unconditionally assumed the obligations of the Contractor under this Agreement; and provided that:
 - (i) the amalgamated or reconstructed entity has the capability and experience necessary for the performance of its obligations under this Agreement; and
 - (ii) the amalgamated or reconstructed entity has the financial standing to

form its obligations under this Agreement and has a creditworthiness at least as good as that of the Contractor.

- (m) any representation or warranty of the Contractor herein contained which is, as of the date hereof, found to be materially false or the Contractor is at any time hereafter found to be in breach thereof;
- (n) the Contractor submits to the RSCL any statement, notice or other document, in written or electronic form, which has a material effect on the RSCL's rights, obligations or interests and which is false in material particulars;
- (o) the Contractor has failed to fulfil any obligation, for which failure Termination has been specified in this Agreement; or
- (p) the Contractor commits a default in complying with any other provision of this Agreement if such a default causes a Material Adverse Effect on the Project or on the RSCL.

18.1.2 Without prejudice to any other rights or remedies which the RSCL may have under this Agreement, upon occurrence of a Contractor Default, the RSCL shall be entitled to terminate this Agreement by issuing a Termination Notice to the Contractor; provided that before issuing the Termination Notice, the RSCL shall by a notice inform the Contractor of its intention to issue such Termination Notice and grant 15 (fifteen) days to the Contractor to make a representation, and may after the expiry of such 15 (fifteen) days, whether or not it is in receipt of such representation, issue the Termination Notice.

18.1.3 After termination of this Agreement for Contractor Default, the RSCL may complete work and/or arrange for any other entities to do so. The RSCL and these entities may then use any Materials, Plant and equipment, Contractor's drawings, documents made by or on behalf of the Contractor and the contractor shall have no entitlement to remove and or take possession of any plant, machineries, materials, equipments without the consent of RSCL who shall then have the entitlement to engage and use these for completing the balance work as may be in the best interest of the work. In that event the certificate of any payment, fee, charge that may be due to contractor for such use shall be final and binding.

18.2 Termination for RSCL's convenience

Notwithstanding anything stated hereinabove, the RSCL may terminate this Agreement for convenience. The termination shall take effect 30 (thirty) days from the date of notice hereunder. This shall amount to foreclosure of contract whereby the parties will treat the contract as nullified and settled the account in such a way that no party retains any unearned benefit at the point of foreclosure.

18.3 Requirements after Termination

Upon Termination of this Agreement, the Contractor shall comply with and conform to the following:

- (a) deliver to the RSCL all Plant and Materials which shall have become the property of the RSCL
- (b) deliver all relevant records, reports, Intellectual Property and other licenses pertaining to work, Maintenance and in case of Termination occurring after the Provisional Certificate has been issued, the “as built’ Drawings for work;
- (c) transfer and/or deliver all Applicable Permits to the extent permissible under Applicable Laws; and
- (d) vacate the Site within 15 (fifteen) days or any further period if permitted by RSCL in writing.
- (e) In event contractor for whatever reason fails to vacate the site, where upon he has no permission to enter for performance of work, he shall be declared as unauthorised person and thereafter shall be liable to all actions as trespassers as and when he, his agents, vendors, sub contractor or any one without permission of RSCL attempts to enter the site.

18.4 Termination for Employer Default

18.4.1 In the event that any of the defaults specified below shall have occurred, and the Authority fails to cure such default within a Cure Period of 90 (ninety) days or such longer period as has been expressly provided in this Agreement, the Authority shall be deemed to be in default of this Agreement (the “Authority Default”) unless the default has occurred as a result of any breach of this Agreement by the Contractor or due to Force Majeure. The defaults referred to herein shall include:

- (a) the Authority commits a material default in complying with any of the provisions of this Agreement and such default has a Material Adverse Effect on the Contractor;
- (b) the Authority has failed to make payment of any amount due and payable to the Contractor within the period specified in this Agreement;
- (c) the Authority repudiates this Agreement or otherwise takes any action that amounts to or manifests an irrevocable intention not to be bound by this Agreement; or
- (d) the Authority’s Engineer fails to issue the relevant Interim Payment Certificate within 60 (sixty) days after receiving a statement and supporting documents.

18.4.2 Without prejudice to any other right or remedy which the Contractor may have under this Agreement, upon occurrence of an Authority Default, the Contractor shall be entitled to terminate this Agreement by issuing a Termination Notice to the Authority; provided that before issuing the Termination Notice, the Contractor shall by a notice inform the Authority of its intention to issue the Termination Notice and grant 15 (fifteen) days to the Authority to make a representation, and may after the expiry of such 15 (fifteen) days, whether or not it is in receipt of such representation, issue the

Termination Notice.

18.5 Valuation of Unpaid Works

18.5.1 Within a period of 45 (forty-five) days after Termination, as the case may be, has taken effect, the EIC shall proceed to determine as follows the valuation of unpaid Works (the "Valuation of Unpaid Works"):

- (a) value of the completed stage of work, less payments already made;
- (b) reasonable value of the partially completed stages of works as on the date of Termination, only if such works conform with the Specifications and Standards; and
- (c) value of Maintenance, if any, for completed months, less payments already made, and shall adjust from the sum thereof
 - (i) any other amounts payable or recoverable, as the case may be, in accordance with the provisions of this Agreement; and
 - (ii) all taxes due to be deducted at source.
- (d) The rates to be operated for this clause shall be on SOR used for preparation of estimate adjusted for contract price quoted (% above/below estimated cost) including escalation if permissible.

18.5.2 The Valuation of Unpaid Works shall be communicated by RSCL to the Contractor, within a period of 30 (thirty) days from the date of valuation.

18.6 Termination Payment

18.6.1 Upon Termination on account of Contractor's Default, the RSCL shall:

- (a) encash and appropriate the Performance Security and Retention Money, or in the event the Contractor has failed to replenish or extend the Performance Security, claim the amount, as agreed pre-determined compensation to the RSCL for any losses, delays and cost of completing work and Maintenance, if any;
- (b) encash and appropriate the bank guarantee, if any, for and in respect of any dues as may be recoverable from the contractor.
- (c) pay to the Contractor, by way of Termination Payment, an amount equivalent to the Valuation of Unpaid Works after adjusting any other sums payable or recoverable, as the case may be, in accordance with the provisions of this Agreement.

18.7 Other rights and obligations of the Parties

Upon Termination for any reason whatsoever

- (a) property and ownership in all Materials, Plant and Works and the Work shall, as between the Contractor and the RSCL, vest in the RSCL in whole;
- (b) risk of loss or damage to any Materials, Plant or Works and the care and custody thereof shall pass from the Contractor to the RSCL; and

- (c) the RSCL shall be entitled to restrain the Contractor and any person claiming through or under the Agreement from entering upon the Site or any part of the Project except for taking possession of materials, stores, implements, construction plants and equipment of the Contractor, which have not been vested in the RSCL in accordance with the provisions of this Agreement.

CLAUSE 19

LIABILITY AND INDEMNITY

19.1 General indemnity

The Contractor will indemnify, defend, save and hold harmless the RSCL and its officers, servants, agents, Government Instrumentalities and Government owned and/or controlled entities/enterprises, (the "RSCL Indemnified Persons") against any and all suits, proceedings, actions, demands and third party claims for any loss, damage, cost and expense of whatever kind and nature, whether arising out of any breach by the Contractor of any of its obligations under this Agreement or from any negligence under the Agreement, or tort or on any other ground whatsoever, except to the extent that any such suits, proceedings, actions, demands and claims have arisen due to any negligent act or omission, or breach or default of this Agreement on the part of the RSCL Indemnified Persons.

19.2 Indemnity by the Contractor

19.2.1 The Contractor shall fully indemnify, hold harmless and defend the RSCL and the RSCL Indemnified Persons from and against any and all loss and/or damages arising out of or with respect to:

- (a) failure of the Contractor to comply with Applicable Laws and Applicable Permits;
- (b) payment of taxes required to be made by the Contractor in respect of the income or other taxes of the Sub-contractors, suppliers and representatives; or
- (c) non-payment of amounts due as a result of Materials or services furnished to the Contractor or any of its Sub-contractors which are payable by the Contractor or any of its Sub-contractors.

19.2.2 The Contractor shall fully indemnify, hold harmless and defend the RSCL Indemnified Persons from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which the RSCL Indemnified Persons may hereafter suffer or pay by reason of any demands, claims, suits or proceedings arising out of claims of infringement of any domestic or foreign patent rights, copyrights or other intellectual property, proprietary or confidentiality rights with respect to any materials, information or process used by the Contractor or by the Sub-contractors in performing the Contractor's obligations or in any way incorporated in or related to the Project. If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Contractor shall make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the revocation or suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Work, or any part thereof or comprised therein, is held to constitute an infringement and its use is permanently enjoined, the Contractor shall

promptly make every reasonable effort to secure for the RSCL a licence, at no cost to the RSCL, authorizing continued use of the infringing work. If the Contractor is unable to secure such licence within a reasonable time, the Contractor shall, at its own expense, and without impairing the Specifications and Standards, either replace the affected work, or part, or process thereof with non-infringing work or part or process, or modify the same so that it becomes non-infringing.

CLAUSE 20 LABOUR LAWS

20.1 Labour Laws to be complied by the Contractor.

Notwithstanding any provision as may here below, Contractor without an exception and limitation shall be liable for complete adherence and responsibilities arising out of all the labour laws as may be in force or as may become effective from time to time. The contractor shall obtain a valid license under the Contractor Labour (R & B) Act 1970, and the Contract Labour (Regulation and Abolition) Central Rules 1971, before the commencement of the work, and continue to have a valid license until the completion of the work. The contractor shall also abide by the provisions of the Child Labour (Prohibition and Regulation) Act, 1986. The contractor shall also comply with the provisions of the building and other construction Workers (Regulation of Employment & Conditions of Service) Act, 1996 and the building and other Construction Workers Welfare Cess Act, 1996.

The contractor shall ensure the registration of all eligible workers (inclusive of those of subcontractors and petty contractors) with construction workers welfare board.

Any failure to fulfill these requirements shall attract the penal provisions of this contract arising out of the resultant non- execution of the work.

No labour below the age of fourteen years shall be employed on the work.

20.2 Payment of Wages:

- ii. The contractor shall pay to labour employed by him either directly or through sub-contractors, wages not less than fair wages as defined in the Contractor's Labour Regulations or as per the provisions of the contract Labour (Regulation and Abolition) Central Rules, 1971, wherever applicable.
- iii. The contractor shall, notwithstanding the provisions of any contract to the contrary, cause to be paid fair wage to labour indirectly engaged on the work, including any labour engaged by his sub-contractors in connection with the said work, as if the labour had been immediately employed by him.
- iv. In respect of all labour directly or indirectly employed in the works for performance of the contractor's part of this contract, the contractor shall comply with or cause to be complied with the Central Public Works Department contractor's Labour Regulations made by Government from time to time in regard to payment of wages, wages period, deductions from wages

recovery of wages not paid and deductions un-authorized made, maintenance of wage books or wage slips, publication of scale of wages and other terms of employment, inspection and submission of periodical returns and all other matters of the like nature or as per the provisions of the Contract Labour (Regulation and Abolition) Act 1970, and the Contract Labour (Regulation and Abolition) Central Rules, 1971, wherever applicable.

- v. (a) The Engineer-in-Charge concerned shall have the right to deduct from the money due to the contractor any sum required or estimated to be required for making good the loss suffered by a worker or workers by reasons of non-fulfillment of the conditions of the contract for the benefit of the workers, non-payment of wages or of deductions made from his or their wages which are not justified by their terms of the contract or non-observance of the Regulations.
- (b) Under the provision of Minimum Wages (Central) Rules 1950, or statutory modification thereof, the contractor is bound to allow to the labours directly or indirectly employed in the works one day rest for 6 days continuous work and pay wages at the same rate as for duty. In the event of default, the Engineer-in-Charge shall have the right to deduct the sum or sums not paid on account of wages for weekly holidays to any labours and pay the same to the persons entitled thereto from any money due to the contractor by the Engineer-in- Charge concerned.

In the case of Chattisgarh, however, as the all-inclusive minimum daily wages fixed under Notification of the Chattisgarh Administration ACT -----
----- as amended from time to time are inclusive of wages for the weekly day of rest, the question of extra payment for weekly holidays would not arise.

- vi. The contractor shall comply with the provisions of the Payment of Wages Act, 1936, Minimum Wages Act, 1948, Employees Liability Act, 1938, Workmen's Compensation Act, 1923, Industrial Disputes Act, 1947, Maternity Benefits the modifications thereof or any other laws relating thereto and the rules made there under from time to time.
- vii. The contractor shall indemnify and keep indemnified RSCL against payment to be made under and for the observance of the laws aforesaid and the Contractor's Labour Regulation without prejudice to his right to claim indemnify from his sub-contractors.
- viii. The laws aforesaid shall be deemed to be a part of this contract and any breach thereof shall be deemed to be a breach of this contract.
- ix. Whatever is the minimum wage for the time being, or if the wage payable is higher than such wage, such wage shall be paid by the contractor to the workmen directly without the intervention of Jamadar and that Jamadar shall not be entitled to deduct or recover any amount from the minimum wage payable to the workmen as and by way of commission or otherwise.
- x. The contractor shall ensure that no amount by way of commission or otherwise

is deducted or recovered by the Jamadar from the wage of workmen.

20.3 PANELTY FOR EACH DEFAULT TO PROVIDE FACILITIES:

All provisions of concerned labour law shall be liability of the Contractor and consequences there from any non compliance shall be liability of the Contractor.

