To be Centrally filled

8	Houseless households in the city	Number	Demography	Census	2011	Definition of Homeless as per Census 2011: Households which do not live in buildings or census houses but live in the open or roadside, pavements, in hume pipes, under fly-overs and staircases, or in the open in places of worship, mandaps, railway platforms, etc., are to be treated as Houseless households.	To be Centrally filled
9	Total number of establishments engaged in manufacturing in the city	Number	Economy	6th Economic Census	2013-14	An establishment is a unit situated in a single location in which predominantly one kind of entrepreneurial activity is carried out such that at least a part of the goods and / or services produced by the unit goes for sale (i.e. entire produce is not for sole consumption). Establishments may be located at residential or commercial EC house. This data point captures the number of establishments in a city in the Manufacturing sector.	To be Centrally filled
10	Total number of persons employed in manufacturing sector establishments in the city	Number	Economy	6th Economic Census	2013-14	Persons employed in the manufacturing sector establishments.	To be Centrally filled
11	Total number of establishments engaged in construction in the city	Number	Economy	6th Economic Census	2013-14	An establishment is a unit situated in a single location in which predominantly one kind of entrepreneurial activity is carried out such that at least a part of the goods and / or services produced by the unit goes for sale (i.e. entire produce is not for sole consumption). Establishments may be located at Residential or Commercial EC house. This data point captures the number of establishments in a city in the construction sector.	To be Centrally filled
12	Total number of persons employed in construction sector establishments in the city	Number	Economy	6th Economic Census	2013-14	Persons employed in the construction sector establishments	To be Centrally filled
13	Total number of establishments engaged in trade, repair, accomodation and food services in the city	Number	Economy	6th Economic Census	2013-14	An establishment is a unit situated in a single location in which predominantly one kind of entrepreneurial activity is carried out such that at least a part of the goods and / or services produced by the unit goes for sale (i.e. entire produce is not for sole consumption). Establishments may be located at residential or commercial EC house. This data point captures the number of establishments in a city. This data point includes whole sale trade, retail trade & repair of motor vehicles & motor cycles, whole sale trade (not covered in item previously), Retail trade (not covered in item previously), accomodation and food service activities.	To be Centrally filled
14	Total number of persons employed in activities relating to trade, repair, accomodation and food services	Number	Economy	6th Economic Census	2013-14	Persons employed in the trade, repair, accomodation and food sector establishments	To be Centrally filled

15	Total number of establishments engaged transport, storage, information and communication services	Number	Economy	6th Economic Census	2013-14	An establishment is a unit situated in a single location in which predominantly one kind of entrepreneurial activity is carried out such that at least a part of the goods and / or services produced by the unit goes for sale (i.e. entire produce is not for sole consumption). Establishments may be located at residential or commercial EC house. This data point captures the number of establishments in a city and includes transportation and storage and information & communication	To be Centrally filled
16	Total number of persons employed in activities transport, storage, information and communication services sector establishments in the city	Number	Economy	6th Economic Census	2013-14	Persons employed in the transport, storage, information and communication sector establishments	To be Centrally filled
17	Total number of establishments engaged in financial and insurance activities	Number	Economy	6th Economic Census	2013-14	An establishment is a unit situated in a single location in which predominantly one kind of entrepreneurial activity is carried out such that at least a part of the goods and / or services produced by the unit goes for sale (i.e. entire produce is not for sole consumption). Establishments may be located at residential or commercial EC house. This data point captures the number of establishments in a city in the financial sector.	To be Centrally filled
18	Total number of persons employed in financial and insurance services sector establishments in the city	Number	Economy	6th Economic Census	2013-14	Persons employed in the financial and insurance sector establishments	To be Centrally filled
19	Total number of establishments engaged in real estate activities	Number	Economy	6th Economic Census	2013-14	An establishment is a unit situated in a single location in which predominantly one kind of entrepreneurial activity is carried out such that at least a part of the goods and / or services produced by the unit goes for sale (i.e. entire produce is not for sole consumption). Establishments may be located at residential or commercial EC house. This data point captures the number of establishments in a city in the real estate sector.	To be Centrally filled
20	Total number of persons employed in activities relating to real estate activities	Number	Economy	6th Economic Census	2013-14	Persons employed in the real estate sector establishments.	To be Centrally filled
21	Total number of establishments engaged in electricity, gas, water supply and other utility services	Number	Economy	6th Economic Census	2013-14	An establishment is a unit situated in a single location in which predominantly one kind of entrepreneurial activity is carried out such that at least a part of the goods and / or services produced by the unit goes for sale (i.e. entire produce is not for sole consumption). Establishments may be located at residential or commercial EC house. This data point captures the number of establishments and Includes electricity, gas, steam and air conditioning supply; includes fields of Electricity, gas, steam and air conditioning supply Water supply, sewerage, waste management and remediation activities	To be Centrally filled

