 4. Section 6 to 29 (Annexures) of RFP volume II
 5. RFP volume I

4. Scope of work

- 4.1. Scope of the work shall be as defined in **RFP Volume II** and Annexures thereto of the tender.
- 4.2. ASCDCL has engaged MSI to provide services related to implementation of *Aurangabad* Smart City solutions using which ASCDCL intends to perform its business operations. MSI is required to provide such goods, services and support as ASCDCL may deem proper and necessary, during the term of this Contract, and includes all such processes and activities which are consistent with the proposals set forth in the Bid, the Tender and this Contract and are deemed necessary by ASCDCL, in order to meet its business requirements (hereinafter 'scope of work').

5. Key Performance Measurements

- 5.1. Unless specified by ASCDCL to the contrary, MSI shall deliver the goods, perform the services and carry out the scope of work in accordance with the terms of this Contract, Scope of Work and the Service Specifications as laid down under Section C (Service Level Agreement) of this section.
- 5.2. If the Contract, scheduled requirements, service specification includes more than one document, then unless ASCDCL specifies to the contrary, the later in time shall prevail over a document of earlier date to the extent of any inconsistency.
- 5.3. ASCDCL reserves the right to amend any of the terms and conditions in relation to the Contract / Service Specifications and may issue any such directions which are not necessarily stipulated therein if it deems necessary for the fulfilment of the Schedule of Requirements.

6 Commencement and Progress

- 6.1.** MSI shall subject to the fulfillment of the conditions precedent above, commence the performance of its obligations in a manner as per the Scope of Work (RFP Volume II).
- 6.2.** MSI shall proceed to carry out the activities / services with diligence and expedition in accordance with any stipulation as to the time, manner, mode, and method of execution contained in this Contract.
- 6.3.** MSI shall be responsible for and shall ensure that all activities / services are performed in accordance with the Contract, Scope of Work and Service Specifications and that MSI's Team complies with such Specifications and all other standards, terms and other stipulations/conditions set out hereunder.
- 6.4.** MSI shall perform the activities / services and carry out its obligations under the Contract with due diligence, efficiency and economy, in accordance with generally accepted techniques and practices used in the industry and shall observe sound management, engineering and security practices. MSI shall always act, in respect of any matter relating to this Contract, as faithful advisors to ASCDCL and shall, at all times, support and safeguard ASCDCL's legitimate interests in any dealings with Third parties.

7. Standards of performance

- 7.1.** MSI shall perform the Services and carry out its obligations under the Contract with due diligence, efficiency and economy, in accordance with generally accepted techniques and best practices used in the industry and with IT standards recognized by international professional bodies and shall observe sound management, engineering and security practices. It shall employ appropriate advanced technology and engineering practices and safe and effective equipment, machinery, material and methods. MSI shall always act, in respect of any matter relating to the Contract, as faithful advisors to ASCDCL and shall, at all times, support and safeguard ASCDCL's legitimate interests in any dealings with Third Parties.

8. Approvals and Required Consents

- 8.1.** ASCDCL shall extend necessary support to MSI to obtain, maintain and observe all relevant and customary regulatory and governmental licenses, clearances and applicable approvals (hereinafter the “Approvals”) necessary for MSI to provide the Services. The costs of such Approvals shall be borne by MSI. Both parties shall give each other all co-operation and information reasonably.
- 8.2.** ASCDCL shall also provide necessary support to Bidder in obtaining the Approvals. In the event that any Approval is not obtained, MSI and ASCDCL shall co-operate with each other in achieving a reasonable alternative arrangement as soon as reasonably practicable for ASCDCL, to continue to process its work with as minimal interruption to its business operations as is commercially reasonable until such Approval is obtained, provided that MSI shall not be relieved of its obligations to provide the Services and to achieve the Service Levels until the Approvals are obtained if and to the extent that MSI 's obligations are dependent upon such Approvals.

9. Constitution of Consortium

- 9.1.** For the purposes of fulfillment of its obligations as laid down under the Contract, where ASCDCL deems fit and unless the contract requires otherwise, Prime Bidder shall be the sole point of interface for ASCDCL and would be absolutely accountable for the performance of its own, the other member of Consortium and/or its Team’s functions and obligations.
- 9.2.** The Consortium member has agreed that MSI is the prime point of contact between the Consortium member and ASCDCL and it shall be primarily responsible for the discharge and administration of all the obligations contained herein and, ASCDCL, unless it deems necessary shall deal only with MSI. MSI along with all consortium members shall be jointly and solely responsible for the project execution
- 9.3.** Without prejudice to the obligation of the Consortium member to adhere to and comply with the terms of this Contract, the Consortium member has executed and submitted a Power of Attorney in favor of MSI authorizing him to act for and on behalf of such member of the Consortium and do all acts as may be necessary for fulfillment of contractual obligations.