It shall be expressed duty of Contractor to comply with all Welfare measures as may reasonable be expected to be discharged by the Contractor.

CLAUSE 21

SAFETY CODE, MODEL RULES FOR PROTECTION OF HEALTH & SANITARY ARRANGEMENTS FOR WORKERS EMPLOYED BY RSCL OR ITS CONTRACTORS, LABOUR REGULATIONS.

1. Contractor shall provide all required safety measures such as safety helmets, safety jackets, safety belts etc to his staff & workmen's.
2. Suitable scaffolds should be provided for workmen for all works that cannot safely be done from the ground, or from solid construction except such short period work as can be done safely from ladders. When a ladder is used, an extra mazdoor shall be engaged for holding the ladder and if the ladder is used for carrying materials as well suitable footholds and hand-hold shall be provided on the ladder and the ladder shall be given an inclination not steeper than 1/4 to 1 (1/4 horizontal and 1 vertical).
3. Safe means of access shall be provided to all working places. Uniform step spacing of not more than 30 cm shall be kept. Adequate precautions shall be taken to prevent danger from electrical equipment. No materials on any of the sites or work shall be so stacked or placed as to cause danger or inconvenience to any person or the public. The contractor shall provide all necessary fencing and lights to protect the public from accident and shall be bound to bear the expenses of defense of every suit, action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damages and cost which may be awarded in any such suit, action or proceedings to any such person or which may, with the consent of the contractor, be paid to compensate any claim by any such person.
4. Excavation and Trenching: – All trenches 1.2m. (4ft.) or more in depth, shall at all times be supplied with at least one ladder for each 30 m. (100ft.) in length or fraction thereof Ladder shall extend from bottom of the trench to at least 90 cm. (3ft.) above the surface of the ground. The side of the trenches which are 1.5m. (5ft.) or more in depth shall be stepped back to give suitable slope or securely held by timber bracing, so as to avoid the danger of sides collapsing. The excavated materials shall not be placed within 1.5m. (5ft.) of the edges of the trench or half of the depth of the trench whichever is more. Cutting shall be done from top to bottom. Under no circumstances undermining or undercutting shall be done.
5. Demolition: – Before any demolition work is commenced and also during the progress of the work.
 - (i) All roads and open areas adjacent to the work site shall either be closed or suitably protected.

- (ii) No electric cable or apparatus which is liable to be a source of danger or a cable or apparatus used by the operator shall remain electrically charged.
 - (iii) All practical steps shall be taken to prevent danger to persons employed from risk of fire or explosion or flooding. No floor, roof or other part of the building shall be so overloaded with debris or materials as to render it unsafe.
6. All necessary personal safety equipment as considered adequate by the Engineer-in-Charge should be kept available for the use of the person employed on the site and maintained in a condition suitable for immediate use, and the contractor should take adequate steps to ensure proper use of equipment by those concerned: -
 7. The Contractor shall not employ men and women below the age of 18 years on the work of painting with products containing lead in any form. Wherever men above the age of 18 are employed on the work of lead painting, the following precaution should be taken :
 8. RSCL may require, when necessary medical examination of workers.
 9. All scaffolds, ladders and other safety devices mentioned or described herein shall be maintained in safe condition and no scaffold, ladder or equipment shall be altered or removed while it is in use. Adequate washing facilities should be provided at or near places of work.
 10. In every work place, there shall be provided and maintained at suitable places, easily accessible to labour, a sufficient supply of cold water fit for drinking.
 11. Where drinking water is obtained from an intermittent public water supply, each workplace shall be provided with storage where such drinking water shall be stored.
 12. Every water supply or storage shall be at a distance of not less than 50 feet from any latrine drain or other source of pollution. Where water has to be drawn from an existing well which is within such proximity of latrine, drain or any other source of pollution, the well shall be properly chlorinated before water is drawn from it for drinking. All such wells shall be entirely closed in and be provided with a trap door which shall be dust waterproof.
 13. A reliable pump shall be fitted to each covered well, the trap door shall be kept locked and opened only for cleaning or inspection which shall be done at least once a month. The contractor shall supply only potable water in the labour camp sample of water shall be drawn from the source of water supply in the labour camps every month and got tested from the Municipal Corporation's lab by the contractor. Wherever drinking water is supplied to the labour camps through tankers. Samples shall be drawn from the tankers and got tested. Water storage tanks chlorine tablets shall be added from time to time as per requirement so that portability of water remains intact No extra payment shall be made on this account.

CLAUSE 22 MISCELLANEOUS

22.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the courts at Raipur shall have exclusive jurisdiction over matters arising out of or relating to this Agreement.

22.2 Waiver of immunity

Each Party unconditionally and irrevocably:

- (a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;
- (b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Party with respect to its assets;
- (c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and
- (d) consents generally in respect of the enforcement of any judgement or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgement that may be made or given in connection therewith).

22.3 Delayed payments

The interim payments shall generally be made as per the provision of the contract. However it is clearly understood that all such payments are to be treated as and by way of advance against the final consideration and therefore there shall be no entitlement of any compensation for any inconvenience on account of delay being caused in payment of interim certificate.

22.4 Waiver

22.4.1 Waiver, including partial or conditional waiver, by either Party of any default by the other Party in the observance and performance of any provision of or obligations under this Agreement:-

- (a) shall not operate or be construed as a waiver of any other or subsequent default thereof or of other provisions of or obligations under this Agreement;
- (b) shall not be effective unless it is in writing and executed by a duly authorized representative of the Party; and

- (c) shall not affect the validity or enforceability of this Agreement in any manner.

22.4.2 Neither the failure by either Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation there under nor time or other indulgence granted by a Party to the other Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

22.5 Liability for review of Documents and Drawings

Except to the extent expressly provided in this Agreement:

- (a) no review, comment or approval by the RSCL or the EIC of any Document or Drawing submitted by the Contractor nor any observation or inspection of the construction, or maintenance of the Work nor the failure to review, approve, comment, observe or inspect hereunder shall relieve or absolve the Contractor from its obligations, duties and liabilities under this Agreement, the Applicable Laws and Applicable Permits; and
- (b) the RSCL shall not be liable to the Contractor by reason of any review, comment, approval, observation or inspection referred to in Sub-clause (a) above.

22.6 Exclusion of implied warranties etc.

This Agreement expressly excludes any warranty, condition or other undertaking implied at law or by custom or otherwise arising out of any other agreement between the Parties or any representation by either Party not contained in a binding legal agreement executed by both Parties.

22.7 Entire Agreement

This Agreement and the Schedules together constitute a complete and exclusive statement of the terms of the agreement between the Parties on the subject hereof, and no amendment or modification hereto shall be valid and effective unless such modification or amendment is agreed to in writing by the Parties and duly executed by persons especially empowered in this behalf by the respective Parties. All prior written or oral understandings, offers or other communications of every kind pertaining to this Agreement are abrogated and withdrawn. For the avoidance of doubt, the Parties hereto agree that any obligations of the Contractor arising from the Request for Qualification or Request for Proposals, as the case may be, shall be deemed to form part of this Agreement and treated as such.

22.8 Severability

If for any reason whatever, any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal

provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to the Dispute Resolution Procedure set forth under this Agreement or otherwise.

22.9 Notices

Any notice or other communication to be given by any Party to the other Party under or in connection with the matters contemplated by this Agreement shall be in writing and shall be addressed to following offices.

a) For Contractor

b) For RSCL

22.10 Counterparts

This Agreement may be executed in two counterparts, each of which, when executed and delivered, shall constitute an original of this Agreement.

22.11 Limitation of Liability

22.11.1 Neither Party shall be liable to the other Party for loss of use of any Works, loss of profit, loss of any contract or for any indirect or consequential loss or damage which may be suffered by the other Party in connection with this Agreement'

22.11.2 The total liability of one Party to the other Party under and in accordance with the provisions of this Agreement, shall not exceed the Contract Price. For the avoidance of doubt, this Clause shall not limit the liability in any case of fraud, deliberate default or reckless misconduct by the defaulting Party.

22.12 WORK IN MONSOON :

When the work continues in monsoon, the contractor shall maintain minimum labour force required, for the work and plan and execute the construction and erection work according to the prescribed schedule. No extra rate will be considered for such work in monsoon. During monsoon and entire constructing period the contractor shall keep the site free from water at his own cost.

22.13 ASSISTANCE TO ENGINEER-IN-CHARGE :

Contractor shall make available to Engineer-in-charge free of cost all necessary instruments and assistance in checking of any work made by the contractor for taking measurement of work.

22.14 NO COMPENSATION FOR ALTERATION IN OR RESTRICTION OF WORK :

If at any time from the commencement of work, the owner shall for any reasons whatsoever not require the whole or part thereof a specified in the tender to be carried out, the Engineer-in-charge shall give notice in writing of the contractor, who

shall have no claim to any payment or compensation whatsoever on account of any profit or advantage which he might have derived from execution of work in full, but which he did not derive in consequence of the full amount of the work not having been carried neither shall he have any claim for compensation by reason if any alternations having been made in original specifications, drawings and instructions which shall involve any curtailment of the work as originally contemplated. In case, contractor is a partnership firm, the prior approval in writing shall be obtained from the RSCL, before any change is made in the constitution of the firm, where the contractor is an individual or a Hindu Undivided Family business concern, such approval as aforesaid shall, likewise be obtained before sub-contractor enters into any agreement with other parties where under the reconstituted firm would have the right to carry out the work hereby undertaken by the contractor. In either case if prior approval as aforesaid is not obtained, the contract shall be deemed to have been allotted in contravention of sub-letting clause hereof and the same action may be taken and the same consequence shall ensue as provided in the sub-letting clause.

22.15 IN EVENT OF DEATH OF CONTRACTOR :

Without prejudice to any of the right or remedies under the contract, if the contractor dies, the owner shall have the option of terminating the contract without compensation to the contractor.

22.16 MEMBER OF THE OWNER NOT INDIVIDUALLY LIABLE :

No official or employee of the owner shall in any way be personally bound or liable for the acts or obligations of the owner under the contract or answerable for any default or omission in the observance or performance of the acts, matters or things which are herein contained.

22.17 BREACH OF CONTRACT BY CONTRACTOR :

If the contractor fails to perform the work under the contract with due diligence or shall refuse or neglect to comply with instruction given to him, by the Engineer-in-charge in accordance with the contract, or shall contravene the provisions of the contract, the RSCL may give notice in writing to the contractor to make good such failure, neglect or contravention. Should the Contractor fail to comply with such written notice within twenty eight (28) days of receipt, if the MANAGING DIRECTOR Raipur Smart City Limited shall think fit, it shall be lawful for the RSCL, without prejudice to any other rights, the contractor may have under the contract, to terminate the contract for all part of the works, and to make any other arrangements it shall deem necessary to complete the work outstanding under the contract at the time of termination. In this event CLAUSE 22.24 (Subletting of work) and 22.25 (Sub-Contracts for Temporary Works etc.) hereof shall be invoked and the performance security shall immediately become due and payable to the RSCL the value of the work done on the date of termination and not paid for shall stand forfeited to the RSCL and the RSCL shall have entitlement to use of any works which the contractor may have at the site at the time of termination of the contract.

22.18 The following conditions are being included in this tender and shall be considered as a part of tender document.

1. Contractors have to place a information board showing details of work at

site at his own cost as per details given by Department. i.e. Name of work, Name of Contractor, Project cost, work sanction detail, detail of work order and time limit, Address of Executive Engineer & Phone No. & Fax No.

2. If Contractor will not furnish a Photograph of the Board placed on site showing the details as above department will retain Rs. 1,00,000.00 of tender amount temporarily from the running bill.
3. A work of building is carried out at one plot but in the case of water supply line, drainage line etc. or any other service line, the work carried out in length, in this case one board should be placed on both ends and other boards should be placed as per the instruction of Engineer in charge.
4. The Engineer-in-Charge may require the contractor to dismiss or remove from the site of the work any person or persons in the contractors' employ on the work who may be incompetent or misconduct himself and the contractor shall forthwith comply with such requirements. In respect of maintenance /repair of renovation works etc. where the labour have an easy access to the individual houses, the contractor shall issue identity cards to the labourers, whether temporary or permanent and he shall be responsible for any untoward action on the part of such labour. AE/JE will display a list of contractors working in the colony/ blocks on the notice board in the colony and also at the service center, to apprise the residents about the same.
5. However, the Engineer-in-charge, through a notice, may require the contractor to remove the illegal occupation any time on or before construction and delivery.

CLAUSE 23

CLAIMS, DISPUTES & ARBITRATION

23.1 Contractor's Claims

23.1.1 Contractor's Claims - If the Contractor considers himself to be entitled to any extension of the Time for Completion and/or any additional payment, under any Clause of these Conditions or otherwise in connection with the Contract, the Contractor shall give notice to the Engineer, describing the event or circumstance giving rise to the claim. The notice shall be given as soon as practicable, and not later than 28 days after the Contractor became aware, or should have become aware, of the event or circumstance.

If the Contractor fails to give notice of a claim within such period of 28 days, the Time for Completion shall not be extended, the Contractor shall not be entitled to additional payment, and the Employer shall be discharged from all liability in connection with the claim. Otherwise, the following provisions of this Sub-Clause shall apply.

23.1.2 The Contractor shall also submit any other notices which are required by the

Contract, and supporting particulars for the claim, all as relevant to such event or circumstance.

The Contractor shall keep such contemporary records as may be necessary to substantiate any claim, either on the Site or at another location acceptable to the Engineer. Without admitting the Employer's liability, the Engineer may, after receiving any notice under this Sub-Clause, monitor the record-keeping and/or instruct the Contractor to keep further contemporary records. The Contractor shall permit the Engineer to inspect all these records, and shall (if instructed) submit copies to the Engineer.