22	Total number of persons employed in electricity, gas, water supply and other utility services sector establishments in the city	Number	Economy	6th Economic Census	2013-14	Persons employed in the electricity, gas, water supply and other utility services sector establishments	To be Centrally filled
23	Total number of government schools providing universally accessible environment for persons with disability	Number	Education	Data from ULB and Education Department	2021	Definition as per Harmonised Guidelines and Standards for Universal Accessibility (2021) and, Harmonised Guidelines and Space Standards for Barrier Free Built Environment for Persons with Disability and Elderly Persons (2016) for construction before 2021. Rights of Persons with Disability Act - Section 16.	Audit Report from the District Disability Officer
24	Percentage of schools in the city (public and private) with playground area as per state government guidelines	Percentage	Education	Data from ULB and Education Department	2021	It refers to the (total number of public and private schools with playground as per applicable state government guidelines divided by total number of public/private schools) X 100	Certification provided by the DEO on the source and authenticity of the data along with an pdf sheet containing the data
25	Total value of Central Finance Commission grants received by the ULB for the 14th Finance Commission	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1. 1st April 2018 to 31st March 2019 2. 1st April 2019 to 31st March 2020 3. 1st April 2020 to 31st March 2021	The Finance Commission is constituted by the President under article 280 of the Constitution, mainly to give its recommendations on distribution of tax revenues between the Union and the States and amongst the States themselves. Commission also decides the share of taxes and grants to be given to the local bodies in states	Municipal budget/ accounts documents
26	Total value of Central Finance Commission grants received by the ULB for the 15th Finance Commission	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1st April 2020 to 31st March 2021	The Finance Commission is constituted by the President under article 280 of the Constitution, mainly to give its recommendations on distribution of tax revenues between the Union and the States and amongst the States themselves. Commission also decides the share of taxes and grants to be given to the local bodies in states	Municipal budget/ accounts documents
27	Other central grants received by the ULB	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1. 1st April 2018 to 31st March 2019 2. 1st April 2019 to 31st March 2020 3. 1st April 2020 to 31st March 2021	Other central grants include mission grants or any specific grants from the central government excluding central FC grants	Municipal budget/ accounts documents
28	Total value of State Finance Commission grants (SFC) received by the ULB	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1. 1st April 2018 to 31st March 2019 2. 1st April 2019 to 31st March 2020 3. 1st April 2020 to 31st March 2021	As per provisions of the 73rd and 74th Constitutional Amendment Acts, states appoints the State Finance Commissions. These commissions recommend to the state government regarding devolution of resources, grants-in-aid to local bodies; and suggest measures to improve the financial conditions of the local bodies.	Municipal budget/ accounts documents
29	Total value of state assigned revenue received by the ULB	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1st April 2020 to 31st March 2021	The term is used to refer to various tax/duty/cess/surcharge/levy etc., proceeds of which are collected by State Government (on behalf of) local bodies	Municipal budget/ accounts documents

