DELHI DESIGN FESTIVAL

# URBAN CHALLENGE LAB Feb 24, 2018

## INVITATION TO CIVIC AGENCY(S) LEADERS!

MUNICIPAL COMMISSIONERS

PUBLIC TRANSPORT SERVICE LEADERS

WATER/ENERGY SERVICE LEADERS

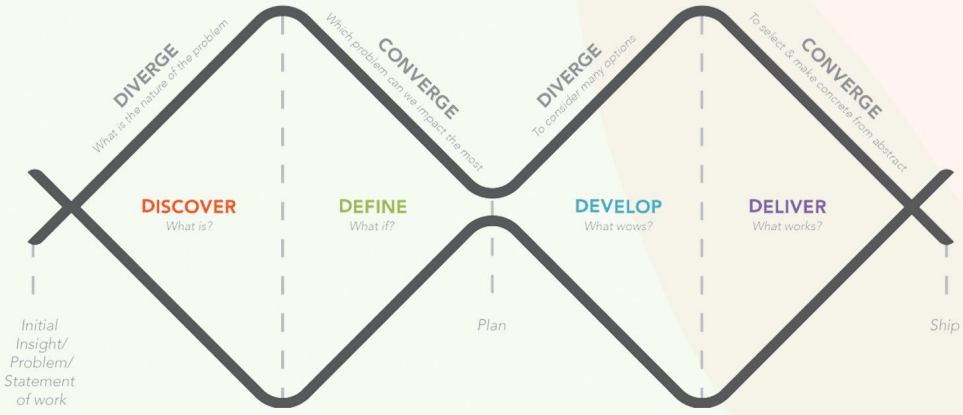
HEALTH CARE OR SANITATION

*"Urban Challenge Lab"is a day-long Design Thinking and Co-Creation Workshop and will offer a very engaging, collaborative and hands-on interaction between Municipal/ City & Service Leaders, Designers and other participants representing technology, business, social and development domains to explore potential design interventions and co-create solutions for some of the challenges faced by city leaders.*

*Join in, articulate and share your Urban Experience Challenges, engage, collaborate with design community and co-create potential design interventions.*

## THE PROCESS

The Urban Challenge Lab Workshop will apply Human-Centric approach and Design Thinking methodology used by design professionals for designing interventions and problem-solving process.



Venue : Silver Oak Hall, IHC, Lodi Road, New Delhi
