

National Institute of Urban Affairs

We invite you to attend our event
Up-Scaling City Networks for Knowledge Exchange at Regional Level
at the World Urban Forum (WUF9) on the 13th of February 2018.

NIUA @ WUF9

NIUA has been actively promoting city government networks for advocacy, capacity building in support of national urban initiatives in India, knowledge dissemination and peer learning.

The event at WUF9 aims to share learnings from NIUA initiatives and share the successes of knowledge networks amongst cities and institutions on the global platform with the intention of leveraging these at trans-national level. The focus is on the city networks and knowledge network initiatives across national and elaborating roles of the national and regional hubs. In addition, the aim is also to draw incentives that could encourage national governments and regional and sub-regional associations and agencies to formalize knowledge networks.