30	Total revenue generated from the sale/ lease of municipal land	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1st April 2020 to 31st March 2021	Some land is held by municipal corporations, revenues from the sale or lease of which accrue to them	Municipal budget/ accounts documents
31	Total value of interest payments on loan made by the ULB	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1st April 2020 to 31st March 2021	Annual interest payment by the ULBs on the loan amount taken from State govt and Banks or other financial body	Municipal budget/ accounts documents
32	Total value of loan repayments (principal amount only) by the ULB	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1st April 2020 to 31st March 2021	Annual principal amount payment by the ULBs on the loan amount taken from State govt and Banks or other financial body	Municipal budget/ accounts documents
33	Total value of development works expenditure made by the ULB	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1st April 2020 to 31st March 2021	All development works expenditure includes capital investment on various projects at ULB level	Municipal budget/ accounts documents
34	Total value of operation and maintainence expenditure made by the ULB	Number (In Crore)	Finance	Municipal Authority, internal resigters and records	1st April 2020 to 31st March 2021	Expenditure undertaken by the ULBs other than salaries such as –expenditure on sanitation, public works and street lighting etc.	Municipal budget/ accounts documents
35	Is the city using GIS based property tax system?	Yes or No	Finance	Municipal Authority, internal resigters and records	2020-21	GIS-based systems enable Urban local bodies (ULBs) to have a record of properties accurately in line with the property tax jurisdictions of commercial, residential or industrial and provide a holistic view of taxable revenue stream	GIS based plan and approval
36	Are all government hospitals and health care centers universally accessible for all (including persons with disabilities, elderly, women, and children)?	Number	Health	Data from ULB and Health Department	2021	Definition as per Harmonised Guidelines and Standards for Universal Accessibility (2021) and, Harmonised Guidelines and Space Standards for Barrier Free Built Environment for Persons with Disability and Elderly Persons (2016) for construction before 2021.	Audit Report from the District Disability Officer
37	Maternal mortality in the city	Number	Health	Department of Health	1st Jan 2021 to 31st Dec 2021	Number of mothers dying due to pregnancy and/or delivery	Verification of maternal deaths
38	Infant mortality in the city	Number	Health	Registrar of Births & Deaths	1st Jan 2021 to 31st Dec 2021	Number of infants dying at birth/due to any cause in the first year of life	Death verification reports
39	Under-5 mortality in the city	Number	Health	Registrar of Births & Deaths	1st Jan 2021 to 31st Dec 2021	Number of children under 5 years of age dying due to any cause in the first five years of life	Death verification reports
40	Percentage of deaths in the city due to non-communicable diseases (NCDs)	Percentage	Health	Registrar of Births & Deaths	1st Jan 2021 to 31st Dec 2021	Non-communicable diseases (NCDs), also known as chronic diseases, are not passed from person to person. They are of long duration and generally slow progression. Common causes of deaths due to NCDs include deaths due to Cancer, Cardiovasuclar Diseases, Asthma, Chronic Respiratory Diseases, diabetes, kidney and liver diseases etc.	Death verification reports
41	Percentage of deaths in the city due to communicable diseases (CDs)	Percentage	Health	Registrar of Births & Deaths	1st Jan 2021 to 31st Dec 2021	Communicable, or infectious diseases, are caused by microorganisms such as bacteria, viruses, parasites and fungi that can be spread, directly or indirectly, from one person to another. Some are transmitted through bites from insects while others are caused by ingesting contaminated food or water.	Based on deaths registered
42	Number of deaths in the city due to road traffic accidents	Number	Health	National Crime Records Bureau	1st Jan 2021 to 31st Dec 2021	Deaths due to fatal road traffic accidents	Validated by National Crime Records Bureau/ Hospitals
43	Number of deaths reported in the city due to suicides	Number	Health	National Crime Records Bureau	1st Jan 2021 to 31st Dec 2021	Deaths due to suicides due to any method reported	Validated by National Crime Records Bureau/ Hospitals

44	Number of positive, notified tuberculosis cases in the city	Number	Health	Department of Health/ National TB Elimination programme (NTEP)	1st Jan 2021 to 31st Dec 2021	Old and new active TB cases during the year	Validated by National TB Elimination program (NTEP)
45	Percentage of notified tuberculosis cases in the city that are successfully treated	Percentage	Health	Department of Health/ NTEP	1st Jan 2021 to 31st Dec 2021	Percentage of TB cases successfully treated in the year out of those that are registered	Validated by National TB Elimination program (NTEP)
46	Number of HIV positive cases in the city	Number	Health	Department of Health/ NACP	1st Jan 2021 to 31st Dec 2021	Incidence of HIV cases in the city may include cases from rural areas as well as some neighbouring towns due to limited detection/treatment centers in those areas	Validated by National Aids Control Program
47	Number of HIV positive cases under treatment at ART centres in the city	Number	Health	Department of Health/ NACP	1st Jan 2021 to 31st Dec 2021	Antiretroviral Treatment (ART) centers are set up under National AIDS Control Programme in the city. Adherence to treatment of HIV/AIDS and survival	Validated by National Aids Control Program
48	Number of outbreaks/ epidemics of communicable diseases	Number	Health	IDSP, Department of Health	1st Jan 2021 to 31st Dec 2021	Outbreak is a sudden increase in occurrences of a disease when cases are in excess of normal expectancy for the location or season outbreaks/epidemics. These are identified through surveillance system under IDSP in the city	IDSP Data
49	Women who are overweight or obese (BMI ≥ 25.0 kg/m ²)	Percentage	Health	NFHS-4/ NFHS-5	2015-16 to 2019-21	Adult women with BMI>25 out of all adult women in the sample	Validated by community based survey
50	If the city has implemented the Cigarette and Other Tobacco Products Act (CoTPA)	Yes or No	Health	Department of Health	As of 31st Dec 2021	Steps have been taken in the city to enforce provisions under sections 4, 5, 6 and 7 of COTPA 2003. Section 4: Prohibition of smoking in the Public places. Section 5: Prohibition of advertisement, sponsorship and promotion of tobacco product. Section 6a: Prohibition of sale of tobacco products to minors. Section 6b: Prohibition of sale of tobacco products near educational institutions Section 7: Ban on sale of Tobacco product without pack warning.	
51	Primary immunization coverage	Percentage	Health	NFHS-4/ NFHS-5	2015-16 to 2019-21	% children 12-23 months old receiving all vaccines prescribed in first year	NFHS Data
52	Total number of ICU beds (government/ private)	Number	Health	Department of Health	As of 31st Dec 2021	Number of ICU beds in all government and private facilities per 1000 population	Lists/Maps showing all facilities
53	Number of functional ambulances (government/ private) in the city	Number	Health	Department of Health	As of 31st Dec 2021	Number of ambulances attached to all government and private hospitals and ambulances managed by all orgnaizations	Lists/Maps showing all facilities
54	Government spending under National Urban Health Mission (NUHM)	Number (INR in Crores)	Health	Department of Health	1st Apr 2020 to 31st Mar 2021	Amount (and %) spent under NUHM out of allocated budget in the years. Expenditure on health by ULB is different as the budget under NUHM flows through the Health Department that may not be under the ULB.	NHM Data
55	Multi-sectoral health steering group/ committee set up in the city	Yes or No	Health	ULB/Department of Health	As of 31st Dec 2021	Constitution of a body where multiple sectors (ULB, health department, ect) are represented to discuss health issues faced in the city	Government Notification

