Last Submission date: 4 December, 2016.

Rules of Contest

- These contests are open for citizen of **Surat** city only.

- Particiants have to note that the contest is only for Retrofitting of elements of Street & Junction/Park. Retrofitting means upgradation of existing conditions of elements mentioned in the contest.

- All entries must be submitted on the MyGov website in the form of one PowerPoint file, with PDF version of the same file.

- Only those entries which are received on MyGov platform by the due date and time will be considered for appraisal.

- All entries will be screened for compliance with contest guidelines and requirements.

- While the audit reports will be shared with the competitors, they will abstain from disagreements or criticism of the audit reports.

- Entries with incomplete profiles would not be considered.

- The responsibility to comply with the guidelines and other conditions fully lies with the participant/participants and SSCDL shall not be liable for any dispute raised by a third party.

- SSCDL reserves the right to cancel or amend all or any part of the contest and/or the terms/condition without notice.

- Winners must have to submit high resolution images of design in case of free hand sketch and editable/open formats of design if prepared on digital platform.

- Winners must have to submit their identity and residential proofs.

- All contest designs, including those disqualified or rejected by the Jury, shall be Intellectual property of Surat Smart City Development Limited and the company shall have full rights to use the design for construction purpose anywhere in city at no cost whatsoever.

Eligibility

- Only citizens of Surat are eligible for these contests.
- Individual citizen, Individual group of peoples, groups, experts, professionals etc. are eligible.
- While any person may submit an entry, site visit is highly recommended.
- Any competitor can submit maximum one contest entry for each Part. The prize will be given to the author of the contest entry.
- Participants must provide their identity information in a title presentation sheet, which will be kept confidential and will not be shared with evaluators.

Evaluation Criteria

All jury members will review the submissions for the quality of their response and give the score out of 100 based on the following criteria. Average of scores will be calculated to decide the winning entry.