- 9.4.** ASCDCL reserves the right to review, approve and require amendment of the terms of the Consortium Contract or any contract or agreements entered into by and between the members of such Consortium and no such agreement/contract shall be executed, amended, modified and/or terminated without the prior written consent of ASCDCL. An executed copy of each of such agreements/contracts shall, immediately upon execution be submitted by MSI to ASCDCL.
- 9.5.** Where, during the term of this Contract, MSI terminates any contract/arrangement or agreement relating to the performance of Services, MSI shall be responsible and severally liable for any consequences resulting from such termination. MSI shall in such case ensure the smooth continuation of Services by providing a suitable replacement to the satisfaction of ASCDCL at no additional charge and at the earliest opportunity.

10. Bidder's Obligations

- 10.1.** MSI's obligations shall include all the activities as specified by ASCDCL in the Scope of Work and other sections of the Tender and Contract and changes thereof to enable ASCDCL to meet the objectives and operational requirements. It shall be MSI's responsibility to ensure the proper and successful implementation, performance and continued operation of the proposed solution in accordance with and in strict adherence to the terms of his Bid, the Tender and this Contract.
- 10.2.** In addition to the aforementioned, MSI shall provide services to manage and maintain the said system and infrastructure as mentioned in RFP Volume II
- 10.3.** ASCDCL reserves the right to interview the personnel proposed that shall be deployed as part of the project team. If found unsuitable, ASCDCL may reject the deployment of the personnel. But ultimate responsibility of the project implementation shall lie with MSI.
- 10.4.** ASCDCL reserves the right to require changes in personnel which shall be communicated to MSI. MSI with the prior approval of ASCDCL may make additions to the project team. MSI shall provide ASCDCL with the resume of Key Personnel and provide such other information as ASCDCL may reasonably require. ASCDCL also reserves the right to interview the personnel and reject, if found unsuitable. In case of change in its team members, for any reason whatsoever, MSI shall also ensure that the exiting members are replaced with at least equally qualified and professionally competent members.

- 10.5.** MSI shall ensure that none of the Key Personnel (refer Section 3.9 of the RFP Volume I proposed) and manpower exit from the project during first 6 months of the beginning of the project. In such cases of exit, a penalty of INR 2 lakhs per such replacement shall be imposed on MSI.
- 10.6.** MSI should submit profiles of only those resources who shall be deployed on the project. Any change of resource should be approved by ASCDCL and compensated with equivalent or better resource. ASCDCL may interview the resources suggested by MSI before their deployment on board. It does not apply in case of change requested by ASCDCL.
- 10.7.** In case of change in its team members, MSI shall ensure a reasonable amount of time overlap in activities to ensure proper knowledge transfer and handover / takeover of documents and other relevant materials between the outgoing and the new member.
- 10.8.** MSI shall ensure that MSI's Team is competent, professional and possesses the requisite qualifications and experience appropriate to the task they are required to perform under this Contract. MSI shall ensure that the services are performed through the efforts of MSI's Team, in accordance with the terms hereof and to the satisfaction of ASCDCL. Nothing in this Contract relieves MSI from its liabilities or obligations under this Contract to provide the Services in accordance with ASCDCL's directions and requirements and as stated in this Contract and the Bid to the extent accepted by ASCDCL and MSI shall be liable for any non-performance, non-compliance, breach or other loss and damage resulting either directly or indirectly by or on account of its Team.
- 10.9.** MSI shall be fully responsible for deployment / installation / development/ laying of network fiber and integration of all the software and hardware components and resolve any problems / issues that may arise due to integration of components.
- 10.10.** MSI shall ensure that the OEMs supply equipment/ components including associated accessories and software required and shall support MSI in the installation, commissioning, integration and maintenance of these components during the entire period of contract. MSI shall ensure that the COTS OEMs supply the software applications and shall support MSI in the installation / deployment, integration, roll-out and maintenance of these applications during the entire period of contract. It must clearly be understood by MSI that warranty and O&M of the system, products and services incorporated as part of system would commence from the day of Go-Live of system as a complete Smart city solutions including all the solutions proposed. MSI would be required to explicitly display that he/ they have a back to back arrangement for provisioning of warranty/ O&M support till the end of contract period with the relevant OEMs. The annual maintenance support shall include patches and updates the software, hardware components and other devices.