56	Number of review meetings held by multi-sectoral health steering group/ committee set up in the city	Number	Health	ULB/Department of Health	1st Jan 2021 to 31st Dec 2021	Number of review meetings of the steering group/committee organized in the city to discuss health issues	Government Notification
57	Average out of pocket expenditure on healthcare in notified slums	Number (INR)	Health	NSSO/NFHS/Department of Health	1st Apr 2020 to 31st Mar 2021	Average out of pocket expenditure incurred per capita by families on healthcare and related services	Survey Data
58	Is the city integrating health data with the ICCC?	Yes or No	Health	Smart City SPV	As of 31st Dec 2021	Data from health sector integrated with ICCC or not	Visualization at ICCC
59	Does the city have a health Management Information System (MIS)	Yes or No	Health	Department of Health	As of 31st Dec 2021	Presence and use of MIS for monitoring health/healthcare services	Visualization of MIS
60	Number of health and wellness centers (HWCs) established in the city under NUHM	Number	Health	Department of Health	As of 31st Dec 2021	Under Ayushman Bharat initiative, existing healthcare facilities were restructured and names as Health & Wellness Centers	
61	Total residential housing units (stock) in the city	Number	Housing	Census	2011	<p>Definition of residential housing unit as per Census, 2011</p> <p>A 'census house' is a building or part of a building used or recognized as a separate unit because of having a separate main entrance from the road or common courtyard or staircase etc. It may be occupied or vacant. It may be used for a residential or non- residential purpose or both.</p> <p>If a building has a number of flats or blocks/wings, which are independent of one another having separate entrances of their own from the road or a common staircase or a common courtyard leading to a main gate, these will be considered as separate Census houses.</p>	To be Filled Centrally
62	Total residential housing units (stock) in the city	Number	Housing	Property Tax Department, ULB	2020	<p>Definition of residential housing unit as per Census, 2011</p> <p>A 'census house' is a building or part of a building used or recognized as a separate unit because of having a separate main entrance from the road or common courtyard or staircase etc. It may be occupied or vacant. It may be used for a residential or non- residential purpose or both.</p> <p>If a building has a number of flats or blocks/wings, which are independent of one another having separate entrances of their own from the road or a common staircase or a common courtyard leading to a main gate, these will be considered as separate Census houses.</p>	Document with latest count needs to be uploaded to portal
63	Number of public agencies built housing units (ULB, Housing Board, Development Authority) sanctioned	Number	Housing	Building Permission Department, ULB/OBPAS portal	1st April 2020 to 31st March 2021	Housing units built by government agencies (ULB, Housing Board, Development Authority) for the purpose of selling. People buy them and reside.	Record or snapshot of portal
64	Number of private developer built housing units sanctioned	Number	Housing	Building Permission Department, ULB/OBPAS portal	1st April 2020 to 31st March 2021	Housing units built by a private developer, and then people buy them and move in.	Record or snapshot of portal

