# **KOTA SMART CITY LIMITED, KOTA**

## **SPECIAL CONDITIONS OF CONTRACT**

### **Post Qualification of Contractors**

*Special conditions of contract for post qualification, as detailed hereinunder, shall be applicable in addition to all other terms and conditions already prescribed under standard agreement forms/rules and regulations relating to contracts.*

Name of Work : **Construction of Peripheral Road of Dusshera Maidan under Smart City mission**

1. The requirement of post qualification of contractors would be applicable only for execution of works costing more than Rs. 100.00 lacs.

### **PROCEDURE:**

2. Procedure for post qualification would be as follows:
  - (i) Two folder system would be adopted for potential assessment. Folder-1 being the Technical Bid and Folder-2 being the Financial Bid through e-tendering system. Earnest money, Income Tax and Sales Tax clearance, GST Certificate should also be submitted through e-tendering system with technical folder, Sales Tax Clearance Certificate of previous financial year would be considering.
  - (ii) The technical bid would be opened on the date and time specified in the Notice Inviting Tenders and the bid would be evaluated by a committee consisting of Additional Chief Executive officer, SE/ACE, FA and Executive Engineer concerned according to the criteria for post qualification laid down hereunder.
  - (iii) Any decision taken by committee constituted as above can be reviewed and revoked by CEO, KSCL by calling the relevant record suo-moto as on representation, after recording reason in writing.

- (iv) The Financial Bid envelope would be opened only of those bidders who fulfil the post qualification criteria.
- (v) Earnest money, tender cost and e-tendering evaluation fee shall be deposited by the contractor in the form scanned copy in e-tender and submitted to the concern engineer-in-charge upto date.

**CRITERIA:**

3. Criteria for post qualification would be as follows:

- (i) The bidder should have executed **33%** of the following quantities of work in any one of the **last five financial years**. However, the bidder may opt the current in the above said five years assessment period.

S. No.	Item	Quantities as per 'G' Schedule	Minimum required for post qualification
1.	GSB	6071.00 Cum	2023.00 Cum
2.	Masonry (Stone/Brick)	100.00 Cum	33.00 Cum
3.	WMM/WBM	2000.00 Cum	667.00 Cum
4.	CC M-30 and above	10980.00 Cum	3660.00 Cum
5.	PCC	6143.00 Cum	2048.00 Cum
6.	RCC M-25 and above	3035.00 Cum	1012.00 Cum

- (ii) The bidder should have completed at least one work of similar nature in last **5 years including current year** if opted by bidder of the value not less than **50%** of the cost of the work bid cost (updated to present price level).
- (iii) The bidder should have achieved a financial turnover of at least **50%** of the cost of work (bid cost) in any one of the last **five financial years**. However, the bidder may opt the current year in the five years assessment period.

- (iv) The bidder should be able to deploy the machinery and equipment specified in Schedule-III in the execution of work. This machinery and equipment should be available to the bidder on ownership or confirm lease basis for which appropriate proof on Non-Judicial stamp paper will have to be submitted.
- (v) Bid Capacity: Bidder who meet the minimum qualification criteria will be qualified only if their acceptable bid capacity is more than the cost of work bid cost. The bid capacity will be calculated as under:

Bid capacity =  $(A \times N \times 2 - B)$  where

- A = Maximum value of civil engineering works executed in any one year during the last five years (updated to present price level) taking into account the completed as well as works in progress. However, the bidders may opt. The current year in the five year assessment period.
- N = Number of years prescribed for completion of the works for which bids are invited.
- B = Value, at present price level, of existing commitments and on-going works (at hand) to be executed during “N” (period prescribed for completion of works for which bids are invited).

- Note:** (i) The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Engineer-in-charge not below the rank of an Executive Engineer.
- (ii) The present price level for turn over cost of completed work & disputed amount of similar nature the previous years value shall be given weightage of 10% per year as follows.

- (a) for year 2017-18 - 1.00
- (b) for year 2016-17 - 1.10
- (c) for year 2015-16 - 1.21
- (d) for year 2014-15 - 1.33
- (e) for year 2014-15 - 1.46

for current year, the price level shall be 1.0

### **Litigation History:**

Bidders should provide accurate information on any litigation or arbitration resulting from contracts completed or under execution by him over the last five years. The max value updated at the present price level of Disputed amount claimed in litigation arbitration resulting from contracts executed in last five years shall be deducted from the calculated Bid capacity of the bidder. The details shall be furnished in Schedule-VI.