23.1.3 Within 28 days after the Contractor became aware (or should have become aware) of the event or circumstance giving rise to the claim, or within such other period as may be proposed by the Contractor and approved by the Engineer, the Contractor shall send to the Engineer a fully detailed claim which includes full supporting particulars of the basis of the claim and of the extension of time and/or additional payment claimed. If the event or circumstance giving rise to the claim has a continuing effect:

- (a) this fully detailed claim shall be considered as interim;
- (b) the Contractor shall send further interim claims at monthly intervals, giving the accumulated delay and/or amount claimed, and such further particulars as the Engineer may reasonably require; and
- (c) the Contractor shall send a final claim within 28 days after the end of the effects resulting from the event or circumstance, or within such other period as may be proposed by the Contractor and approved by the Engineer.

23.1.4 Within 28 days after receiving a claim or any further particulars supporting a previous claim, or within such other period as may be proposed by the Engineer and approved by the Contractor, the Engineer shall respond with approval, or with disapproval and detailed comments. He may also request any necessary further particulars, but shall nevertheless give his response on the principles of the claim within the above defined time period.

23.1.5 Within the above defined period of 28 days, the Engineer shall determine (i) the extension (if any) of the Time for Completion (before or after its expiry) in accordance with Sub-Clause 8.5, and/or (ii) the additional payment (if any) to which the Contractor is entitled under the Contract.

Each Payment Certificate shall include such additional payment for any claim as has been reasonably substantiated as due under the relevant provision of the Contract. Unless and until the particulars supplied are sufficient to substantiate the whole of the claim, the Contractor shall only be entitled to payment for such part of the claim as he has been able to substantiate.

If the Engineer does not respond within the timeframe defined in this Clause, either Party may consider that the claim is rejected by the Engineer and any of the Parties may refer this as Dispute in accordance & can seek remedy as per provisions of clause No. 23.2.

The requirements of this Sub-Clause are in addition to those of any other Sub-Clause which may apply to a claim. If the Contractor fails to comply with this or another Sub-Clause in relation to any claim, any extension of time and/or additional payment shall take account of the extent (if any) to which the failure has prevented or prejudiced proper investigation of the claim, unless the claim is excluded.

23.2 RESOLUTION OF DISPUTES :

Except or otherwise specifically provided in the contract, all disputes concerning questions of fact arising under the contract shall be decided by the Engineer in charge, subject to a written appeal by the Contractor to the Engineer in charge as per provisions of clause No. 23.1 and these decisions shall be final and binding on the parties hereto. Any disputes or difference including those considered as such by only one of the parties arising out of or in connection with this contract shall be to the extent possible settled amicably between the parties. If amicable settlement cannot be reached then all disputed issues shall be settled as provided in accordance with the provisions given in (a) below.

a) DISPUTE OR DIFFERENCES TO BE REFERRED TO:

If at any time, any question, disputes or differences of any kind whatsoever shall arises between Engineer-In-Charge and the contractor upon or in relation to or in connection with this contract, either party may forthwith give to the other, notice in writing of the existence of such question, dispute or difference as to any decision, opinion, instruction, direction, certificate or evaluation of the Engineer in charge.

The question or difference shall be settled by the Managing Director, Raipur Smart City Limited who shall state his decision in writing and give notice of the same to the Engineer-In-Charge and to the contractor. Such decision shall be final & binding upon both parties to the contract and work on contract if not already breached or abandoned shall proceed normally unless and until the same shall be revised (or upheld) due to any Judicial proceeding. Should Managing Director Raipur Smart City Limited fail to give a decision within three (3) calendar months after issuance of notice of a question, dispute or difference or if the contractor is dissatisfied with any such decision of Managing Director Raipur Smart City Limited , then the matter may be referred to court of law subject to RAIPUR JURICDICTION .

23.3 ARBITRATION - Provision of ARBRITATION should be considered deleted wherever written in the whole tender.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DAY, MONTH AND YEAR FIRST ABOVE WRITTEN.

SECTION V – CONDITIONS OF PARTICULAR APPLICATION

Following Clauses from General Conditions of Contract are Added/modified as under

CLAUSE 5 SECURITY DEPOSIT.

Addition of following sub clauses

5.1.3 Release of Performance Security

5.1.3.1 In conjunction to clause 5.1.1 of GCC, performance Bank guarantee with a value of 5% of accepted contract value submitted at the time of execution of contract agreement initially will be released as specified in the Clause 5.1.3.2 and Clause 5.1.3.3;

5.1.3.2 Will be released within 60 days after completion of Defect Liability Period provided that there is no defect detected or rectified /complied as per the direction given by EIC. The above guarantee will be released only after receipt of submission of another bank guarantee mentioned in Clause 5.1.3.3

5.1.3.3 Contractor has to submit another Bank guarantee of 2.5% of Contract value as a security for the entire Operation & Maintenance period or extended period if any. This additional security will be released within 60days from the date of issue of project completion certificate.

5.1.4 Notwithstanding the aforesaid, the Parties agree that the RSCL shall not be obliged to release the Performance Security until all Defects identified during the Defects Liability Period have been rectified. RSCL shall have no liability in event of any delay caused in release/ return of the performance security on any ground what so ever.

5.1.5 In event of bid price being considered unbalanced in case of rates being higher or lower than 15% of the estimated cost put to tender by RSCL, then RSCL shall direct the bidder to deposit separately performance security deposit of 15% of the amount of unbalanced contract value in addition to regular performance/ security deposit. This additional performance security shall be released only after the issuance of completion certificate along with the balance of performance deposit being released.

5.1.6 If the contractor fails to complete the work or left the work incomplete, additional performance security shall be forfeited by RSCL & the agreement shall be terminated and action shall be taken in accordance with Clause No. 18 of Section IV, General conditions of contract.

5.3.3 Release of Retention Money

5.3.3.1 5% Retention deposit deducted from RA Bills will be released after completion of project within 60 days from the date of payment of final bill.

CLAUSE 8 LIQUIDATED DAMAGES

Addition of following sub clause

8.7 If contractors fails to achieve completion of the any of the Milestones he shall be liable to pay LD/Delay Damages for the default as specified in Contract data which shall be payable for delay for each week that is caused incompleteness. RSCL will deduct amount of liquidated damages from due payments to contractor. The total amount of such delay damages shall not exceed the 10% of contract price.

Amount shown against Milestones will be deducted on weekly basis on not achieving intermediate Milestones 1, 2 or delay in non-completion of work within stipulated contract period or extension of time granted by Employer for reasons other than contractor's default.

The Liquidated damages shall be released without interest or charges if contractor achieves Milestone 3 on or before completion of approved time limit including extension of time limit, if approved.

CLAUSE 9 QUALITY ASSURANCE, MONITORING AND SUPERVISION

Addition of following sub clauses

9.07 Progress reports (modified clause)

9.7.1 During the Construction Period, the Contractor shall, no later than 7 (seven) days after the close of each month, furnish to the RSCL a monthly progress report on progress of work in the format given elsewhere in this tender and shall promptly give such other relevant information as may be required by the RSCL/PMC. Apart from this Contractor has to submit daily & weekly progress reports in the format approved by EIC/PMC.

9.7.2 Monthly Progress Report.

This report shall be submitted on a monthly basis within 5(five) calendar days from cut-off date, as agreed upon covering overall scenario of the project. The report shall include, but not limited to the following:

- Executive Summary – Summary of major events / activities, completed during the period being reported.
- Schedule versus actual percentage progress and progress curves for Sub-ordering, Sub-Contracting, Constructing and Overall Project.
- Area of concern / problem / hold-ups, impacts and action plans.
- Activities executed, achievements during the month and targets for the following months.
- Analysis of critical activities and impact on overall completion.
- Chronological achievement of key events indicating scheduled and actual occurrence dates.
- Annexure giving status summary for drawings, MRs, equipment and

materials delivery, Sub-contracting and construction. (Typical formats are enclosed herewith for contractor's reference)

- Resources deployment status against planned.
 - Change order status.
 - Construction photographs.
- (ii) Weekly Reports.
This report will be prepared for Division Office and Construction site in summarized fashion and submitted on every Tuesday taking status as of Sunday by the contractor on weekly basis and will cover following items :
- Activities completed (Sub-contracting, Construction etc.)\
 - Resource deployed – men and machines.
 - Quantities and Productivity achieved in Key area of work.
 - Programme of work for the next week.
 - Record of Mandays lost, with the reasons.
 - Constraints.
 - The report / information may be transmitted preferably through Fax/mail.
- (iii) Daily Progress report.
- Important activities for the day at site.
 - Receipt of major Equipment / Materials received at site.

REQUIREMENT OF COPIES FOR SUBMISSION OF SCHEDULES & REPORTS.

Sr. No.	Name of Document	No of Copies
1.	Overall Project Schedule	3
2.	Detailed Activity Network	3
3.	Functional Schedules	3
4.	Construction Network	3
5.	Monthly Progress Reports	3
6.	Weekly Progress Report	3
7.	Daily Bulletin	3

Various typical formats for construction planning and reporting various activities of the Project are enclosed as Annexure. The format can be changed as per requirement of RSCL.

9.14 Setting of site Laboratories: (clause modified)-Deleted

Following sub clauses are added

9.17 Inspection

- 9.17.1 The RSCL/PMC and its authorised representative shall at all reasonable times:
- a) have full access to all parts of the Site and to all places from which natural Materials are being obtained for use in work; and
 - b) during production, manufacture and construction at the Site and at the place of production, be entitled to examine, inspect, measure and test the Materials and workmanship, and to check the progress of manufacture of Materials.
- 9.17.2 The Contractor shall give the RSCL/PMC and its authorised agents access, facilities and safety equipment for carrying out their obligations under this Agreement.
- 9.17.3 The Contractor shall submit a monthly inspection report (the "Inspection Report") to the RSCL and the Contractor bringing out the results of inspections and the remedial action taken by the Contractor in respect of Defects or deficiencies. For the avoidance of doubt, such inspection or submission of Inspection Report by the Contractor shall not relieve or absolve the Contractor of its obligations and liabilities under this Agreement in any manner whatsoever.

9.18 Samples

- The Contractor shall submit the following samples of Materials and relevant information to the RSCL/PMC for pre-construction review:
- a) manufacturer's test reports and standard samples of manufactured Materials; and
 - b) samples of such other Materials as the RSCL/PMC may require.

9.19 Tests

- 9.19.1 The contractor shall be required to give satisfactory hydraulic test wherever required and shall rectify the defects, if any free of cost. The necessary water, power, labour etc. required for the hydraulic test shall also be arranged by the contractor at his own cost.
- 9.19.2 All workmanship shall be of the best kind described in the contract documents and in accordance with the instructions of Engineer-in-charge and shall be subjected from time to time to such tests at contractor cost as the Engineer-in-charge may direct at the place of manufacture or fabrication or on the site or at any such place. Contractor shall provide assistance, instruments, labour and materials as are normally required for examining, measuring and testing of any work or workmanship as may be selected and required by Engineer-in-charge.
- 9.19.3 All tests necessary in connection with the execution of work as decided by Engineer-in-charge shall be carried out at an approval laboratory at contractor's cost.
- 9.19.4 Civil Materials must be tested in IIT/Govt Engg Colleges.
- 9.19.5 Contractor shall furnish the Engineer-in-charge for approval when requested or if required by the specification, adequate samples of all materials and furnished goods to be used in work sufficiently in advance to permit tests and examination thereof. All materials furnished and finished goods applied in

work shall be exactly as per approved samples.

- 9.19.6 70% of the total Tests to be done is to be carried out on site laboratory if the facilities are available as per Tender terms and conditions, remaining 15% tests is to be carried out at Govt/Semi Govt laboratory and 15% tests is to be carried out at Govt. recognised laboratory.
- 9.19.7 For determining that work conform to the Specifications and Standards, the RSCL/PMC shall require the Contractor to carry out or cause to be carried out tests, at such time and frequency and in such manner as specified in this Agreement, and in accordance with Good Industry Practice for quality assurance.
- 9.19.8 In the event that results of any tests conducted establish any Defects or deficiencies in work, the Contractor shall carry out remedial measures and furnish a report to the RSCL/PMC in this behalf. The RSCL/PMC shall require the Contractor to carry out or cause to be carried out tests to determine that such remedial measures have brought work into compliance with the Specifications and Standards, and the procedure shall be repeated until such Works conform to the Specifications and Standards.
- 9.19.9 All expenditure including travel, lodging boarding of RSCL Engineers and/or its representatives shall be borne by the contractor.

Testing of materials:

When required by the Engineer-in-charge the contractor(s) shall supply for the purpose of testing samples of all materials proposed to be used in the works. Samples submitted either to govern bulk supplies or required for testing before use shall be in suitable packages to contain them and shall be provided free of charge by the contractor. The cost of testing shall be borne by the contractor even if the result of the sample confirm or do not confirm to the relevant BIS code and specifications.

- (i) The test certificates regarding its property including indication of its Thermo-Mechanically treated must accompany every lot and shall be submitted to RAIPUR SMART CITY LIMITED before utilizing the same. Unless and until such certificate is submitted, the steel procure at site will not be allowed to be used.
- (ii) All expenditure required to be incurred for taking the samples conveyance, packing shall be borne by the contractor himself.
- (iii) The failed material shall be removed from the site by the contractor at his own cost within a week time of written order of the Engineer-in-charge.