65	Number of self built housing units sanctioned	Number	Housing	Building Permission Department, ULB/OBPAS portal	1st April 2020 to 31st March 2021	Definition of self built housing: With self-building, the prospective home owner instigates the development of the home themselves, whether by purchasing a kit house, employing a design and build contractor, employing consultants (such as an architect) and a contractor, or managing the entire process and ordering all the goods and services required themselves. 66	Number of tenable slums	Number	Housing	ULB/Slum Department	as of 31st March 2021	Definition of tenable slums All slum pockets located on non-objectionable and non-hazardous sites as obtained from NBO formats. All slums settlements which do not fall within the definition of untenable settlements should be considered as tenable and fit for in-situ redevelopment / improvement.	Document with latest count needs to be uploaded to portal
67	Number of non-tenable slums	Number	Housing	ULB/Slum Department	as of 31st March 2021	Definition of non-tenable slums Slum pockets in the following locations may be considered as untenable 1. Major storm water drains, 2. Other drains, 3. Railway line 4. Major transport alignment, 5. River or water bodies Bank 6. River or water bodies Bed, 7. Others (Hazardous or Objectionable) including high tension lines However, slums on other drains may be examined for being included in the category of tenable slums depending on the exact location of the slum and the possibility of in-situ development through sustainable engineering solutions.	Document with latest count needs to be uploaded to portal
68	Total demand for housing units as per Demand survey conducted under PMAY	Number	Housing	PMAY/ULB	2016	Figures to be taken from the Housing Demand Survey conducted by cities under PMAY in 2016-17	To be Filled Centrally
69	Total number of housing units sanctioned under 4 verticals of PMAY	Number	Housing	PMAY	as of 31st March 2021	This includes the four verticals of CLSS, BLC, AHP and ISSR	To be Filled Centrally
70	Total number of housing units sanctioned under CLSS vertical of PMAY	Number	Housing	PMAY	as of 31st March 2021	Credit Linked Subsidy Scheme (CLSS): Beneficiaries of Economically Weaker Section (EWS)/Low Income Group (LIG), Middle Income Group (MIG)-I and Middle Income Group (MIG)-II seeking housing loans from Banks, Housing Finance Companies and other such institutions for acquiring, new construction or enhancement* of houses are eligible for an interest subsidy of 6.5%, 4% and 3% on loan amount upto Rs. 6 Lakh, Rs. 9 Lakh and Rs. 12 Lakh respectively.	To be Filled Centrally
71	Total number of housing units sanctioned under BLC vertical of PMAY	Number	Housing	PMAY	as of 31st March 2021	Beneficiary-led Individual House Construction: Central Assistance upto Rs. 1.5 lakh per EWS house is provided to eligible families belonging to EWS categories for individual house construction/enhancement.	To be Filled Centrally

72	Total number of housing units sanctioned under AHP vertical of PMAY	Number	Housing	PMAY	as of 31st March 2021	Affordable Housing in Partnership (AHP): Under AHP, Central Assistance of Rs. 1.5 Lakh per EWS house is provided by the Government of India. An affordable housing project can be a mix of houses for different categories but it will be eligible for Central Assistance, if at least 35% of the houses in the project are for EWS category.	To be Filled Centrally
73	Total number of housing units sanctioned under ISSR vertical of PMAY	Number	Housing	PMAY	as of 31st March 2021	In-situ Slum Redevelopment (ISSR): Central Assistance of Rs. 1 lakh per house is admissible for all houses built for eligible slum dwellers under the component of ISSR using land as Resource with participation of private developers. After redevelopment, de-notification of slums by State/UT Government is recommended under the guidelines.	To be Filled Centrally
74	Total number of housing units sanctioned under all government (state and city level) housing programmes except PMAY	Number	Housing	ULB/Housing Board	1st April 2017 to 31st March 2021	Many states have their own housing programmes, for example Rajasthan has Chief Minister's Jan Awas Yojana. This data point aims to capture the number of houses built under the respective state schemes, other than PMAY.	Record from the ULB/ Housing Board
75	Households living in dilapidated houses	Number	Housing	Census	2011	Definition of dilapidated houses as per Census 2011. Those houses which are showing signs of decay or those breaking down and require major repairs or those houses decayed or ruined and are far from being in conditions that can be restored or repaired may be considered as 'Dilapidated'.	To be Filled Centrally
76	Shape file of city with administrative and ward boundraies	Map	Housing	ULB	2021	To be collected one time only, unless city boundary has been expanded.	Shape file of city with administrative and ward boundraies
77	Total number of government establishments providing universally accessible environment for persons with disability	Number	Planning, Regulation & Preparedness	Data from ULB and Public Works Department	2021	Definition as per Harmonised Guidelines and Standards for Universal Accessibility (2021) and, Harmonised Guidelines and Space Standards for Barrier Free Built Environment for Persons with Disability and Elderly Persons (2016) for construction before 2021. Rights of Persons with Disability Act - Section no. 20 & 45.	Audit Report from the District Disability Officer
78	Are the building plan approval systems and state/city bye laws compliant to the Harmonised Guidelines?	Yes or No	Planning, Regulation & Preparedness	ULB and TCPO	2021	Harmonised Guidelines and Standards for Universal Accessibility (2021) Harmonised Guidelines and Space Standards for Barrier Free Built Environment for Persons with Disability and Elderly Persons (2016)	Audit Report from the District Disability Officer
79	Does the master plan/ city development plan include adequate provisions for persons with disabilities?	Yes or No	Planning, Regulation & Preparedness	Development Authority/TCPO	2021	Harmonised Guidelines and Standards for Universal Accessibility (2021) Harmonised Guidelines and Space Standards for Barrier Free Built Environment for Persons with Disability and Elderly Persons (2016)	Audit Report from the District Disability Officer
80	Percentage of slums with access to healthcare	Number	Planning, Regulation & Preparedness	Municipal Authority/ Department of Health	As of 31st Dec 2021	Percentage of notified slums that have healthcare infrastrcture (PHC, hospital) eaiter within the slum or atleast at 800 meters distance from the slum as per URDPFI guidelines	Lists/Maps showing all facilities

