Date: 31 October, 2022

Smart City Expo World Congress (SCEWC) – Keeping informed about your delegations' programme to Indian Embassy at Spain

11th edition of the Smart City Expo World Congress (SCEWC) is scheduled for 15th -17th November, 2022, at Barcelona, Spain.

2. State Governments and Smart City SPVs have been exploring to participate in the Expo and World Congress as per their convenience. All delegates and delegations, who are participating in the Expo and World Congress are advised to keep the Indian Embassy at Spain informed about the details of their programme without fail. This will enable smooth coordination and hassle free experience when in Spain.