9.20 ACTION AND COMPENSATION IN CASE OF BAD WORKMANSHIP:

If it shall appear to the Engineer-in-charge that any work has been executed with materials of inferior description, or quality or are unsound or with unsound imperfect or unskilled workmanship or otherwise not in accordance with the contract shall, no demand in writing from Engineer-in-charge or his authorised representative specifying the work, materials or CLAUSES complained of, notwithstanding that the same may have been inadvertently passed, certified and paid for forthwith rectify or remove and reconstruct the work, specified.

In the event of failure to do so within a period to be specified by Engineer- in-charge in his aforesaid demand, contractor shall be liable to pay compensation at the rate of one (1) percent of the tendered cost of work for every Ten (10) days limited to a maximum of Ten (10%) Percent of the value of work while his failure to do so

continue and in the case of any such failure the Engineer-in-charge may on expiry of the notice period rectify and remove and re-execute the work or remove and replace with other at the risk and cost of the Contractor. The decision of the Engineer-in-charge as to any question arising under this clause shall be final and conclusive.

9.21 STANDARD NORMS FOR QUALITY CONTROL

All tests for quality control shall be carried out as per provisions of relevant IS codes and as specified in item specifications. During course of the execution if any other laboratory is approved by RSCL for third party testing, the contractor can send the material in that laboratory also. The frequency for testing of samples (in either of the laboratories) shall be decided by EIC/PMC.

9.22 CONDITION FOR CEMENT:

9.22.1 Cement required for the work shall be procured by the contractor.

The contractor shall procure, only Ordinary Portland Cement (conforming to IS:8112). This procurement shall be from reputed manufacturers of cement having a production capacity of one million tons per annum or more as approved by Ministry of Industry, Government of India and holding license to use IS certification mark for their product whose name shall be got approved from Engineer-in-charge. Supply of cement shall be taken in 50 Kg. bags bearing manufacturer's name or his registered trademark, if any and grade and type of cement as well as IS marking.

9.22.2 The account of daily receipt and issue of cement shall be maintained in a register in the prescribed Performa and signed daily by the contractor or his authorized agent in token of its correctness.

9.22.3 Samples of cement arranged by the contractor shall be taken by the Engineer-in-charge and got tested in accordance with provisions of relevant BIS Code. In case test results indicate that the cement arranged by the contractor does not conform to the relevant BIS codes the same shall stand rejected and shall be removed from the site by the contractor at his own cost within a week's time of written order from the Engineer-in-charge.

9.22.4 The contractor shall supply free of charge the cement required for testing. The cost of testing charges shall be borne by the contractor.

9.22.5 The actual issue and consumption of cement on work shall be regulated and proper accounts maintained.

9.22.6 For non-scheduled items, the decision of the Executive Engineer regarding theoretical quantity of cement which should have been actually used shall be final and binding on the contractor.

9.22.7 Cement brought to site and remaining unused after completion of work shall not be removed from site without written permission of the Engineer-in-charge.

9.23 CONDITION FOR STEEL:

a) The contractor shall procure steel reinforcement of Thermo Mechanically Treated

TMT/LACSS Bars Fe-500 conforming to IS-1786:1985(reaffirmed 2004). The contractor shall have to submit documentary proof to the satisfaction of the Engineer-in-charge of having procured the steel reinforcement. The contractor shall have to obtain and furnish test certificates to the Engineer-in-charge and get tested in accordance with provision of relevant specifications. In case, test results indicate that the steel arranged by the contractor does not confirm to the specifications, the same shall stand rejected and shall be removed from the site of work by the contractor at his own cost within 7 days of written order from the Engineer-in-charge to do so.

b) The steel reinforcement bars shall be brought to the site in bulk supply of 10 tons or more or as directed by the Engineer-in-charge.

c) The steel reinforcement shall be stored by the contractor at site of work in such a way as to prevent distortion and corrosion and nothing extra shall be paid on this account. Bars of different sizes and lengths shall be stored separately to facilitate easy counting and checking.

d) Steel brought to site and steel remaining unused shall not be removed from site without the written permission of Engineer-in-charge.

e) Every care should be taken to avoid mixing different types of grades of bars in the same structural members as main reinforcement to satisfy relevant latest IS Codes. In case of buildings wherever the situation necessitates the changeover shall be made only from anyone level onwards. In case of foundation, all foundation elements (footing and grade beams) shall have the same kind of steel. In case of columns all structural elements up to the level of change where the changeover is taking place should have the same kind of steel as those in columns,

f) The reinforcing steel brought to site of work, shall be stored on brick / timber platform of 30/40cm. height. Nothing extra shall be paid on this account.

g) Before the execution of work contractor should prepare BAR BENDING SCHEDULE (BBS) & get the same approved from EIC/PMC.

9.24 CONDITION FOR WATER:

a) Contactor shall get the water tested as per provisions of IS 3025 from any approved laboratory of RSCL as per direction of Engineer-in-Charge at regular interval All expenses towards collection of samples, packing, transportation and testing charges etc. shall be borne by the contractors.

9.25 QUALITY CONTROL, TESTS AND INSPECTION

9.25.1 The CONTRACTOR shall carry out the various tests as enumerated in the technical specifications of the Contract and the technical documents that will be furnished to him during the performance of the work and no separate payment shall be made unless otherwise specified in schedule of Prices.

9.25.2 All the tests either on the field laboratory or at outside laboratories concerning the execution of the work and supply of materials by the CONTRACTOR shall be carried out by CONTRACTOR at his own cost.

9.25.3 The work is subject to inspection at all times by the Engineer-in-Charge. The

CONTRACTOR shall carry out all instructions given during inspection and shall ensure that the work is being carried out according to the technical specifications of the Contract, the technical documents and the relevant codes of practice furnished to him during the performance of the work(If necessary).

9.25.4 Any work not conforming to the execution drawings, specifications or codes shall be rejected forthwith and the Contractor shall carry out the rectifications / replacement at his own cost.

9.25.5 All results of inspection and tests will be recorded in the inspection reports, proforma of which will be approved by the Engineer-in-Charge. These reports shall form part of the completion documents.

9.25.6 Inspection and acceptance of the work shall not relieve the Contractor from any of his responsibilities under this Contract.

9.25.7 The contractor at his cost should make arrangement for the required testing facilities such as cube testing, sieve analysis apparatus, cement testing device, slump cone, cube moulds, weighing machines etc. at site in order to have regular check on works, materials used etc.

9.25.8 If any tests are required to be carried out in conjunction with the work or materials or workmanship not supplied by the contractor such tests shall be carried out by the contractor as per instruction of EIC & cost of such costs shall be reimbursed by the Raipur Smart City Limited

9.26 FINAL INSPECTION

After completion of all tests as per specifications, the whole work will be subject to a final inspection to ensure that work has been completed as per requirement. If any defects noticed in the work are attributable to Contractor these shall be attended by the Contractor at his own cost, as and when they are brought to his notice by the Raipur Smart City Limited. . The Raipur Smart City Limited shall have the right to have these defects rectified at the risk and cost of the Contractor, if he fails to attend to these defects immediately.

9.27 Recovery for lesser material issued/consumed.

Quantity of cement & steel shall be calculated on the basis of quantity of cement and steel required for different items or work as per standard consumption, with up to date overall consumption will be checked at the time of final bill, if any material consumed is less than standard norms, same amount shall be recovered from final bill.

Cement, Reinforcement steel and other materials:

(1) Penalty for Cement and Reinforcement steel shall be levied as below against variation than the actual consumption:

a) No penalty if actual total consumption is equal to or more than standard theoretical total consumption. For over consumption of cement no extra payment shall be made.

b) Twice the Market Rates per MT for the variation in cement consumption less than

standard theoretical consumption.

c) Twice the Market Rates per MT for TMT steel & Market Rates per MT for Structural steel for variation in steel consumption less than standard theoretical consumption.

(2) No separate payment shall be made for any kind of wastage/excess consumption in the materials.

CLAUSE 14

Following sub-clause is modified

- 14.2.1 Employer shall make an interest free advance payment for 5% amount of contract price, for mobilization and cash flow support, when the Contractor submits an irrevocable and unconditional bank guarantee of 110% amount (i.e. value of advance payment amount) obtained from nationalized bank against each installment in accordance with this Sub-Clause. The total advance payment will be paid in **two installments** with 1st instalment shall be an amount equal to 2 % (two percent) of the contract price, 2nd Instalment shall be equal to 3 % (three percent) of the contract price within the period as decided by the engineer-in-charge from the date of workorder.
- 14.2.2 The Employer's Representative shall issue an Interim Payment Certificate for the first installment after (i) execution of the Form of Agreement by the parties hereto (ii) provision by the Contractor of the Performance Security in accordance with Sub-Clause 5.1. Such bank guarantee shall be issued either by a Nationalized or Scheduled Bank acceptable to the Employer.
- 14.2.3 The Contractor shall ensure that the bank guarantee is valid and enforceable until the advance payment has been repaid. If the terms of the guarantee specify its expiry date, and the advance payment has not been repaid by the date 28 days prior to the expiry date, the Contractor shall extend the validity of the guarantee until the advance payment has been repaid.
- 14.2.4 After the **first installment** of the advance payment has been utilized as per the approved programme, and to the satisfaction of the Employer's Representative, the Contractor may then apply for the **second instalment**, The Employer will make payment of the Second installment of the mobilization advance only after the Contractor has fulfilled the following conditions:
- (a) Mobilized the Project Manager for the Contract.
 - (b) Established and staffed a functional design liaison office
 - (c) Mobilized the survey and subsoil investigation crews to the Site and commenced the surveys and subsoil investigations.
 - (d) Submitted the proposed construction programme for approval by the Employer's Representative.
 - (e) Actual deployment of: (i) all Personnel, (ii) Machinery and Equipment,
 - (f) Established the fully furnished Site office.
 - (g) Established and staffed, with qualified personnel a completely equipped testing laboratory at site for quality control purpose.
 - (h) Commenced construction work at the Site in accordance with the approved construction program.

The advance payments shall be used by the Contractor exclusively for mobilization expenses, as per the program me approved by the Employer's Representative.

The advance payment shall be repaid as given below:

- a) deductions shall commence in the interim Payment Certificate following that in which the total of all certified interim payments (excluding the advance payment and deductions and repayments of retention) exceeds 20 percent (20%) of the Accepted Contract Amount less Provisional Sums; and
- b) deductions shall be made at the 15% rate of the amount of each Interim Payment Certificate (excluding the advance payment and deductions for its repayments as well as deductions for retention money) and proportions of the advance payment until such time as the advance payment has been fully repaid; provided that the advance payment shall be completely repaid prior to the time when 90 percent (90%) of the Accepted Contract Amount less Provisional Sums has been certified for payment
- c) If the advance payment has not been repaid prior to the issue of the Provisional Certificate for the Works or prior to termination under Clause 18.1, or Clause 16.0 [Force Majeure] (as the case may be), the whole of the balance then outstanding shall immediately become due and in case of termination under Clause 18 [Termination by Employer], except for Sub-Clause 18.2 [Employer's Entitlement to Termination for Convenience], payable by the Contractor to the Employer & same will be recovered from any monies due to contractor and/or by en-cashing bank guarantee submitted by the contractor against advance payment.

Addition of following sub clauses

14.9 Price Escalation -Deleted

14.10 Advance against Materials - Deleted

**CLAUSE 20
LABOUR LAWS**

Addition of following subclauses

20.4 PROTECTION OF HEALTH AND SANITARY ARRANGEMENTS:

In respect of all labour directly or indirectly employed in the works for the performance of the contractor's part of this contract, the contractor shall comply with or cause to be complied with all the rules framed by Govt. from time to time for the protection of health and sanitary arrangements for workers employed by the RSCL and its contractors.

20.5 LEAVE AND PAY:

Leave and pay during leave shall be regulated as follows:

20.5.1 Leave:

- I. In the case of delivery-maternity leave not exceeding 8 weeks, 4 weeks up to and including the day of delivery and 4 weeks following that day,

- II. in the case of miscarriage –up to 3 weeks from the date of miscarriage.

20.5.2 Pay:

- I. In the case of delivery- leave pay during maternity leave will be at the rate of the women's average daily earning, calculated on total wages earned on the days when full time work was done during a period of three months immediately preceding the date on which she gives notice that she expects to be confined or at the rate of Rupees one only a day whichever is greater.
- II. In the case of miscarriage – leave pay at the rate of average daily earning calculated on the total wages earned on the days when full time work was done during a period of three months immediately preceding the date of such miscarriage.

20.5.3 CONDITIONS FOR THE GRANT OF MATERNITY LEAVE:

No maternity leave benefit shall be admissible to a woman unless she has been employees for a total period of not less than six months immediately preceding the date on which she proceeds on leave.

1. The contractor shall maintain a register of Maternity (Benefit) in the Prescribed Form and the same shall be kept at the place of work.

20.6 BREACH OF CONTRACTOR:

In the event of the contractor(s) committing a default or breach of any of the provisions of the, Contractor's Labour Regulations and Model Rules for the protection of health and sanitary arrangements for the workers as amended from time to time or furnishing any information or submitting or filling and statement under the provisions of the above Regulations and Rules which is materially incorrect, he/they shall, without prejudice to any other liability, pay to the RSCL a sum not exceeding INR 200/- for every default, breach or furnishing, making, submitting, filing such materially incorrect statements and in the event of the contractor(s) defaulting continuously in this respect, the penalty may be enhanced to INR 200/- per day for each day of default subject to a maximum of 5 percent of the estimated cost of the work put to tender. The decision of the Engineer-in-Charge shall be final and binding on the parties.

