Dear Sir/Ma'am,

We, 'Brio Interactive Technologies Pvt. Limited' (A Sister Concern of Integral Computer Limited) have been focusing on revolutionary products with latest technologies trend which makes Teaching & Learning, Training & Presentation more Interactive, effective and world class.

We have already installed more than 20,000 classrooms across India including about 300 Classrooms for Air Force Schools, about 850 Classrooms CMS Schools Lucknow, about 100 MCD Schools in Delhi and many more.

Here we would like to introduce our two innovative products for your esteemed Organization :

1. All- In-One LED Interactive Flat Panel:

The Latest Technology product for the Conference Room, Meeting Room, Training Room, Classroom etc will enhance to Teaching/Learning/Presentation innovative & Productive.

No Projector, No Screen, No PC required, it just **BRIOTOUCH AIO LED Interactive Flat Panel.**

2. Digital Podium :

An innovative technology equipped digital podium for your lecture room, Classroom, Auditorium etc. With touch screen, integrated Computer system with PC with amplified speaker system, help speaker to deliver speeches more ease with digital effect.

The detailed Features and technical Specification of the above Products have been mentioned in the attached document.

We would like to seek an appointment with you to either meet in person and set up a demo to introduce you the Innovative BRIOTOUCH Interactive Flat Panel which will make you Teaching and Learning process very effective

Thanking you with regards,

Abhishek