81	Number of functional Child Welfare Committees (CWC)	Number	Safety and Security	District Magistrate Office	2021	As per Section 27 (1) of The Juvenile Justice (Care and Protection of Children) Act, 2015, one or more Child Welfare Committee (CWC) is formed for every district. CWC is formed at district level. Functionality of CWC means the CWC is covering the criteria given in point number a & b. a) Section 27 (2): The committee is fully constituted with a Chairperson and 4 other members as the state government may think fit to appoint. b) Section 28 (1): The committee shall meet at least 20 days in a month. Remarks: Section 27 (8)-The District Magistrate shall conduct a quarterly review of the functioning of the committee.	Record from the District Magistrate Office
82	Number of cases in the city registered under the POCSO act	Number	Safety and Security	District Magistrate Office/ NCRB	2021	The related information is available with DM office, cities have to coordinate with DM office for this purpose. NCRB also collectes data related to offenses committed under the POCSO act 2012.	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication

212	Does the ULB have a land pooling law?	Yes or No	Planning, Regulation & Preparedness	Municipal Authority	March, 2021	Land pooling (LP) is a technique for managing the planned development of urban fringe lands, whereby a government agency consolidates a selected group of land parcels and then designs, services and subdivides them into a layout of streets, open spaces and serviced building plots, with the sale of some of the plots for cost recovery and the distribution of the remaining plots back to the landowners to develop or to sell for development.	Land pooling policy required as per guidelines is to be submitted Government order or gazette notification issued.
213	Is there a single-window clearance in place for building and construction projects (that take affirmative action like affordable housing)?	Yes or No	Planning, Regulation & Preparedness	Municipal Authority	March, 2021	Many ULBs/government departments have adopted single window system where applicant need not to visit different departments for clearance, all clearances are given from one window.	Supporting evidence required with declaration of Department head.
214	Total number of building plan violations in the ULB	Number	Planning, Regulation & Preparedness	Municipal Authority	1st April 2020 to 31st March 2021	It is a cumulative count of building plan violations done under municipal limits for given reference period.	Following documents to be mandatorily submitted: 1. Summary report of plan violation cases is to be submitted with compliance/ non compliance report. 2. 5 samples of photographic evidence of construction area under violation is to be submitted. 3. 5 sample of inspection report is to be submitted by inspecting authority at various stages during the construction.
215	Total number of building plans sanctioned by the ULB	Number	Planning, Regulation & Preparedness	Municipal Authority	1st April 2020 to 31st March 2021	It is a cumulative count of building plans sanctioned under municipal limits for given reference period.	Summary of Sanctioned plans to be submitted along with plans.
216	Total number of penalties levied on plan violations by the ULB	Number	Planning, Regulation & Preparedness	Municipal Authority	1st April 2020 to 31st March 2021	It is the amount of penalty levied on all the building plan violations.	Summary of penalties levied on plan violations
217	Total area of ULB land under encroachment	km sq	Planning, Regulation & Preparedness	Municipal Authority	March, 2021	When land is either used or interrupted by someone who doesn't have any right to that property, that is considered as land under encroachment. These may include slums, Parking and Un-licensed street vendors. Actual record with report is maintained by Planning department.	Detailed report on encroachment as on 31 st March 2021 is to be submitted. It should be duly signed by Town Planner.
218	Total number of ward committees in the ULB	Number	Planning, Regulation & Preparedness	Municipal Authority	March, 2021	Wards Committees represents one or more wards, within the territorial area of a Municipality. Chairperson of the ward committee is the councilor.	Wards wise list of Ward Committees with following details: Name of WCs, Name of President/Ward Councilor and Secretary and registered address & contact number
219	Total number of administrative wards of the ULB	Number	Planning, Regulation & Preparedness	Municipal Authority	March, 2021	A municipal corporation is divided into administrative wards for the purpose of proper governance and administration	Certified list of all administrative wards within the ULB
220	Has the city implemented any measures to promote green buildings?	YesorNo	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Any steps taken by the city for Inclusion of latest provisions of codes, regulations for green buildings at city level, formation of green building cell within city ULBs, availability of promotional/ penalty schemes to spur demand for green buildings, and formation of city level green building committee/ equivalent for stakeholder co-operation.	Not Applicable (Centrally Filled)