- 10.11.** All the software licenses that MSI proposes should be perpetual software licenses. The software licenses shall not be restricted based on location and ASCDCL should have the flexibility to use the software licenses for other requirements if required.
- 10.12.** All the OEMs that Bidder proposes should have Dealer possession licenses.
- 10.13.** ASCDCL reserves the right to review the terms of the Warranty and Annual Maintenance agreements entered into between MSI and OEMs and no such agreement/contract shall be executed, amended, modified and/or terminated without the prior written consent of ASCDCL. An executed copy of each of such agreements/contracts shall, immediately upon execution be submitted by MSI to ASCDCL.
- 10.14.** MSI shall ensure that none of the components and sub-components is declared end-of-sale or end-of-support by the respective OEM at the time of submission of bid. If the OEM declares any of the products/ solutions end-of-sale subsequently, the MSI shall ensure that the same is supported by the respective OEM for contract period.
- 10.15.** If a product is de-supported by the OEM for any reason whatsoever, from the date of Acceptance of the System till the end of contract, MSI should replace the products/ solutions with an alternate that is acceptable to ASCDCL at no additional cost to ASCDCL and without causing any performance degradation.
- 10.16.** The Licenses will be in the name of ASCDCL only.
- 10.17.** MSI shall ensure that the OEMs provide the support and assistance to MSI in case of any problems / issues arising due to integration of components supplied by him with any other component(s)/ product(s) under the purview of the overall solution. If the same is not resolved for any reason whatsoever, MSI shall replace the required component(s) with an equivalent or better substitute that is acceptable to ASCDCL without any additional cost to ASCDCL and without impacting the performance of the solution in any manner whatsoever.
- 10.18.** MSI shall ensure that the OEMs for hardware servers/equipment supply and/or install all type of updates, patches, fixes and/or bug fixes for the firmware or software from time to time at no additional cost to ASCDCL.
- 10.19.** MSI shall ensure that the OEMs for hardware servers/ equipment or Bidder's trained engineers conduct the preventive maintenance on a Quarterly basis and break-fix maintenance in accordance with the best practices followed in the industry. MSI shall ensure that the documentation and training services associated with the components shall be provided by the OEM partner or OEM's certified training partner without any additional cost to ASCDCL.
- 10.20.** The training has to be conducted using official OEM course curriculum mapped with the hardware / Software Product's to be implemented in the project.

10.21. MSI and their personnel/representative shall not alter / change / replace any hardware component proprietary to ASCDCL and/or under warranty or O&M of third party without prior consent of ASCDCL.

10.22. MSI shall provision the required critical spares/ components at the designated Datacenter Sites / office locations of ASCDCL for meeting the uptime commitment of the components supplied by him.

10.23. MSI's representative(s) shall have all the powers requisite for the execution of scope of work and performance of services under this contract. MSI's representative(s) shall liaise with ASCDCL's representative for the proper coordination and timely completion of the works and on any other matters pertaining to the works. MSI shall extend full co-operation to ASCDCL's representative in the manner required by them for supervision/ inspection/ observation of the equipment/ goods/ material, procedures, performance, progress, reports and records pertaining to the works. He shall also have complete charge of MSI's personnel engaged in the performance of the works and to ensure compliance of rules, regulations and safety practice. He shall also cooperate with the other Service Providers/Vendors of ASCDCL working at ASCDCL's office locations & field locations and DC & DR sites. Such Bidder's representative(s) shall be available to ASCDCL's Representative at respective Datacenter during the execution of works.

10.24. MSI shall be responsible on an ongoing basis for coordination with other vendors and agencies of ASCDCL in order to resolve issues and oversee implementation of the same. MSI shall also be responsible for resolving conflicts between vendors in case of borderline integration issues.

10.25. MSI is expected to set up a project office in *Aurangabad*. The technical manpower deployed on the project should work from the same office. However, some resources may be required to work from the client office during the contract period.

10.26. Access to Sites

10.26.1. Sites would include Network Operating Center (NOC), Server Room, Command and Control Center and City Operation Center

10.26.2. ASCDCL's representative upon receipt of request from MSI intimating commencement of activities at various locations shall give to MSI access to as much of the Sites as may be necessary to enable MSI to commence and proceed with the installation of the works in accordance with the program of work. Any reasonable proposal of MSI for access to Site to proceed with the installation of work in accordance with the program of work shall be considered for approval and shall not be unreasonably withheld by ASCDCL.