Should it appear to the Engineer-in-Charge that the contractor(s) is/ are not properly observing and complying with the provisions of the Contract's Labour regulations and Model Rules and the provisions of the Contract Labour (Regulation and Abolition) Act 1970, and the Contract Labour(R& A) Central Rules 1971, for the protection of health and sanitary arrangements for works people employed by the contractor(s) (hereinafter referred as "the said Rules") the Engineer-in-Charge shall have power to give notice in writing to the contractor(s) requiring that the said Rules be complied with and the amenities prescribed therein be provided to the work people within a reasonable time to be specified in the notice. If the contractor(s) shall fail within the period specified in the notice to comply with and/observe the said Rules and to provide the amenities to the work people as forfeited, the Engineer-in-Charge shall have the power to provide the amenities hereinbefore mentioned at the cost of the contractor(s). the contractor(s) shall erect, make and maintain at his/ their own expenses and to approved standards all necessary huts and sanitary arrangements

required for his/their work people on the site in connection with the execution of the works, and if the same shall not have been Created or constructed, according to approved standards, the Engineer-in-Charge shall have power to give notice in writing to the contractor(s) requiring that the said huts and sanitary arrangements be remodeled and/or reconstructed according to approved standards, and if the contractor(s) shall fail to remodel or reconstruct such huts and sanitary arrangements according to approved standards within the period specified in the notice, the Engineer-in-Charge shall have the power to remodel or reconstruct such huts and sanitary arrangements according to approved standards at the cost of the contractor(s).

It is expected that the Contractor to comply with all Contractor's Labour Regulation Acts and Rules provided therefrom.

20.7 Employment of skilled/semi skill worker:

The contractor shall, at all stages of work, deploy skilled/semiskilled tradesmen who are qualified and possess certificate in particular trade from CPWD Training Institute/Industrial Training Institute/National Academy of Construction, CIDC or any similar reputed and recognized Institute managed/certified by State/Central Government. The number of such qualified tradesmen shall not be less than 20% of total skilled/semiskilled workers required in each trade at any stage of work. The contractor shall submit number of man days required in respect of each trade, its scheduling and the list of qualified tradesmen along with requisite certificate from recognized Institute to Engineer in charge for approval. Notwithstanding such approval, if the tradesmen are found to have inadequate skill to execute the work of respective trade, the contractor shall substitute such tradesmen within two days of written notice from Engineer-in-Charge. Failures on the part of contractor to obtain approval of Engineer-in-Charge or failure to deploy qualified tradesmen will attract a compensation to be paid by contractor at the rate of INR 100 per such tradesmen per day. Decision of Engineer in Charge as to whether particular tradesmen possess requisite skill and amount of compensation in case of default shall be final and binding.

Provided always, that the provisions of this clause shall not be applicable for works with estimated cost put to tender being less than INR 5 Lacs.

20.8 Minimum Wages Act to be complied with:

The contractor shall comply with all the provisions of the Minimum Wages Act, 1948, and Contract Labour (Regulation and Abolition) Act, 1970, amended from time to time and rules framed there under and other labour laws affecting contract labour that may be brought into force time to time.

SECTION VI – SPECIAL CONDITIONS OF CONTRACT

CLAUSE 1

SCOPE OF THE WORK AND EXECUTION

1.1 Detail Scope of work for Construction and completion.

1.1.1 Preparatory Activities

It is in scope of successful Contractor to undertake all site surveys, route surveys for ascertaining the terrain and planning the scheme as well as to conduct geotechnical investigations, obtaining all required approvals from the relevant authorities. The Contractor shall carry out the design and submit to the client, along with all the good for construction drawings for all the components of the work as per Employers requirement and submit the same to client for review and approval.

1.1.2 Construction and completion of the following

- a. Designing, Providing, Lowering, Laying, Jointing, Testing and Commissioning of Distribution Pipeline, Valves, Thrust Block, Demolishing of Structures, Dismantling of Pipe Lines, House Service Connections etc. all complete for ABD area of Mor Raipur City Center Area.
- b. Instrumentation Works such as Supply, Installation, Testing and Commissioning of Multijet/Volumetric Type GSM/ GPRS AMR Water Meters, Battery operated Electromagnetic Type Bulk Flow Meter & SCADA System in accordance with the Employer's requirements and to the satisfaction of the Engineer in charge.
- c. Construction of Allied Civil Works in accordance with the Employer's requirements and to the satisfaction of the Engineer in charge.
- d. All other works and services ancillary or related to the full completion of the Works in accordance with the Employer's requirements

1.1.3 The Contractor shall ascertain, determine and verify the locations of all utility services and co-ordinate with utility agencies for the diversion of affected services and the laying of new services. The Contractor shall support and protect services that need not be diverted or pending diversion and remove all abandoned services. Contractor shall be responsible for relocation, reconstruction, reconfiguration of driveways, site accesses, temporary and permanent drains, pipe conduits and necessary connections for public lighting and traffic lighting, earth works, environmental safeguards, necessary safety measures and protection works etc

1.1.4 The Contractor's responsibility for the execution of works includes the submissions to relevant government authorities / technical departments for obtaining all necessary clearances /approvals.

1.1.5 The Contractor shall co-ordinate and interfaces his works with that of all other contractors, subcontractors, utility service agencies, statutory authorities, etc. and achieve the completion of the Works to the satisfaction of the Engineer-in-charge.

1.1.6 The Contractor shall make good all works including road surfaces, drains, concrete slabs,

gratings, kerbs, pavements, turfing, railing, etc. affected or damaged during the course of construction, to the satisfaction of the Engineer-in-charge. The costs of making good all these defects shall be borne solely by the Contractor and deemed to be included in the rates quoted by Contractor.

- 1.1.7 All works specified shall include the provision of all labour, tools, equipment, material traffic control, transport and everything else necessary for the satisfactory completion of the Work by the Contractor to the satisfaction of the Engineer-in-charge.
- 1.1.8 Description of the Works involved in this Contract is given in the Specifications for the guidance of the Contractor. The Contractor shall be solely and fully responsible for investigating and ensuring the actual extent and nature of the Works comprised in this Contract prior to submission of his Tender.
- 1.1.9 Construction, management and quality of the Works shall comply with the Drawings, Specifications and Employers requirement.
- 1.1.10 Site for work comprises of various roads in busy market area. During daytime continuous movement of Pedestrians, two/three wheelers, light traffic exist on most of the roads. Contractor shall satisfy himself for working conditions during daytime & option for execution of work in late hours.

1.2 WORK IMPLEMENTATION:

1.2.1 CONTRACT MANAGEMENT OF PROJECT

The Services for management of project will include construction planning, scheduling monitoring progress reporting, quality assurance & quality control, safety and overall project management functions. Contractor shall nominate Project Manager who will be responsible for the total scope of work under this contract and shall respond to Raipur Smart City Limited and EIC and/or their representative.

The Contractor is expected to execute the work under this contract with a dedicated team of technical experienced persons (Engineers/Supervisors), who will be responsible and respond to his Project Manager.

1.2.2 CONSTRUCTION PLANNING :

- a) Contractor shall provide additional resources whenever the scheduling shown on the BAR CHART/ S Curve indicates a possible delay in the completion date. Such additional effort may require an increase in equipment and/or personnel and / or work in excess of the normal working time. All extra costs incurred by the Contractor in order to prevent a possible delay in the completion date will be to Contractor's account.
- b) Contractor shall notify the EIC within 24 hours after any occurrence which will adversely affect the completion date of the project. In addition, the Contractor shall include statement of proposed remedial action for expediting these items.
- c) While preparing schedules, monsoon period from mid June to mid September shall be kept in view. Internal roads, drains and other civil works should be planned such that rains do not have impact on the progress of the Work.
- d) BAR CHART should be supported by resource based network for proper planning, monitoring, and control of the project execution, keeping the overall schedule unchanged.

- e) A joint programme of execution of WORK will be prepared by the Engineer-in-Charge and Contractor which will take into account the Time Schedule of completion.
- f) Monthly / weekly construction programme will be drawn up by Engineer-in-Charge/PMC jointly with the Contractor based on availability of work fronts. The Contractor shall scrupulously adhere to these Targets / programme by deploying adequate personnel and construction tools and tackles and he shall also supply all materials included his scope of supply in time to achieve the targets set out in the weekly and monthly programmes. In all matters concerning the extent of targets set out in the weekly and monthly programmes/targets and the degree of achievements, the decision of the Engineer-in-Charge/PMC shall be final and binding on the Contractor.

1.2.3 PROGRESS RECORDS DURING CONSTRUCTION

- b) Contractor shall make every effort to keep the RSCL/PMC adequately informed as to the progress of the WORK throughout the Contract period.
- c) Contractor shall keep the RSCL/PMC informed well in advance of the construction schedule so as to permit the Dept. to arrange for requisite inspection to be carried out in such a manner as to minimize interference with the progress of WORK. It is imperative that close co-ordination be maintained with the E.I.C. / Dept. during all phases of Work.
- d) Contractor shall give every day report on category-wise labour & equipment deployed along with the progress of work done on previous day in the proforma prescribed by EIC.
- e) All important events shall be photographed by the contractor and to be submitted to Dept. for records.

1.2.4 PROGRESS REVIEW MEETING :

The contractor shall attend various review meeting as & when required.

(A) Weekly Review Meetings	
Level of Participation	Contractor's Project Manager, Engineer-in-Charge, PMC/TPI Consultants
Agenda	a) Weekly Program V/S actual achieved in the post week & program for next week.
	b) Remedial action and hold up analysis.
	c) Client query / Approval / Site Officer.
(B) Monthly Review Meeting	
Level of Participation	Contractors's project Co-ordinator & Project Manager, Managing Director RSCL, Engineer-in-Charge, PMC/TPI, Consultants
Agenda	a) Progress Status / Statistics.
	b) Completion Outlook.
	c) Major Hold Ups / Slippage's.
	d) Assistance Required.
	e) Lacsitical Issues.
	Client Query / Approval.
Venue	RSCL Office or as decided by EIC

C. Recommended / Expected Brands :-

Sr.No.	Item	Recommended/Suggested Brands
1.	Cement 43 grade	Ambuja, Ultratech, ACC, JK
2	White Cement	JK White, Birla White, Nihon White
3.	Steel	TMT Bars Fe-500 conforming to IS-1786:1985 (reaffirmed 2004) Reinforcement Steel manufactured by Primary Steel Plants like TATA Steel, SAIL, Rastriya Ispat Nigam Limited, Jindal.
4	Structural Steel	Manufactured by Primary Steel Plants like TATA Steel, SAIL, Rastriya Ispat Nigam Limited, Jindal.

Notes:

The following guidelines are to be noted with regard to use of materials in the work:

- a) The contractor shall produce samples of the materials for approval of the Engineer-In-Charge (EIC). The materials of the makes, out of the above as approved by the EIC shall be used on the work.
- b) In respect of materials for which approved makes are not specified above, the make/brand will be decided by the EIC.
- c) Before bulk purchase of quantities of materials, it is the responsibility of the Contractor to get the samples of materials approved from consultant and EIC.
- d) All cost towards the testing shall be borne by the contractor.
- e) For all the material of approved brands necessary testing as per IS standards shall be done by the agency and no extra payment shall be paid for that.

1.3 MINIMUM REQUIREMENT OF TECHNICAL REPRESENTATIVE(S)

No.	Position	Nos.	Min Qualification	Experience In Similar Works [years]	Relevant Experience
During Execution of Project					
1	NRW Expert in Urban Water Supply Project	1	B.E Civil	15	Should have worked in atleast three similar projects involving reduction of NRW losses & conducting water audit.
2	Project Manager – Multidisciplinary (Graduate Engineer)	1	B.E Civil	10	Should have worked in atleast three similar projects involving laying of water supply distribution network.
3	Assistant Project	1	B.E Civil	7	Should have worked in

	Manager (Graduate Civil / Mechanical Engineer)				atleast two similar projects involving laying of water supply distribution network.
4	Electrical Engineer (Graduate Electrical Engineer)	1	B.E Electrical	10	Should have worked in atleast two similar projects involving SCADA Center & Metering.
5	Instrumentation Engineer (Graduate Instrumentation Engineer)	1	B.E (Instrumentation)	7	Should have worked in atleast two similar projects involving SCADA Center & Metering.
6	Material, Quality Control & Safety Engineer (Graduate Engineer)	1	B.E Civil	10	Should have worked in atleast two similar projects involving laying of water supply distribution network.
7	AutoCAD Draftsman (ITI)	1	ITI	4	Should have worked in atleast two similar projects.
During O&M					
1	NRW Expert in Urban Water Supply Project	1	B.E Civil	15	Should have worked in atleast three similar projects involving reduction of NRW losses & conducting water audit.
2	Engineer – M&E	1	B.E (Mechanical)	10	Should have worked in atleast two similar projects involving O&M of water supply distribution network.
3	Engineer – Civil	1	B.E Civil	10	Should have worked in atleast two similar projects involving O&M of water supply distribution network.
4	Valve Operators	1	ITI	7	Should have worked in atleast two similar projects involving O&M of water supply distribution network.
5	Fitter	5	ITI	5	Should have worked in atleast two similar projects involving O&M of water supply distribution network.
6	Helper	10	ITI	2	Should have Relevant experience.
7	SCADA & Instrumentation Expert	1	B.E (Instrumentation)	7	Should have worked in atleast one similar project involving O&M of SCADA Center & Metering.
8	Supervisor & Billing Officer	1	B.E (IT) or Equivalent	10	Should have worked in atleast one similar project involving bulk bill generation & billing software..
9	Computer Operator	5	Any Graduate/ ITI	4	Should have Relevant experience.
10	Meter Technician	2	ITI	5	Should have Relevant experience.

