Covid-19: Financial issues & Public transport recovery

Mohamed Mezghani
Secretary General

@MedMezghani
STRESS ON PUBLIC TRANSPORT FINANCES

Revenues
• Drastic loss of farebox revenues
• Drop in commercial revenues
• Cancellation of congestion charges
• Lifting of parking fees
• Impact on earmarked taxes or levies

Costs
• Increase of disinfection/cleaning expenses
• Cost of observing physical distancing
• Lay-offs and furloughs
• Interest and debt services
• Investments: diverse situations
POST-LOCKDOWN & RECOVERY

- Financial support & Rescue packages, incl. Informal transport
- Restoring trust
- Risk of modal shift towards cars
- Don’t think short term