Such requests shall be made to ASCDCL's representative in writing at least 7 days prior to start of the work.

10.26.3. At the site locations, ASCDCL's representative shall give to MSI access to as much as may be necessary to enable MSI to commence and proceed with the installation of the works in accordance with the program of work or for performance of Facilities Management Services.

10.27. Start of Installation

10.27.1. Bidder shall co-ordinate with ASCDCL and stakeholders for the complete setup of sites before commencement of installation of other areas as mentioned in of the RFP Volume II document. MSI shall also co-ordinate regarding Network / Bandwidth connectivity in order to prepare the installation plan and detailed design / architectural design documents.

10.27.2. As per TRAI guidelines, resale of bandwidth connectivity is not allowed. In such a case, tripartite agreement should be formed between ASCDCL, selected Bidder and Internet Service Provider(s).

10.27.3. The plan and design documents thus developed shall be submitted by MSI for approval by ASCDCL.

10.27.4. After obtaining the approval from ASCDCL, MSI shall commence the installation.

10.28. Reporting Progress

10.28.1. MSI shall monitor progress of all the activities related to the execution of this contract and shall submit to ASCDCL, progress reports with reference to all related work, milestones and their progress during the implementation phase.

10.28.2. Formats for all above mentioned reports and their dissemination mechanism shall be discussed and finalized along with project plan. ASCDCL on mutual agreement between both parties may change the formats, periodicity and dissemination mechanism for such reports.

10.28.3. Periodic meetings shall be held between the representatives of ASCDCL and MSI once in every 15 days during the implementation phase to discuss the progress of implementation. After the implementation phase is over, the meeting shall be held as an ongoing basis, as desired by ASCDCL, to discuss the performance of the contract.

10.28.4. MSI shall ensure that the respective solution teams involved in the execution of work are part of such meetings.

10.28.5. Several review committees involving representative of ASCDCL and senior officials of MSI shall be formed for the purpose of this project. These

committees shall meet at intervals, as decided by ASCDCL later, to oversee the progress of the implementation.

- 10.28.6.** All the goods, services and manpower to be provided / deployed by MSI under the Contract and the manner and speed of execution and maintenance of the work and services are to be conducted in a manner to the satisfaction of ASCDCL's representative in accordance with the Contract.
- 10.28.7.** ASCDCL reserves the right to inspect and monitor/ assess the progress/ performance of the work / services at any time during the course of the Contract. ASCDCL may demand and upon such demand being made, MSI shall provide documents, data, material or any other information which ASCDCL may require, to enable it to assess the progress/ performance of the work / service.
- 10.28.8.** At any time during the course of the Contract, ASCDCL shall also have the right to conduct, either itself or through another agency as it may deem fit, an audit to monitor the performance by MSI of its obligations/ functions in accordance with the standards committed to or required by ASCDCL and MSI undertakes to cooperate with and provide to ASCDCL/ any other agency appointed by ASCDCL, all Documents and other details as may be required by them for this purpose. Such audit shall not include Bidder's books of accounts.
- 10.28.9.** Should the rate of progress of the works or any part of them at any time fall behind the stipulated time for completion or is found to be too slow to ensure completion of the works by the stipulated time, or is in deviation to Tender requirements/ standards, ASCDCL's representative shall so notify MSI in writing.
- 10.28.10.** MSI shall reply to the written notice giving details of the measures he proposes to take to expedite the progress so as to complete the works by the prescribed time or to ensure compliance to RFP requirements. MSI shall not be entitled to any additional payment for taking such steps. If at any time it should appear to ASCDCL or ASCDCL's representative that the actual progress of work does not conform to the approved plan MSI shall produce at the request of ASCDCL's representative a revised plan showing the modification to the approved plan necessary to ensure completion of the works within the time for completion or steps initiated to ensure compliance to the stipulated requirements
- 10.28.11.** The submission seeking approval by ASCDCL or ASCDCL's representative of such plan shall not relieve MSI of any of his duties or responsibilities under the Contract.
- 10.28.12.** In case during execution of works, the progress falls behind schedule or does not meet the Tender requirements, MSI shall deploy extra manpower/ resources to

make up the progress or to meet the RFP requirements. Plan for deployment of extra man power/ resources shall be submitted to ASCDCL for its review and approval. All time and cost effect in this respect shall be borne, by MSI within the contract value.