221	Has the city implemented the Inclusion of Part 11 of National Building Code (NBC 2016) and/or Energy Conservation Building Codes (ECBC 2017) & Eco-Niwas Samhita 2018 and/or minim level of green building rating systems notified in City Development Control Regulations (DCRs/GDCRs) and building rules/bye laws?	YesorNo	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)
222	Does the city have a functioning of Green building cell in ULB for the purpose of knowledge dissemination, creating public awareness, empanelling green building vendors, designing green building schemes and their promotions, verification and faster approvals for green buildings in the city?	YesorNo	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)
223	Does the city have promotional or penalty schemes available for code compliance, pre-certification, certification of green buildings?	YesorNo	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)
224	Does the city have a functioning high-level Green Building committee or equivalent, comprising of ULB's commissioner and representatives of ULB's green building cell, SPV, PMC, UDD, town planner, PWD, green building certification agencies, developers and building professional associations. The committee will provide strategic advice for the promotion and adoption of energy efficient and green buildings in the city?	YesorNo	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)
225	Total Built up area of Green Buildings in Industrial sector	m sq	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)
226	Total Built up area of Green Buildings in Residential sector	m sq	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)
227	Total Built up area of Green Buildings in Institutional sector	m sq	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)
228	Total Built up area of Green Buildings in Commercial sector	m sq	Planning, Regulation & Preparedness	IGBC / GRIHA / GBCI	As of Dec 2021	Not Applicable (Centrally Filled)	Not Applicable (Centrally Filled)

229	Has the city considered a climate action plan?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	City action planning is a process of developing a framework for identifying and implementing climate actions (mitigation as well as adaptation), which a city could undertake in conjunction with its developmental plans and policies to reduce its Greenhouse Gas (GHG) emissions and increase climate resilience.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head OR Copy of the action plan Map of vulnerable areas to climate change as a .kml file Map of encroachment as a .kml file (polygon geometry with optional attribute: area of encroachment)
230	Has the city prepared a climate action plan?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	'Climate Action Plan' provides local governments with an opportunity to address both climate change adaptation challenges and mitigation potential simultaneously. The Climate action plan process is based on the premise that mainstreaming of climate action planning is key to developing a vision of a climate resilient city. Hence it is encouraged that cities should prioritising climate action plans.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head OR Copy of the action plan Map of vulnerable areas to climate change as a .kml file Map of encroachment as a .kml file (polygon geometry with optional attribute: area of encroachment)
231	Has climate action plan been implemented in the city?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	The implementation of the strategic climate action plan should be supported by institutional reforms aimed at facilitating the process of turning the plan into concrete outputs and outcomes. It should have necessary financial, institutional and policy support and should have clear cut short and long term implementable action. Regular monitoring, reporting and verification (MRV) of the plan is essential to qualify and quantify the measures implemented for achieving accountability, and improved impact.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head OR Copy of the action plan Map of vulnerable areas to climate change as a .kml file Map of encroachment as a .kml file (polygon geometry with optional attribute: area of encroachment)
232	Does regular monitoring and streamlining of climate relevant actions happen in the city?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	Regular monitoring, reporting and verification (MRV) of the plan is essential to qualify and quantify the measures implemented for achieving accountability, and improved impact.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head OR Copy of the action plan Map of vulnerable areas to climate change as a .kml file Map of encroachment as a .kml file (polygon geometry with optional attribute: area of encroachment)
233	Has the city instituted a disaster management cell or emergency operation centre (EOC) within ULB?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body/ State Disaster Management Authority	As of Dec 2021	Institutionalizing a dedicated disaster management cell that can initiate basic disaster response actions, conducting assessments to understand their vulnerability, and taking actions for building resilience, besides establishing communication networks in case of emergency at a city level.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head OR Loss and Damage data and mockdrills conducted in past 5 years, along with answer to the question asked on portal