- 1) The above professionals shall be on payroll of the contractor. The Bidder/contractor must furnish all the documents including qualifications, experiences, memberships, for the above mentioned professionals.
- 2) Bidder shall ensure that availability of above professionals throughout the project.

**CLAUSE 2
SPECIAL NOTE**

2.1 TAXES

2.1.1 The rates to be quoted by the tenderer shall be inclusive of all applicable taxes like GST(State & Central) etc., including such other taxes, cess, duties, freshly levied taxes under any rules and no claim whatsoever in this context shall be entertained.

For this purpose Contractors are required to have following registrations / certificates on the date of Submission and submit notarized copies of the same shall be attached along with his bid

- i) Valid PAN No.
- ii) Valid GST No.
- iii) Valid EPF No. number under EPF Act, 1952

Out of the "amount payable/creditable to contractor's account, the Central Govt./State Govt., taxes shall be deducted at source in accordance with the relevant laws/ rules prevailing from time to time.

If any Work Contract Tax or Labor welfare Tax or any other tax is levied by the Government during the course of execution of this contract, the same shall not be borne by contractor and the same shall be reimbursed on proof of payment to be appropriate authority being produced.

However any subsequent changes in the tax structure by government after due date of bid submission will be compensated (\pm) on availability or submission of actual documentation. Contractor has to intimate Engineer In charge regarding changes occurred in the tax structure after bid submission. If contractor fails to provide such information and if any financial obligation may arise due to change in tax structure, same will be recovered from contractor.

The contractor shall apply fair means of stock maintenance and shall adopt accounting standards as may be prescribed under GST. For arriving at the difference in procurement prices due to introduction of GST, it will be open for the Government to ask for original invoices, LR, weigh bridge slips, payment details and such other documents as may be required for the purpose.

If there is reduction in overall tax burden then proportional benefit of that shall be passed on to the Government.

CLAUSE 3 FACILITIES REQUIRED BY CONTRACTOR

3.1 ELECTRIC POWER SUPPLY

The Contractor shall make all the necessary arrangement for procurement of electric power required for the work. The Contractor shall submit his requirement of Electric Power Supply for carrying out Construction works, labour camp and field offices etc., as a part of his work plan. If necessary the employer will issue the necessary certificates, letters of recommendation etc., to the Contractor for obtaining the power supply. However, the employer shall accept no responsibility for any delays in obtaining the power connections. In addition, the Contractor shall maintain standby diesel generators of adequate capacity. Non-availability of electric

power will not be considered as a reason for delay in progress.

3.2 WATER SUPPLY FOR CONSTRUCTION, LABOUR CAMPS, OFFICES ETC.

The Contractor shall make all necessary arrangements for the procurement of water required for construction and labour. The employer shall issue on request from contractor, the necessary certificates, letters of recommendation etc., for obtaining the necessary permissions. The employer shall assume no responsibility for delay in progress due to delay in obtaining the permissions. The Contractor may drill bore wells as a source of construction water. The water shall be got tested by the Contractor at approved laboratory at his own expense and certificates regarding the suitability for construction shall be submitted to the Engineer's Representative regularly as per his requirements.

3.3 TELEPHONES / WIRELESS COMMUNICATION FACILITIES

These will be arranged by Contractor at his own cost. The employer shall give the necessary certificates and letters of recommendation if necessary etc., to the Contractor.

3.4 LAND FOR TEMPORARY USE

Land for labour camps, storage yards temporary site sheds, batching plant, casting yard shall be arranged by the contractor at the site or nearby plot with the consent of RSCL at his own cost.

CLAUSE 4 SPECIAL PROVISIONS

1.1 CONTRACTOR'S MATERIALS, LABOUR ETC.

The Contractor shall provide everything necessary for the proper execution of the works according to the intent and meaning of the Drawings, Notes, and Specifications taken together, whether the same is or is not particularly shown or described therein; provided the same can be reasonably enforced there from. If the Contractor finds any discrepancy therein he shall immediately and in writing refer the same to the Engineer's Representative. The decision of the Engineer's Representative shall be final and binding on the Contractor. Figured dimensions shall be followed and the drawings shall not be scaled from.

1.2 PLANTS & MATERIALS:

Concrete batching plant/ 3 Bag Mixer shall be installed within 10 Km periphery from the Project work site & make the operational within 45 days from the date of commencement of work. Contractor shall carry out calibration of the plants & submit reports to EIC/PMC within specified period.

Bidders should note that materials necessary for execution of this work shall not be supplied by Raipur Smart City Limited (RSCL) and same shall be procured by the contractor at his own cost. Procurement of and testing certificates for cement and reinforcement steel round bars or high yield strength steel deformed bars as required shall be arranged by the contractor at his own cost from standard, reputed manufacturers only as per approved list.

Quality, quantity, transport facilities etc. may be ascertained by the tenderer themselves before tendering and rates be quoted accordingly. The source of fine and coarse aggregates given in Table-1 is for general guidance only.

Procurement of all construction materials as required shall be arranged by the contractor at his own cost from standard, reputed manufacturers / suppliers as may be approved by the client. The royalty receipts, Challans etc., shall have to be submitted by the contractor from time to time to the RSCL.

The contractor will have to make his own arrangement for plants, equipments, machineries to be used in the execution of this work well in time after award of the contract.

The approved makes for various materials to be used in the project shall be as per the table given in tender.

The D.I./C.I. pipes and fittings require for laying of water supply network shall be arranged by Contractor at his own cost.

1.3 NIGHT WORK & WORK ON SUNDAY & HOLIDAYS & BETWEEN SUNSET & SUNRISE:

No work shall be carried out on Sundays and closed Holidays and no work shall be generally carried out before and after day hours except with special permission of Engineer-in-charge in writing previously obtained. Withholding such permission shall be no ground of complaint on the part of contractor for cause for compensation of them. Working period shall be generally eight (8) hours per day. Permission to work beyond 8 hours and to work on Sundays and holidays will be entirely at the discretion of the Engineer-in-charge and cannot be claimed by the contractor as a matter of right and the refusal to grant such permission will be not be set up as a ground for not completing the work within the contract period.

No work shall be generally carried out between sunset and sunrise, except with the prior written permission of Engineer-in-charge. With holding such permissions shall be no ground of complaint on the part of contractor or cause for compensation to them.

NIGHT WORK:

Subject to any provisions to the contrary contained in the contract, no work shall be carried out after day hours without the prior permission of the Engineer-in-charge except when the work is unavoidable circumstances, absolutely necessary, for saving life or property or for the safety of the work, in which case, the contractor shall immediately inform the Engineer-in-charge or his representative, provided always that the provision of this clause shall not be applicable in the case of any work which it is customary to carry out by double or rotary shifts in which case sufficient advance notice shall be given of the intention to work at night to the Engineer-in-charge after making all requisite arrangements and management of areas, materials and equipments, required under any emergency etc. The contractor can carry on work after office hours if so required, subject to provide undertaking in writing, for expediting the progress on the works or for any other reasons of technical safety. Whenever any work is required to be carried out at night in the interest of structural safety or any other reason with authorized to supervise, adequate lighting and other arrangement shall be made in advance by the contractor for proper execution and supervision of such work. The contractor shall not be however entitled to claim any extra payments for night work. The responsibilities of all kind shall be of contractor.

PRECAUTIONS TO AVOID ANY NUISANCE TO THE NEIGHBORHOOD/SURROUNDING

All the necessary precautions to be taken during the development of the project (either during day or night) ,to avoid any nuisance or any harm causing to the neighborhood/surrounding areas of proposed construction site.

No complaint should be arise by the neighbourhood /society dwellers ,during the development work by contractor or any of the persons directly or indirectly related to the site work.

In case of any such conditions the contractor shall be fully responsible for the consequences & settlement.

1.4 ENABLING WORKS

The Contractor shall supply, fix and maintain at his own cost during the execution of works, all the necessary centering, and scaffolding, staging, planking, timbering, strutting, shoring, pumping, fencing, hoarding, watching and lighting by night as well as the necessary equipment for protection of public and safety of any adjacent roads and railway lines. The Contractor shall remove any or all such centering scaffolding, staging planking and equipment when ordered to do so by the Engineer's Representative and make good all matters and things disturbed during the execution of works to the satisfaction of the Engineer's Representative.

1.5 TEMPORARY DIVERSIONS, MAINTANENCE OF SAME AND TRAFFIC MANAGEMENT

Contractor shall be responsible for making temporary diversions, maintenance thereof, traffic management including signage, blinkers etc.

1.6 OPPORTUNITIES AND FACILITIES FOR OTHER CONTRACTORS AGENCIES Etc.

The Contractor shall, in accordance with the requirements of the Engineer's Representative afford all reasonable opportunities to any other Contractors employed by the Employer for carrying out their work and to their workmen and to the workmen of the Employer and of any other duly constituted authorities who may be employed in the execution on or near the site of any work not included in the Contract or of any contract which the Employer may enter into in connection with or ancillary to the works.

If, however, the Contractor shall on the written request of the Engineer or Engineer's representative make available to any such other Contractor or to the Employer or any such authority any roads or ways for the maintenance of which the Contractor is responsible or permit the use of by any such of the Contractor's scaffolding or any other plant on the site or provide any other service of whatsoever nature,for any such the Employer shall pay to the Contractor in respect of such use of service such sum or sums as shall in the opinion of the Engineer be reasonable.

CLAUSE 5**ENVIRONMENTAL SAFEGUARDS****1.0 ENVIRONMENTAL SAFEGUARDS**

The Contractor shall take action of following points and note the stipulations as under as regards environmental safeguards as stipulated by the Ministry of Environment and Forests.

- 12.1 Appropriate measures shall be undertaken while undertaking digging activities to avoid degradation of water quality.
- 12.2 Borrow pits and other scars created during the road construction shall be properly leveled and treated.
- 12.3 Adequate provision for infrastructures facilities, i.e. water supply, fuel, sanitation, etc. shall be ensured for labourers during construction period in order to avoid damage to the environment & nuisance to the adjoining habitation.
- 12.4 No excavation from or dumping of waste materials into any water body / wetlands shall be done.
- 12.5 Borrow sites for earth, quarry sites for road construction and dump site shall be identified keeping in view:
 - a) No excavation or dumping on private property is carried out without written consent of the owner.
 - b) No excavation or dumping shall be allowed on wetlands, forests areas or other ecologically valuable or sensitive locations.
 - c) The excavation work shall be done in consultation with soil conservation and watershed development agencies working in the area:
 - d) Construction spoil/soil including bituminous scrap material and other hazardous material must not be allowed to contaminate water course and the dump sites for such materials must be identified well in advances before construction and lined properly so that they do not leach into the ground water.
 - e) Any approvals required for the same shall be arranged by the contractor.

CLAUSE 6 NOMINATED SUBCONTRACTORS:

Contractor can sublet part of work which requires specific work experience to nominated sub contractor provided

- h) Contractor should submit such proposal along with credentials of proposed nominated sub contractor to EIC/PMC for their review & approval.
- ii) Contractor should appoint such nominated subcontractor only after approval from EIC/PMC.
- iii) Responsibility of work carried out by nominated subcontractor lies with contractor only. For avoidance of doubt, Contractor shall be and shall remain solely responsible for the quality, proper and expeditions execution of the works and the performance of the nominated subcontractor.

CLAUSE 7 SUB-CONTRACTORS FOR TEMPORARY WORKS ETC :

The owner may give written consent to sub-contractors for execution of any part of the work at the site being entered upon by the contractors provided each individuals contractor is submitted to the Engineer-in-charge before being entered into and in approved by him. List of Sub-Contractors is to be supplied. Not with standing any subletting with such approval as aforesaid and

notwithstanding the Engineer-in-charge shall have received copies of any sub-contractors, the contractors shall be and shall remain solely responsible for the quality and proper expeditions and execution of the works and the performance of all the conditions of contract in all respects as if such submitting or sub-contracting had not taken place and as if such work had done directly by the Contractor.

CLAUSE 8 FACILITIES TO THE EMPLOYER

8.1 Site Office

Contractor shall provide and maintain a furnished site office for the use of supervisory staff of the EIC/PMC/TPI/Consultants. It shall have at least 35.00 Sqm floor area, Air – conditioned with approved flooring and shall include electrical lights, fans, computer point including proper wiring, water supply, drainage, toilets, tables, chairs, cupboards, and shall be constructed at location directed by the Engineer and shall be maintained for a period upto 6 months /as directed by RSCL, beyond date of completion as certified by PMC/TPI/Consultants. Contractor shall provide computers, printers & telephone connection in this office as directed by Engineer-In-Charge

The site office with all services, furniture, fixtures shall be property of the contractor. Land for site office, field laboratory etc. is not available with RSCL and could not be provided by employer. All the expenditure required for maintenance of site office, Electric & Telephone /Mobile bills will be paid by the contractor for entire period of contract and up to 6 month beyond completion of works and & cost for this shall be considered as incidental to work..

8.2 Vehicles

Contractor shall provide and maintain one TATA Sumo or equivalent vehicle for the use of supervisory staff of the EIC/PMC/TPI/Consultants during contract period. All the expenditure required for maintenance & operation of the vehicle will be paid by the contractor for entire period of contract and up to 6 month beyond completion of works & cost for this shall be considered as incidental to work.

CLAUSE 9 SHIFTING OF UTILITIES

9.1 Shifting of Existing Utilities

Contractor is required to liaison with concerned department for identifying exact location of the existing utility services. Any damages by the contractor to the existing utilities while carrying out work shall be repaired/reinstated by contractor at his own cost.