10.29. Knowledge of Network Operations Center (NOC), Server Room, Command and Control Center, City Operation Center

10.29.1. MSI shall be granted access to the Network Operations Center (NOC), Server Room, Command and Control Center, City Operation Center for inspection by ASCDCL before commencement of installation. The plan shall be drawn mutually at a later stage.

- 31.5. MSI must acknowledge that ASCDCL's business data and other ASCDCL proprietary information or materials, whether developed by ASCDCL or being used by ASCDCL pursuant to a license agreement with a third party (the foregoing collectively referred to herein as "proprietary information") are confidential and proprietary to ASCDCL; and MSI along with its team agrees to use reasonable care to safeguard the proprietary information and to prevent the unauthorized use or disclosure thereof, which care shall not be less than that used by MSI to protect its own proprietary information. MSI recognizes that the goodwill of ASCDCL depends, among other things, upon MSI keeping such proprietary information confidential and that unauthorized disclosure of the same by MSI or its team could damage the goodwill of ASCDCL, and that by reason of MSI's duties hereunder. MSI may come into possession of such proprietary information, even though MSI does not take any direct part in or furnish the services performed for the creation of said proprietary information and shall limit access thereto to employees with a need to such access to perform the services required by this agreement. MSI shall use such information only for the purpose of performing the said services.
- 31.6. MSI shall, upon termination of this agreement for any reason, or upon demand by ASCDCL, whichever is earliest, return any and all information provided to MSI by ASCDCL, including any copies or reproductions, both hardcopy and electronic.
- 31.7. By virtue of the Contract, MSI team may have access to personal information of ASCDCL and/or a third party. ASCDCL has the sole ownership of and the right to use, all such data in perpetuity including any data or other information pertaining to the citizens that may be in the possession of MSI team in the course of performing the Services under the Contract

32. Records of contract documents

- 32.1. MSI shall at all-time make and keep sufficient copies of the process manuals, operating procedures, specifications, Contract documents and any other documentation for him to fulfil his duties under the Contract.
- 32.2. MSI shall keep on the Site at least three copies of each and every specification and Contract Document, in excess of his own requirement and those copies shall be available at all times for use by ASCDCL's Representative and by any other person authorized by ASCDCL's Representative.

33. Security and Safety

- 33.1. MSI shall comply with the directions issued from time to time by ASCDCL and the standards related to the security and safety, in so far as it applies to the provision of the Services.
- 33.2. MSI shall upon reasonable request by ASCDCL, or its nominee(s) participate in regular meetings when safety and information technology security matters are reviewed.

34. Confidentiality

- 34.1. MSI shall not, either during the term or after expiration of this Contract, disclose any proprietary or confidential information relating to the Services/Contract and/or ASCDCL's business/ operations, information, Application/software, hardware, business data, architecture schematics, designs, storage media and other information / documents without the prior written consent of ASCDCL.
- 34.2. ASCDCL reserves the right to adopt legal proceedings, civil or criminal, against MSI in relation to a dispute arising out of breach of obligation by MSI under this clause.
- 34.3. MSI shall do everything reasonably possible to preserve the confidentiality of the Confidential Information including execution of a confidentiality agreement with ASCDCL to the satisfaction of ASCDCL.
- 34.4. MSI shall notify ASCDCL promptly if it is aware of any disclosure of the Confidential Information otherwise than as permitted by the Contract or with ASCDCL of ASCDCL.
- 34.5. MSI shall be liable to fully recompense ASCDCL for any loss of revenue arising from breach of confidentiality.

35. Events of Default by MSI

The failure on the part of MSI to perform any of its obligations or comply with any of the terms of this Contract shall constitute an Event of Default on the part of MSI. The events of default are but not limited to:

- 35.1. MSI's Team has failed to perform any instructions or directives issued by ASCDCL which it deems proper and necessary to execute the scope of work or provide services under the Contract, or
- 35.2. MSI's Team has failed to confirm / adhere to any of the key performance indicators as laid down in the Key Performance Measures / Service Levels, or if MSI has fallen short of matching such standards / benchmarks / targets as ASCDCL may have designated with respect to the system or any goods, task or service, necessary for the execution of the scope of work and performance of services under this Contract. The above mentioned failure on the part of MSI may be in terms of failure to adhere to performance, quality, timelines, specifications, requirements or any other criteria as defined by ASCDCL;
- 35.3. MSI has failed to remedy a defect or failure to perform its obligations in accordance with the specifications issued by ASCDCL, despite being served with a default notice which laid down the specific deviance on the part of MSI/ MSI's Team to comply with any stipulations or standards as laid down by ASCDCL; or
- 35.4. MSI/ MSI's Team has failed to adhere to any amended direction, instruction, modification or clarification as issued by ASCDCL during the term of this Contract and which ASCDCL deems proper and necessary for the execution of the scope of work under this Contract;
- 35.5. MSI/ MSI's Team has failed to demonstrate or sustain any representation or warranty made by it in this Contract, with respect to any of the terms of its Bid, the RFP and this Contract;
- 35.6. There is a proceeding for bankruptcy, insolvency, winding up or there is an appointment of receiver, liquidator, assignee, or similar official against or in relation to MSI;
- 35.7. MSI's Team has failed to comply with or is in breach or contravention of any applicable laws.