234	Has city prepared disaster management plan including ward-level hazard risk, vulnerability and capacity assessment along based on NDMA guideline?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body/ State Disaster Management Authority	As of Dec 2021	A city disaster management plan (CDMP) is the creation of actions through which the urban communities mitigate the risks of hazards. It is designed to enhance institutional and community resilience towards disasters and climate change on a city level. The plan is made in alignment with district disaster management plans but focuses specifically on urban challenges.	1. Hazard Risk, Vulnerability and Capacity Assessment document of city 2. City Disaster Management Plan (latest) incorporating HVCA
235	Does city prioritize rejuvenation and conservation of water bodies and open areas?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body/ State Disaster Management Authority	As of Dec 2021	In order to safeguard the urban environments the rejuvenation of waterbodies and open areas is significant to combat climate and water crises. The Cities priorities based on mapping, actions taken, institutional mechanisms of water bodies, open areas and heat islands.	Not Applicable
236	Has city mapped water bodies and open areas?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	Mapping of water bodies and open spaces aides in understanding the efforts taken, or are required to be taken, for the rejuvenation and conservation of the same. The spatial information provided by the maps not only helps in urban planning but also in monitoring the urban environment components during and after the implementation of initiatives.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head
237	Has city allocated any financial resources for rejuvenation and conservation of urban water bodies and open areas?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	The finances of the urban local bodies related to rejuvenation and conservation of urban water bodies and open areas should be considered. They can be categorised as conventional and Innovative financial mechanisms. While conventional mechanisms are the funds that are allocated generated through various sources, innovative mechanisms offer alternative routes to access funds for the implementation of the projects. Either of both the mechanisms will be helpful for succesful implementation of the project.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head
238	Is the city reviewing and monitoring urban water bodies and open areas and maintaining rejuvenated/conserved water bodies and open areas?	YesorNo	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	Setting up a monitoring system is essential to assess the changes in the context of urban water bodies and open spaces over a period of time. It entails collecting information in order to assess whether progress is made towards the envisaged results. It also gives the key stakeholders regular feedback and indicators of progress (or lack of) and therefore an opportunity to review the assumptions and strategies at key junctures to assess their validity.	1. To submit the template duly filled, signed and printed on the smart city or ULB letter head

239	Area of green cover	km sq	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	Green Cover, defined as natural or planted vegetation covering a certain area of terrain, functioning as protection against soil erosion, protecting the fauna, and balancing the temperature. For the purpose of this indicator, green areas are defined as man-made city level and zonal/ district level greens; and reserved/ protected areas as per MoHUA's Urban Green Guidelines, 2014 and protected areas under the Wildlife Protection Act, 1972.	1. Data for area of green cover within city to be filled in portal. 2. To submit the above data signed and printed on the smart city or ULB letter head AND Reporting on additional qualitative data (25 marks total) – 1. To submit the template duly filled, signed and printed on the smart city or ULB letter head (list of native tree species, tree density, tree canopy density, strategy for increasing Green Cover in the city) 2. .kml file or map PDF with green cover
240	Municipal area	km sq	Planning, Regulation & Preparedness	Urban Local Body	As of Dec 2021	The area of City administration is to be considered as Municipal Area.	1. Data for area municipal area to be filled in portal. 2. To submit the above data signed and printed on the smart city or ULB letter head
241	Total number of murders in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Murder (Sec 302 IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
242	Total number of attempt to murders in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Attempt to Commit Murder (Section 307 IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
243	Total number of culpable homicides in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Culpable Homicide not amounting to Murder (Sec 304 IPC), Attempt to Commit Culpable Homicide (Sec 308 IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
244	Total number of riots and arson in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Rioting (Sec 147 151 & 153A IPC), Robbery (Sec 392 to 394 IPC), Dacoity (Sec. 395 to 398 IPC), Arson (Sec 435 to 438 IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
245	Total number of foeticides and infanticides in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Infanticide (Section 315 IPC), Foeticide (Section 316 IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
246	Total number of grievous hurt cases in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Grievous Hurt (Sec 325,326, 326A & 326B IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
247	Total number of dowry deaths in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Dowry Deaths (Sec 304B IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
248	Total number of kidnapping and abduction cases in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Total number of cases registered with the Police department under Kidnapping & Abduction (Sec. 363 369 IPC)	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication

249	Total number of crimes recorded (FIRs) against women in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	All forms of violence against all women and girls in the public and private spheres, including trafficking, sexual and other types of exploitation.Total number of cases registered with the Police department under Rape (Sec. 376 IPC), Attempt to Commit Rape (Sec 376 r/w 511 IPC) and any other	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
250	Total number of crimes recorded (FIRs) against children in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Cases registered as offence committed on a victim under the age of 18 years is considered as a crime against children.	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
251	Total number of crimes recorded (FIRs) against elderly in the city	Number	Safety and Security	Police Department / NCRB	1st January 2020 to 31st December 2020	Cases registered as offence committed against a victim who has attained the age of 60 years or above, are considered to be crimes against senior citizens.	Official record of incidences duly certified by relevant authority / Relevant pages extracted from NCRB publication