Deposits / Supervision charges levied by Govt. dept. & paid by the contractor for the purpose of shifting of utilities shall be reimbursable after due assessment, verification and scrutiny except for street light poles, set of signal poles, road signs/sign boards & consumer connection for water connections(Domestic/commercial).

9.2 Removal/diversion of utility services

9.2.1 Electric & street Light Poles – Contractor is required to remove electric & street

light poles including uprooting underground part with due co-ordination with concerned utility owners.

- 9.2.2 Electric cables - Contractor is required to remove electric cables with due co-ordination with concerned utility owners.
- 9.2.3 Transformer stations - Contractor is required to remove transformer station poles if asked for including uprooting underground part.
- 9.2.4 Water supply lines – Water supply lines if encountered during construction of utility Conduits & storm water drains cross drainage work etc shall be removed only after new water supply line is operational.
- 9.2.5 Sewar lines – Sewar lines if encountered during construction of utility Conduits & storm water drains cross drainage work etc shall be removed only after new alternative Sewar line is operational.

Expenditure for shifting / removal of utilities shall be considered incidental to work.

9.3 UTILITY SERVICES

The Bidder shall coordinate with Utility service Providers for proper Shifting/ Relocating of the Utilities. The work shall be carried as per approval of Utility service Provider. All the Charges required for Shifting / relocating of Utilities shall be included in the Quoted Rate and the Contractor shall not be paid extra for the same.

CLAUSE 10 TREASURE TROVE

In the event of the discovery by the Contractor or his employees during the progress of the works of any treasure, coins, antiquities, fossils, minerals or other things of value or interest, whether geological, archeological or any other such treasure or other things shall be deemed to be the absolute property of client.

The contractor shall take all reasonable precautions to prevent his workmen or any other persons from removing such things as above and shall immediately upon discovery thereof and before removal, acquaint the Engineer-in-charge/ RSCL of such discovery and carry out his orders as to the disposal of the same which will be at the contractor's expense.

CLAUSE 11 ADDITIONAL CONDITIONS

11.1 Following additional conditions shall be binding on contractor during execution of work.

- a) Any damage caused to either private or public property, services, structures etc. shall be made good by Contractor without any extra cost to the employer.
- b) Contractor need to ensure proper and adequate traffic safety signboards, barricades, lighting at night shall be displayed during day and night to ensure that no accidents take place.
- c) No excavated material shall be allowed to be stacked on roadside/ footpaths/public premises without written permission from competent authority.
- d) Whenever new drains are constructed, the flow in the old drain will have to be suitably diverted to maintain the continuity of flow.

11.2 If Near relative working in RSCL / RSCL then the contractor not allowed to tender:

The contractor shall not be permitted to tender for works in the RSCL responsible for award and execution of contract in which his near relative is posted as an officer of any capacity between the grades of Chief Engineer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and are near relatives to any Gazetted Officer in the RSCL or in the Ministry of Urban Development. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractor of this Department. If however the contractor is registered in any other department, he shall be debarred from tendering in RSCL / RSCL for any breach of this condition.

Note: by the term “Near relatives” is meant wife, husband, parents and grandparents, children and grand-children, brothers and sisters, uncles, aunts and cousins and their corresponding in laws.

11.3 No Gazetted Engineer to work as Contractor within one year of retirement:

No Engineer of gazetted rank or other gazette officer employed in engineering or administrative duties in an engineering department of the RSCL shall work as contractor or employee of a contractor for a period of two years after his retirement from Government service without the previous permission of RSCL in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of RSCL as aforesaid, before submission of the tender of engagement in the contractor’s service, as the case may be.

The technical bid shall be opened first on due date and time as mentioned above. The time and date of opening of financial bid of contractors qualifying the technical bid shall be communicated to them later on.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DAY, MONTH AND YEAR FIRST ABOVE WRITTEN.

SECTION VII - CONTRACT DATA

The following specific data for the Works to be procured shall complement, amend, or supplement the provisions in the Instructions to Bidders, General Conditions of Contract. Conditions of particular application, Special Conditions of Contract Whenever there is a conflict, the provisions herein shall prevail over those in the Instructions to Bidders, General Conditions of Contract. Conditions of particular application, Special Conditions of Contract.

Employer	Managing Director, Raipur Smart City Limited, Ground Floor, Outdoor Stadium, Budha Taalab, Raipur 492 001			
Name of Work	Work for 24 x 7 Water Supply System under Smart City Mission in Mor Raipur City Centre Area of Raipur Municipal Corporation including Refurbishment of existing network in ABD and Outer Area including all work of Mechanical, Electrical, SCADA, Household Connections, Consumer Water Meter Fittings work with three months trial run and post completion Management of 24 x 7 Water Supply in Smart City for a period of 5 years including 2 years defect liability period on DBO basis.			
Time for Completion	18 Calendar Months (including monsoon and 3 months trial run)			
Period of O & M	5 Years including 36 Months Defect Liability Period			
Site Possession Date	14 days of the issue of Notice to proceed			
Defect Liability Period	02 (Two) years after issue of Completion Certificate.			
Bid Language	English			
Name & Identification No. of Contract	Tender No. ---/RSCL/2019			
Performance Security	5% of Contract Value in the form of Bank Guarantee with a validity upto the end of Defect Liability Period			
Additional Performance Security if any (for Unbalanced Offer)	15% of the amount of unbalanced contract value in addition to regular performance Note: The difference between accepted contract value and estimate cost put to tender is the unbalance contract value			
Release of Performance Security	Will be released within 60 days after completion of Defect Liability Period only after the receipt of submission of another bank guarantee of 2.5% of Contract value as a security for the entire Operation & Maintenance period or extended period if any.			
Retention Money	5% of Contract Value. Will be deducted @ 7% from each Running bill limiting to 5% contract value.			
Release of Retention Money	Will be released after completion of project within 60 days from the date of payment of final bill			
Project Milestones	Mile Stone No.	Duration from the date of issue of Notice to Proceed in months	Physical Progress	Liquidated Damages for non achievement in INR
	1	06 Months	25%	1,00,000.00
	2	12 Months	60%	2,00,000.00

	3	18 Months	100%	3,00,000.00
Liquidated Damages	Amount shown against Milestones will be deducted on weekly basis on not achieving Milestones 1, 2, 3, subject to a Maximum of 10% of Total Contract Value. The Liquidated damages shall be released without interest or charges if contractor achieves Milestone 3 on or before completion of approved time limit including extension of time limit for reasons other than contractor's default.			
Advance Payment	5% of contract price against bank guarantee obtained from nationalized bank for 110% value (110% of mobilization advance value) in two installments.			
Advance against Materials	Not Applicable			
Insurance	For third party insurance, the minimum insurance cover for physical property, injury and death is Rs.10.00 lac per occurrence with the number of occurrences limited to Five. After each occurrence, contractor will pay additional premium necessary to make insurance valid for Five occurrences. The Contractor All Risk (CAR) policy with third party insurance shall be submitted for (1) - upto 5 years from the issue of final bill of contractor. Construction period and (2) Defect liability period			
Bid validity period	180 days from the bid submission date			

O AND M PERIOD:

PERFORMANCE TARGETS:

Definitions

- i. Water Loss: Scope in Water Supply shall include, the operation, maintenance and repairs of all existing and new assets created for the water supply under this project and to be kept in operation to deliver but also to keep water losses in established DMA's with in contractual limits. Bulk water supply by employer shall be measured at Inlet supply point of Elevated Service Reservoir (ESR) as System Input Volume (SI) or Bulk water Export/ Import point measured as Certified Export Meter. Water supply quantum shall be measured as all consumption at consumer end and export point or at the end of transfer point as applicable. The water loss is defined as difference between System Input volume & Certified Export point. However the bulk water import or export (if any) shall be adjusted through respective flow meters.
- ii. Continuous (24 x 7) Pressurized Water Supply means achieving and maintaining a continuous supply of water in respective DMA based on quantity of availability of bulk water at 7 m water column at consumer end, monitoring flow and pressure data including logging & data transfer with SCADA.
- iii. Measurement Points means the points on the project components at which the flow and or pressure measuring devices to measure and record one or multiple parameters with data logger would be installed which shall be mutually agreed by the Employer and the Contractor during the Design Construction period but should include all major and sub components and inlet and outlet points. The logger shall transfer the data to both Employers & Operators location through wireless communication without any human interface on 24/7 basis.

- iv. Potable Water Quality Operators obligations is limited to maintain the residual chlorine of 0.2 ppm at consumer end provided that RSCL/RMC shall supply Bulk Water at ESR outlet with minimum 0.5 ppm chlorine.

B. Performance Targets

The Operator must meet following Performance Targets on monthly basis:

- i.) Water Loss / NRW Level
- ii.) Continuous Pressured 24x7 Water Supply must be provided to the ESR's or Transfer Points
- iii.) Consumer Complaints

C. Methodology for Measurement of Performance:

The Contractor shall develop a robust methodology and framework for measurement and monitoring of Performance Standards stipulated under this clause and proposed as part of the Service Improvement Plan (SIP). The Employer shall review the same and upon agreement between the Parties, the agreed methodology shall form the basis for monitoring the performance of the Contractor and apply the Performance Payment.

D. Performance Measurement Protocol (NRW)

During performance measurement period it is not possible to measure to have simultaneous measurement within a DMA or multiple DMA. Therefore, for normalizing the readings, following, protocols will be followed;

Performance measurement will always be taken 12 noon to 12 noon of start date to 12 Noon of end Date on a particular day of a month as decided by Engineer for a period under consideration.

Measurement time gap for consumption or supply flow meter with DMA performance period, if any, in terms of days/ hrs or any other period under consideration shall normalize as per following corrections;

- a. Performance measurement period (Tp): is the duration in days / hrs. for which Contractor performance is assessed for performance measurement (Te-Ts)
- b. Initial Reading (R1): is the reading taken during start of time for performance period (Ts)
- c. Final reading (R2): is the reading taken during end of performance period (Te)
- d. Actual Performance period (Ta): is the duration / time of actual reading from Initial reading (R1)
- e. Normalizing Reading: is the correction of actual reading with respect to time gap if any, during performance period.
- f. Normalizing Formula:

$$= (R2-R1) \times (Tp/Ta)$$

$$= (R2-R1) \times [(Te-Ts) / Tm-Ts]$$

Where,

“Start time (Ts)” is the time of Initial Reading for Performance Measurement period (Tp) of DMA

“End Time (Te)” is the time of Final Reading at the end of Performance

Measurement period of DMA

“Actual Measurement Time (Tm)” is the time of actual measurement for respective consumption meter / or supply meter

“Actual Performance period (Ta)” means Tm-Ts in hrs./ day

Minimum Service Level Bench Mark.

Sr. No.	Indicator	Bench Mark Level
1	Continuity of supply	24 hours
2	Coverage	100%
3	Quality	Potable drinking water as per CPHEEO Manual
4	Minimum residual pressure at consumer end	7 m
5	Metering	100%
6	NRW	Upto 20%
7	Efficiency in redressal of customer complaint	95%

The technical services of O and M shall be paid in equal monthly installments for O and M period with penalties as detailed below.

PENALTIES:

Penalty for water losses for First year of O&M

- (a) The water losses up-to 40% will be allowed without any penalty or bonus.
- (b) For the losses in water quantity more than 40% but up to 42%, one and half times penalty of production cost
- Losses more than 42% to 44% - two times of production cost
 - Losses more than 44% to 50% - three times of production cost,
 - Losses above 50% - five times of production cost will be levied by Raipur Municipal Corporation.
 - Production cost will be considered @ INR 3/- per 1000 liter.

Penalty for water losses for Second year of O&M

- (a) The water losses upto 35% will be allowed without any penalty or bonus.
- (b) For the losses in water quantity more than 35% but up to 37%, one and half times penalty of production cost
- Losses more than 37% to 39% - two times of production cost
 - Losses more than 39% to 45% - three times of production cost,
 - Losses above 45% - five times of production cost will be levied by Raipur Municipal Corporation.
 - Production cost will be considered @ INR 3/- per 1000 liter.

Penalty for water losses from Third year to Fifth year of O&M

- (a) The water losses upto 20% will be allowed without any penalty or bonus.
- (b) For the losses in water quantity more than 20% but up to 22%, one and half times penalty of production cost
- Losses more than 22% to 25% - two times of production cost
 - Losses more than 25% to 30% - three times of production cost,
 - Losses above 30% - five times of production cost will be levied by Raipur Municipal Corporation.
 - Production cost will be considered @ INR 3/- per 1000 liter.

PRESSURE:

7m head at consumer end will be allowed without any penalty or bonus.

For Head less than 7 m a penalty of INR 5000/- per incident shall be levied.

Delay in provision of water connection.

Water connection should be completed in all respect within 7 (seven) days after approval given from RSCL/RMC. failing which penalty will be charged as below.

- (i) After 7 (seven) days, INR 1,000/- per day.
- (ii) If connection is not as per specification of the tender, penalty of INR 5,000/- for each connection.

Delay in replace/repairs of faulty meter.

- (i) All the faulty meters shall be repaired within 48 hours from the time of intimation. On failing to attend the complaint within 48 hours penalty of INR 250/- per day shall be levied from the Running Account Bill.
- (ii) The faulty meter shall be repaired in such a manner that there will be no complain of the same at least for 3 (three) months. If within three month the same meter will become faulty the same shall be repaired at free of cost by the contractor.

Delay of non-issue of bi-monthly bill to consumer.