Where there has been an occurrence of such defaults inter alia as stated above, ASCDCL shall issue a notice of default to MSI, setting out specific defaults / deviances / omissions / non-compliances / non-performances and providing a notice of thirty (30) days to enable such defaulting party to remedy the default committed.

Where despite the issuance of a default notice to MSI by ASCDCL, MSI fails to remedy the default to the satisfaction of ASCDCL, ASCDCL may, where it deems fit, issue to the defaulting party another default notice or proceed to contract termination.

36. Termination

ASCDCL may, terminate this Contract in whole or in part by giving MSI a prior and written notice indicating its intention to terminate the Contract under the following circumstances:

- 36.1. Where ASCDCL is of the opinion that there has been such Event of Default on the part of MSI / MSI's Team which would make it proper and necessary to terminate this Contract and may include failure on the part of MSI to respect any of its commitments with regard to any part of its obligations under its Bid, the RFP or under this Contract.
- 36.2. Where it comes to ASCDCL's attention that MSI (or MSI's Team) is in a position of actual conflict of interest with the interests of ASCDCL, in relation to any of terms of MSI's Bid, the RFP or this Contract.
- 36.3. Where MSI's ability to survive as an independent corporate entity is threatened or is lost owing to any reason whatsoever, including inter-alia the filing of any bankruptcy proceedings against MSI, any failure by MSI to pay any of its dues to its creditors, the institution of any winding up proceedings against MSI or the happening of any such events that are adverse to the commercial viability of MSI. In the event of the happening of any events of the above nature, ASCDCL shall reserve the right to take any steps as are necessary, to ensure the effective transition of the sites pilot site to a successor agency, and to ensure business continuity
- 36.4. Termination for Insolvency: ASCDCL may at any time terminate the Contract by giving written notice to MSI, without compensation to MSI, if MSI becomes bankrupt or otherwise insolvent, provided that such termination shall not prejudice or affect any right of action or remedy which has accrued or shall accrue thereafter to ASCDCL.
- 36.5. MSI may, subject to approval by ASCDCL, terminate this Contract before the expiry of the term by giving ASCDCL a prior and written notice at least 3 months in advance indicating its intention to terminate the Contract.

37. Consequence of Termination

- 37.1. In the event of termination of the Contract due to any cause whatsoever, whether consequent to the stipulated Term of the Contract or otherwise ASCDCL shall be entitled to impose any such obligations and conditions and issue any clarifications as may be necessary to ensure an efficient transition and effective business continuity of the project which MSI shall be obliged to comply with and take all available steps to minimize loss resulting from that termination/breach, and further allow and provide all such assistance to ASCDCL and/ or the successor agency/ service provider, as may be required, to take over the obligations of MSI in relation to the execution/continued execution of the requirements of the Contract.
- 37.2. Where the termination of the Contract is prior to its stipulated term on account of a Default on the part of MSI or due to the fact that the survival of MSI as an independent corporate entity is threatened/has ceased, or for any other reason, whatsoever, ASCDCL, through unilateral re-determination of the consideration payable to MSI, shall pay MSI for that part of the Services which have been authorized by ASCDCL and satisfactorily performed by MSI up to the date of termination. Without prejudice to any other rights, ASCDCL may retain such amounts from the payment due and payable by ASCDCL to MSI as may be required to offset any losses caused to ASCDCL as a result of any act/omissions of MSI. In case of any loss or damage due to default on the part of MSI in performing any of its obligations with regard to executing the Schedule of Requirements under the contract, MSI shall compensate ASCDCL for any such loss, damages or other costs, incurred by ASCDCL. Additionally, members of its team shall perform all its obligations and responsibilities under the Contract in an identical manner as were being performed before the collapse of MSI as described above in order to execute an effective transition and to maintain business continuity. All third parties shall continue to perform all/any functions as stipulated by ASCDCL and as may be proper and necessary to execute the Schedule of Requirements under the Contract in terms of MSI's Bid, the Bid Document and the Contract.
- 37.3. Nothing herein shall restrict the right of ASCDCL to invoke the Bank Guarantee and other Guarantees furnished hereunder and pursue such other rights and/or remedies that may be available to ASCDCL under law.
- 37.4. The termination hereof shall not affect any accrued right or liability of either Party nor affect the operation of the provisions of the Contract that are expressly or by implication intended to come into or continue in force on or after such termination.

