263.	SECTION 2- Clause 2.1- Page 21	The Consultant (in case of single business entity) / Lead Member (in case of Consortium) should have a minimum average annual turnover of Indian Rs. 30 (thirty) crores during the last three (3) financial years; the JV/Consortium partner should have a minimum average annual turnover of Indian Rs. 10 (Ten) crores during last three (3) years.	In normal practice for other smart city PMC RFP's the minimum average annual turnover is kept between Rs.100 Crores to Rs. 200 Crores. Accordingly, we suggest the following: For Lead Member, Request PSCDL to increase the minimum average annual turnover to Rs. 150 crores to have genuine bidders for the project. For JV/Consortium partner, Request PSCDL to increase the minimum average annual turnover to Rs. 75 crores	Please adhere the RFP conditions
264.	Section 2, Instructions To Consultant, Part-II, Data Sheet,2.1, Page no 21,	Basic Eligibility criteria	In normal practice for other smart city PMC RFP's the Joint Venture consist of generally one lead member and other maximum two/three members. For such project which is of vast magnitude and of paramount importance, any JV member to effectively carry out such assignment should have specific technical experience of at least 30% of the requirement of specific experiences. Hence, we feel that partnership should be limited to one lead partner with a maximum of two JV partners.	Please refer Serial No:19