At every even number of month, within the first week of the months contractor has to complete measurement reading, printing, sanction from approved authority, keeping all the bills ready to deliver to the consumer. In the second week of said month contractor should complete the delivery of all bills of water meter to the consumer. The proof of dispatch of bill / receipt note shall be submitted within third week of the same month to the Engineer-in-Charge.

If contractor fails to complete any activities mention above he will penalized INR 100/- per non-billing of each meter, for not issuing a bill bi-monthly.

Penalty for Not Submitting Demand / Recovery Statement / faulty meter detail / Temper Meter Detail, etc. within 10 days from the date of bill issue of billing cycle. Contractor will penalized INR 500 for each report.

Reading, billing complaint must be solved within 72 hrs from the receipt of complaint otherwise contractor will penalized INR 250 per complaint.

CUSTOMER CARE:

Customer complaints will be properly recorded at Operator office. Penalty will be calculated as: Complaint not solved within 2 workings days in all the area during the current month

Less than 10 complaints Unsolved	10 to 30 complaints unsolved	30 to 50 complaints unsolved	>50 complaints unsolved
0%	-2%	-5%	-10%

All penalties are calculated on the monthly execution bills presented by the Bidder/operator before any contractual or taxes retention. Penalty shall be calculated as per the formula (a). The O and M

bills shall be paid to the operator only on production of Monthly O and M report as detailed in Scope of work section.

Non attendance leakage in network.

If there is any type of leakage which is informed by RSCL/RMC staff to authorized person of contractor, it shall be repaired within 24 hours failing which, penalty will be charged as below.

- 24 to 48 hours INR 2,000/-
- 48 to 72 hours INR 3,000/-
- More than 72 hours INR 5,000/- for each day.

Note:- The Parameters given above should be measured/quantified by Third party agency in every three (3) months as part of the performance audit. The performance based payment will be linked to the outcome of the audit. Based on the audit result penalties will be calculated as per calculations enclosed in RFP.

SECTION VIII - FORMS OF SECURITY & CONTRACT FORMS

This Section contains forms which, once completed, will form part of the Contract. The forms for Performance Security and Advance Payment Security, when required, shall only be completed by the successful Bidder after contract award.

Table of Forms

UNDERTAKING ON EARNEST MONEY SURRENDER:

I/We hereby tender for carrying out “Work for 24 x 7 Water Supply System under Smart City Mission in Mor Raipur City Centre Area of Raipur Municipal Corporation including Refurbishment of existing network in ABD and Outer Area including all work of Mechanical, Electrical, SCADA, Household Connections, Consumer Water Meter Fittings work with three months trial run and post completion Management of 24 x 7 Water Supply in Smart City for a period of 5 years including 2 years defect liability period on DBO basis” (herein before and herein after referred to a client of the work) as specified in the memorandum & under Price-Bid showing items of work to be carried out within time specified therein and in accordance with all specifications, drawings and instructions in writing referred to in provisions under annexed conditions of contract under contract documents and agree that all materials of construction in the work are to be procured by us. GUARANTEE / SECURITY DEPOSIT**

(To be executed on Rs.100/- non-judicial Stamp Paper)

[On Appropriate Stamp Paper]

Bank Guarantee No. [

THIS DEED OF GUARANTEE is executed on this *[insert date]* day of *[insert month and year]* at *[insert place]* by *[insert name of bank]* with its head/registered office at *[insert address]*, (hereinafter referred to as the Guarantor, which expression shall unless it is repugnant to the subject or context thereof include successors and assigns)

IN FAVOUR OF:

RAIPUR SMART CITY LIMITED, a company incorporated under the (Indian) Companies Act, 2013, with its registered office at (hereinafter referred to as RSCL, which expression shall, unless it be repugnant to the context or meaning thereof, include its successors-in-title and permitted assigns);

WHEREAS:

(A) RSCL has entered into a contract for providing contracting services dated *[insert date]* (the Contract) with *[insert name of Contractor]*, a company/firm *[incorporated / registered]* under the *[insert name of the relevant statute under which the Contractor has been incorporated or registered, as the case may be]*, *[with its [registered/principal] office at []]* (hereinafter referred to as the Contractor, which expression shall, unless it be repugnant to the context or meaning thereof, include its successors-in-title and permitted assigns).

(B) In terms of the Contract, the Contractor has agreed to provide the Services for Work for 24 x 7 Water Supply System under Smart City Mission in Mor Raipur City Centre Area of Raipur Municipal Corporation including Refurbishment of existing network in ABD and Outer Area including all work of Mechanical, Electrical, SCADA, Household Connections, Consumer Water Meter Fittings work with three months trial run and post completion Management of 24 x 7 Water Supply in Smart City for a period of 5 years including 2 years defect liability period on DBO basis (the Area Based Development Project), to implement the Smart Cities Mission in Raipur, pursuant to the Request for Proposal dated [___] (referred to as the Tender) and other related documents including without limitation the draft Contract (collectively referred to as Bid Documents).

(C) In terms of the letter of award (the LOA) dated *[insert date]* issued by Client to the Contractor and Clause 51 of the Contract, the Contractor is required to furnish to RSCL, an unconditional, irrevocable, on demand bank guarantee for an amount equivalent to Rs.*[Insert amount equivalent to 10% of the Total Value of Contract]* (the Guaranteed Amount) as security for the due and punctual performance or discharge of the Contractor 's obligations and liabilities under the Contract.

(D) At the request of the Contractor and for sufficient consideration, the Guarantor has agreed to provide an unconditional, irrevocable and on-demand bank guarantee, for the due and punctual performance or discharge by the Contractor of its obligations and liabilities under the Contract.

NOW THEREFORE THIS DEED WITNESSETH AS FOLLOWS:

1. Capitalised terms used herein but not defined shall have the meaning ascribed to them in the Contract.

2. The Guarantor hereby irrevocably and unconditionally guarantees and secures, as primary obligor and not merely as guarantor, to RSCL the payment in full of all amount at any time that may be due, owing or payable to RSCL from the Contractor for the failure of the Contractor to duly and punctually perform all of its obligations under the Contract during the term (**Guarantee**), without any demur, reservation, protest or recourse, immediately on receipt of a demand from RSCL.

The Guarantee is given on consideration received from the Contractor (the receipt and sufficiency of which is hereby acknowledged).

The Guarantor agrees that the value of the Guarantee shall at all times maintained at the amount equivalent to the Guaranteed Amount. The Guarantor further agrees that this Guarantee does not limit the number of claims that may be made by RSCL against the Guarantor. Upon a payment being made under this Guarantee, the amount of the Guarantee shall automatically be replenished to the full Guaranteed Amount. Any payment made hereunder shall be made free and clear of and without deduction for, or on account of, any present or future Taxes, deductions or withholdings of any nature whatsoever and by whomsoever imposed, and where any withholding on a payment is required by any Applicable Law, the Guarantor shall comply with such withholding obligations and shall pay such additional amount in respect of such payment such that RSCL receives the full amount due hereunder as if no such withholding had occurred.

3. The Guarantor shall not go into the veracity of any breach or failure on the part of the Contractor or validity of demand so made by RSCL and shall pay the amount specified in the demand notwithstanding any direction to the contrary given or any dispute whatsoever raised by the Contractor or any other Person. The Guarantor's obligations hereunder shall subsist until all such demands are duly met and discharged in accordance with the provision hereof.

4. The obligations of the Guarantor herein are absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of the Contract or the insolvency, bankruptcy, re-organisation, dissolution or liquidation of the Contractor or any change in ownership of the Contractor or any purported assignment by the Contractor or any other circumstance whatsoever, which might otherwise constitute a discharge or defence of a guarantor or a surety.

Further, this Guarantee is in no way conditional upon any requirement that RSCL shall first attempt to procure the Guaranteed Amount from the Contractor or any other Person, or resort to any other means of obtaining payment of the Guaranteed Amount.

5. In order to give effect to this Guarantee, RSCL shall be entitled to treat the Guarantor as the principal debtor. The obligations of the Guarantor under this Guarantee shall not be affected by any act, omission, matter or thing which, but for this provision, would reduce, release or prejudice the Guarantor from any part of the Guaranteed Amount or prejudice or diminish the Guaranteed Amount in whole or in part, including, whether or not known to it, or RSCL:

(a) any time or waiver granted to, or composition with, the Contractor or any other Person;

(b) any incapacity or lack of powers, authority or legal personality of or dissolution or change in the status of the Contractor or any other Person;

(c) any variation of the Contract so that references to the Contract in this Guarantee shall include each variation;

(d) any unenforceability, illegality or invalidity of any obligation of any Person under the Contract or any unenforceability, illegality or invalidity of the obligations of the Guarantor under this Guarantee or the unenforceability, illegality or invalidity of the

obligations of any Person under any other document or Guarantee, to the extent that each obligation under this Guarantee shall remain in full force as a separate, continuing and primary obligation, and its obligations be construed accordingly, as if there was no unenforceability, illegality or invalidity;

(d) the partial or entire release of any Guarantor or other Person primarily or secondarily liable or responsible for the performance, payment or observance of any of the Contractor's obligations during the term of the Contract; or by any extension, waiver, or amendment whatsoever which may release a guarantor or the Guarantor, other than performance or indefeasible payment of the Guaranteed Amount; or

(f) any part performance of the Contract by the Contractor or by any failure by RSCL to timely pay or perform any of its obligations under the Contract.

1. If, and to the extent that for any reason the Contractor enters or threatens to enter into any proceedings in bankruptcy or re-organisation or otherwise, or if, for any other reason whatsoever, the performance or payment by the Contractor of the Guaranteed Amount becomes or may reasonably be expected to become impossible, then the Guaranteed Amount shall be promptly paid by the Guarantor to RSCL on demand.
 2. So long as any amount is due from the Contractor to RSCL, the Guarantor shall not exercise any right of subrogation or any other rights of a guarantor or enforce any guarantee or other right or claim against the Contractor, whether in respect of its liability under this Guarantee or otherwise, or claim in the insolvency or liquidation of the Contractor or any such other Person in competition with RSCL. If the Guarantor receives any payment or benefit in breach of this clause 7, it shall hold the same upon trust for RSCL.
 3. This Guarantee shall remain in full force and effect from the date hereof until 60 days beyond issuance of the Completion Certificate. Notwithstanding the foregoing, this Guarantee shall continue in effect until the sums payable under this Guarantee have been indefeasibly paid in full and the Guarantor receives written notice thereof from RSCL, such notice to be issued promptly upon such occurrence.
9. The Guarantor represents and warrants to RSCL that:
- (a) it has the power to execute, deliver and perform the terms and provisions of this Guarantee and has taken all necessary action to authorise the execution, delivery and performance by it of this Guarantee;
 - (d) The Guarantor has duly executed and delivered this Guarantee, and this Guarantee constitutes its legal, valid and binding obligation enforceable in accordance with its terms except as the enforceability thereof may be limited by applicable bankruptcy, insolvency, moratorium or other similar laws affecting the enforcement of creditors' rights generally and by general equitable principles.
 - (e) neither the execution, delivery or performance by the Guarantor of this Guarantee, nor compliance by it with the terms and provisions hereof will:
 - (i) contravene any material provision of any Applicable Law;
 - (ii) conflict or be inconsistent with or result in any breach of any of the material terms, Covenants, conditions or provisions of, or constitute a default under any agreement, contract or instrument to which the Guarantor is a party or by which it or any of its property or assets is bound; or
 - (i) violate any provision of the Guarantor's constituent documents;
 - (d) no order, consent, approval, license, authorisation or validation of, or filing, recording or registration with, except as have been obtained or made prior to the date hereof, or exemption by, any governmental or public body or authority, or any subdivision thereof,

is required to authorise, or is required in connection with: (i) the execution, delivery and performance of this Guarantee; or (ii) the legality, validity, binding effect or enforceability of this Guarantee; and

(e) this Guarantee will be enforceable when presented for payment to the Guarantor's branch in Raipur at [].

10. This Guarantee is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of RSCL in exercising any right, power or privilege hereunder and no course of dealing between RSCL and the Guarantor, or the Contractor, shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

11. The rights, powers and remedies expressly provided in this Guarantee are cumulative and not exclusive of any rights, powers or remedies which RSCL would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of RSCL to any other or further action in any circumstances without notice or demand.

12. If any one or more of the provisions contained in this Guarantee are or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby, and the Guarantor shall enter into good faith negotiations with RSCL to replace the invalid, illegal or unenforceable provision.

13. The Guarantor hereby agrees to execute and deliver all such instruments and take all such actions as may be necessary to make effective fully the purposes of this Guarantee.

14. This Guarantee may be executed in one or more duplicate counterparts, and when executed and delivered by the Guarantor and RSCL shall constitute a single binding agreement.

15. RSCL may assign or transfer all or any part of its interest herein to any other person With prior written notice to the Guarantor. The Guarantor shall not assign or transfer Any of its rights or obligations under this Guarantee.

16. All documents arising out of or in connection with this Guarantee shall be served:

- (a) Upon RSCL, at [*insert address*]; and
- (b) Upon the Guarantor, at [*insert address*].

17. Any demand, notice or communication would have been deemed to have been duly Served:

- (a) if delivered by hand, when left at the proper address of services; and
- (b) if given or made by pre-paid registered post or facsimile, when received.

18. Either party may change the above address by prior written notice to the other party.

19. This Guarantee shall be governed by, and construed in accordance with, the laws of India. The Guarantor irrevocably agrees that any dispute arising out of or relating to this Guarantee may be brought in the courts in Chhattisgarh.

IN WITNESS WHEREOF the Guarantor has set its hands hereunto on the day, month and year first hereinabove written.