38.Change Control Note (CCN)

- 38.1. This applies to and describes the procedure to be followed in the event of any proposed change to contract, site Implementation, and Service levels. Such change shall include, but shall not be limited to, changes in the scope of services provided by MSI and changes to the terms of payment.
- 38.2. Change requests in respect of the contract, the site implementation, or the Service levels shall emanate from the Parties' representative who shall be responsible for obtaining approval for the change and who shall act as its sponsor throughout the Change Control Process and shall complete Part A of the CCN. CCNs shall be presented to the other Party's representative who shall acknowledge receipt by signature of the authorized representative of ASCDCL.
- 38.3. MSI and ASCDCL while preparing the CCN, shall consider the change in the context of whether the change is beyond the scope of Services including ancillary and concomitant services required. The CCN shall be applicable for the items which are beyond the stated/implied scope of work as per the RFP document.
- 38.4. MSI shall assess the CCN and complete Part B of the CCN. In completing Part B of the CCN SI/Lead Bidder shall provide as a minimum:
- a description of the change;
 - a list of deliverables required for implementing the change;
 - a timetable for implementation;
 - an estimate of any proposed change;
 - any relevant acceptance criteria;
 - an assessment of the value of the proposed change;
 - Material evidence to prove that the proposed change is not already covered within the scope of the RFP, Agreement and Service Levels.
- 38.5. Prior to submission of the completed CCN to ASCDCL or its nominated agencies, MSI shall undertake its own internal review of the proposal and obtain all necessary internal approvals. As a part of this internal review process, MSI shall consider the materiality of the proposed change in the context of the Agreement, the sites, Service levels affected by the change and the total effect that may arise from implementation of the change.
- 37.1. Each Party shall be responsible for its own costs incurred in the quotation, preparation of CCNs and in the completion of its obligations described in this process provided MSI meets the obligations as set in the CCN. In the event MSI is unable to meet the obligations as defined in the CCN then the cost of getting it done by third party shall be borne by MSI. Change requests and CCNs shall be reported monthly to each Party's representative who shall prioritize and review progress.

C. SERVICE LEVELS

39. Purpose

39.1. The purpose is to define the levels of service provided by MSI to ASCDCL for the duration of the contract. The benefits of this are:

39.1.1. Start a process that applies to ASCDCL and MSI attention to some aspect of performance, only when that aspect drops below the threshold defined by ASCDCL

39.1.2. Help ASCDCL control the levels and performance of MSI's services

39.2. The Service Levels are between ASCDCL and MSI.

40 Service Level Agreements & Targets

40.1. This section is agreed to by ASCDCL and MSI as the key performance indicator for the project. This may be reviewed and revised according to the procedures detailed in Clause 45 SLA Change Control.

40.2. The following section reflects the measurements to be used to track and report system's performance on a regular basis. The targets shown in the following tables are for the period of contact.

40.3. The procedures in Clause 45 shall be used if there is a dispute between ASCDCL and MSI on what the permanent targets should be.

41. General principles of Service Level Agreements

The Service Level agreements have been logically segregated in the following categories:

41.1. **Liquidated Damages**

The liquidated damages shall come into effect once the notification of Award has been issued by ASCDCL. It would be mainly applicable on the implementation phase of the project.

41.2. **Service Level Agreement**

SLA would be applicable in operations and maintenance phase of the project. The penalties shall be applicable on Operations & Maintenance cost of the project calculated quarterly. SLA would be applicable on:

- City Communication Network - Network as a Service
- Command and Control Centre (CCC) for Police
- City Operation Command Centre (OCC) for AMC
- CCTV based City Surveillance System
- Biometric Attendance & IP based Communication System
- Smart Transport System & Smart Bus Stops
- City Wi-Fi Spots
- Digital Display Signage and Interactive Signage
- ICT Enabled Solid Waste Management
- Smart Traffic Management System
- Aurangabad Citizen Mobile Application & Website/Portal
- Integration Components

42. Service Levels Monitoring

The Service Level parameters defined in Clause 42 shall be monitored on a periodic basis, as per the individual parameter requirements. MSI shall be responsible for providing appropriate web based online SLA measurement and monitoring tools for the same. MSI shall be expected to take immediate corrective action for any breach in SLA. In case issues are not rectified to the complete satisfaction of ASCDCL, within a reasonable period of time defined in this RFP, then ASCDCL shall have the right to take appropriate penalizing actions, or termination of the contract.

