

Vizag Smart City

Greater VISAKHAPATNAM Smart City
Corporation Limited (GVSCCL)

Modernizing GVMC Schools as—
“Smart Campus”

Presenter:

Shri Hari Narayanan, IAS
(Commissioner, Visakhapatnam)

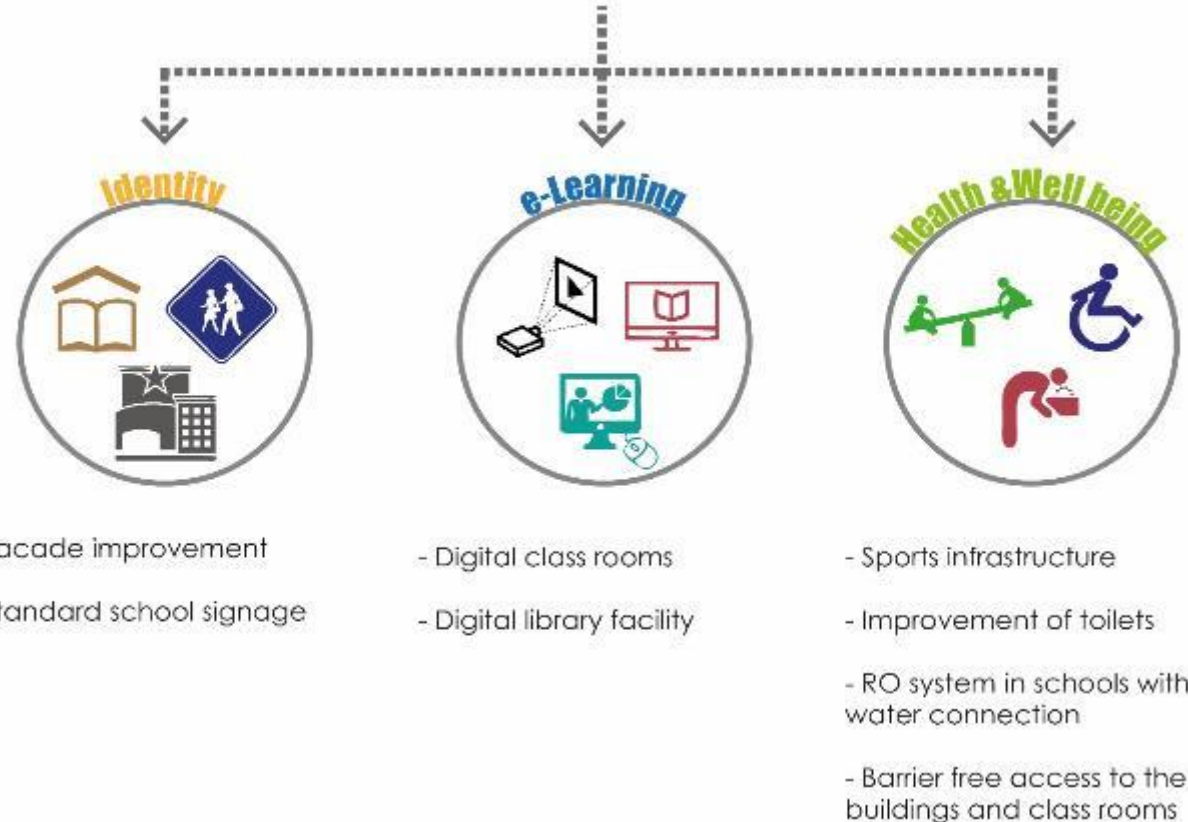

SCOPE

Aligning with the **Vision**, Modernizing GVMC Schools as “**SMART CAMPUS**” has been taken up under Vizag Smart City .

SMART CAMPUS has 3 major Components:

- **Health & Wellness** – Upgrading the Physical Infrastructure, sports infrastructure for the Schools
- **Identity** – Creating a uniform identity for the GVMC Schools including Façade enhancements, signages etc
- **E-Learning** – Equipping the schools with interactive classrooms to enhance the learning environments through use of Technology

Modernisation of GVMC schools

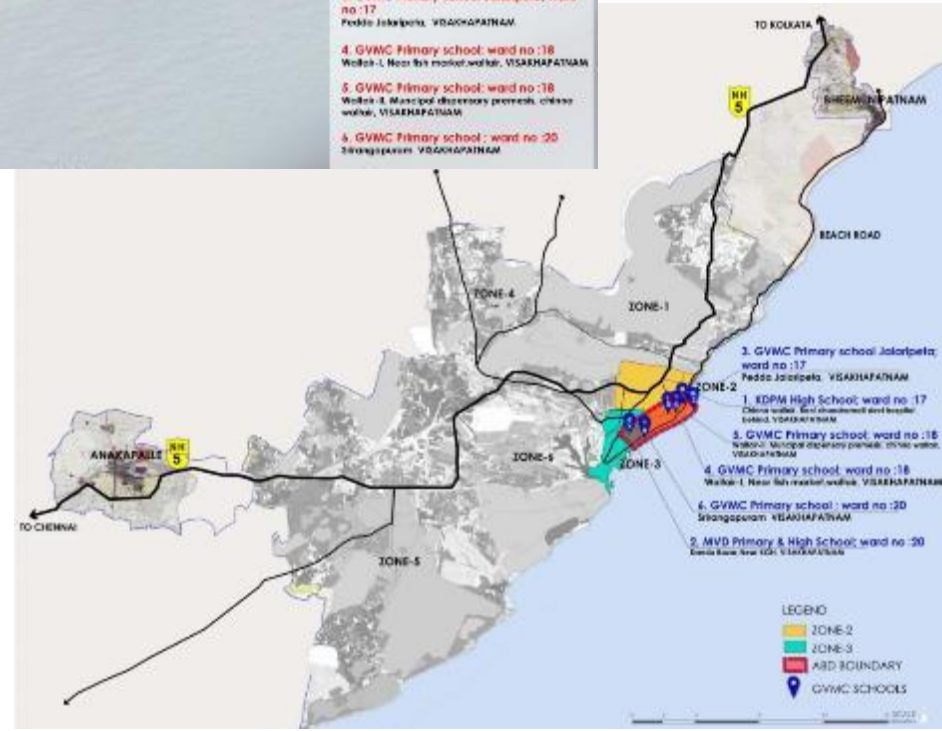

SCOPE – E-Learning (geographic)

Phase 1 - 6 schools taken up within ABD for modernization

Phase 2 - Subsequently the project was replicated in 25 High schools

Phase 3 - Providing Integrated Projection system to 154 class rooms in 27 high schools (Classes 8 – 10th grade) in rest of the City.

Challenges

- Bundling of all components under the “Smart Campus” Project (including **Health & Wellness + Identity + E-Learning**)
- Challenges faced during first round of RFP released in Dec 2016. No bids were received (since Smart Solution providers & Civil/Landscape contractors couldnot finalize partnerships)
- Tools to measure the output or success of the project

Internal Benchmarking
Ongoing

Overcoming the Challenges

- Unbundling of components in response to the market conditions –
 - Module 1 - **Health & Wellness + Identity**
 - Module 2 - **E-Learning**
- Separate RFPs were released.
 - Smart Campus
 - Smart Classrooms
- Initial benchmarking of the Schools ongoing to establish Baseline.
- This will be followed by third party review/assessment of the impact on the learning/teaching environment after 6 Months

Internal Benchmarking
Ongoing

Thanks
