**Subject: Circulation of “India Smart Cities COVID-19 Response: Case Studies”  
publication- reg.**

Dear Madam / Sir,

Deloitte Touche Tohmatsu India LLP has prepared a publication documenting case studies on how select Indian Smart Cities have managed their response to COVID-19. The objective of the publication is to share the knowledge with other cities and make them aware of some of the measures adopted by these cities to contain the spread of COVID-19 or to prepare themselves to face future crisis.

Please find enclosed a copy of the publication for your kind reference.

*Regards,*

*Encl: As above*