43. Penalties

43.1. A maximum level of performance penalties is established and described in the section

Severity Level	Penalty as a percentage of applicable payment milestone
9	Event of default and termination as per Clause 35 of this section of RFP respectively and the consequences as provided in Clause 36 of this section of RFP
8	5%
7	4%
6	2%
5	1%
4	0.5%
3	0.4%

Severity Level	Penalty as a percentage of applicable payment milestone
2	0.3%
1	0.2%
0	No penalty

- 43.2. Performance Penalty for not meeting a measurement parameter for any two months in consecutive quarters shall result in twice the penalty percentage of that respective measurement parameter in the third quarter for all the three months
- 43.3. Maximum Penalty applicable for any quarter shall not exceed 30% of the 'applicable fees' for the respective quarter.
- 43.4. Three consecutive quarterly deductions of 30 % of the applicable fee on account of any reasons shall be deemed to be an event of default and termination as per Clause 35 of this Section of RFP respectively and the consequences as provided in Clause 36 of this section of RFP shall follow.
- 43.5. The payment to the agency shall be on Quarterly basis however the penalty shall be calculated on monthly basis as per the SLAs stated in the RFP.

44. Reporting Procedures

- 44.1. MSI representative shall prepare and distribute Service level performance reports in a mutually agreed format by the **5th working day of subsequent month**. The reports shall include **“actual versus target”** Service Level Performance, a variance analysis and discussion of appropriate issues or significant events. Performance reports shall be distributed to ASCDCL management personnel as directed by ASCDCL.
- 44.2. Also, MSI may be required to get the Service Level performance report audited by a third-party Auditor appointed by ASCDCL.

45. Issue Management Procedures

45.1. General

This process provides an appropriate management structure for the orderly consideration and resolution of business and operational issues in the event that quick consensus is not reached between ASCDCL and Bidder.

Implementing such a process at the beginning of the outsourcing engagement significantly improves the probability of successful issue resolution. It is expected that this pre-defined process shall only be used on an exception basis if issues are not resolved at lower management levels.

45.2. Issue Management Process

- 45.2.1. Either ASCDCL or MSI may raise an issue by documenting the business or technical problem, which presents a reasonably objective summary of both points of view and identifies specific points of disagreement with possible solutions.
- 45.2.2. Any unresolved issues/disputes concerning the Project/Contract between the Parties shall first be referred in writing to the Project Manager for his consideration and resolution. If the Project Manager is unable to resolve any issue/dispute within 5 days of reference to them, the Project Manager shall refer the matter to the Program Management Committee. If the Program Management Committee is unable to resolve the issues/disputes referred to them within 15 days the unresolved issue/dispute shall be referred to Steering Committee / high powered committee/Project Implementation Committee for

resolution. The Steering Committee within 30 days of reference to them shall try to resolve the issue/dispute.

45.2.3. If the Steering Committee fails to resolve a dispute as per the above clause, the same shall be referred to arbitration. The arbitration proceedings shall be carried out as per the Arbitration procedures mentioned in Clause 18 of this section of RFP.

46. Service Level Change Control

46.1. General

It is acknowledged that this **Service levels may change as ASCDCL's business needs evolve over the course of the contract period**. As such, this document also defines the following management procedures:

- a. A process for negotiating changes to the Service Levels
- b. An issue management process for documenting and resolving particularly difficult issues.
- c. ASCDCL and Bidder management escalation process to be used in the event that an issue is not being resolved in a timely manner by the lowest possible level of management.

Any changes to the levels of service provided during the term of this Agreement shall be requested, documented and negotiated in good faith by both parties. Either party can request a change.

46.2. **Service Level Change Process:** The parties may amend Service Level by mutual agreement in accordance. Changes can be proposed by either party .Unresolved issues shall also be addressed. MSI's representative shall maintain and distribute current copies of the Service Level document as directed by ASCDCL. Additional copies of the current Service Levels shall be available at all times to authorized parties.

46.3. **Version Control / Release Management :** All negotiated changes shall require changing the version control number. As appropriate, minor changes may be accumulated for periodic release or for release when a critical threshold of change has occurred.
